## ILLOGAN PARISH COUNCIL

**Cornwall Association of Parish Councils** – A report from Cllr Ekinsmyth. He had attended the AGM and Conference and one other meeting. The main business was to confirm constitutional arrangements so as to conform with new Cornwall Council arrangements. The current Executive Committee members to remaining post plus 6 further representatives elected to fill vacancies. Four members will represent the new Cornwall Council service delivery areas. All meetings attended were informative and of direct relevance to Illogan. The training we received was attended by most councillors who took the opportunity to update knowledge on Standing Orders.

**Community Network Area** - Cllr Ekinsmyth had attended 3 meetings . At the first it was decided to split the group into two areas whose interests were more in common; the CPIR (Camborne, Pool Illogan and Redruth plus Portreath), and the Mining and other villages outside the main conurbation. At subsequent meetings we agreed Key Strategic Objectives to be pursued by the network and in the first instance taken to the County overarching sustainable planning group. All Illogan Parish objectives were taken from the Parish Plan survey.

**Red River Working Party** - there had been no meetings during the year.
