**1st March to the end of May 2014.**

## ILLOGAN EASTER TREASURE TRAIL

**7 April to 14 April 2014**

**Prize-giving Wednesday 16 April**

The Illogan Easter Treasure Trail is a fun way to  
learn about Illogan, its architecture and its history.

It's an easy-to-follow route where you can solve clues and have an educational and  
enjoyable time along the way. You can follow the trail in one go or in several stages as  
you have a whole week to solve the clues.

Entry forms are available from Illogan School, the Council Office at Tolvaddon, the Post  
Office and local shops.

This is a family event. Children under 16 should be accompanied by a responsible  
adult.

Full details, including the Treasure Trail route, age groups and prizes will be contained  
in the entry forms.

Winners will be notified and the prize-giving will be at Penwartha Hall, Voguebeloth  
from 6.00 pm until 6.30 pm on Wednesday 16 April.

## ILLOGAN IS A SUSTAINABILITY LEADER WITH THE GREEN RIPPLE PROJECT!

**CornwallSustainabilityAwards**

The excellence of the Illogan Green Ripple Project was recognised in the recent  
Cornwall Sustainability Awards for its pioneering work in the domestic renewable  
energy category. We won the *Domestic Renewable Energy Scheme* and were  
Commended in the *Community Renewable Energy Scheme*. These awards were  
fiercely contested which makes them all the more valuable. They are well deserved in  
recognition of our hard-working team of local volunteers, led by Community Energy  
Plus and Cornwall Council.

The Green Ripple Project was singled out for praise for engaging a whole community  
in the benefits of domestic renewable installations.

With compliments of Illogan Parish Council

## Parish Council Chairman: Graham Ford

The last two pieces I wrote for this slot emphasised looking forward. In my judgement, retreating to the past, or taking a 'steady-as-we-go' or 'treading water' approach to the future is probably a waste of energy and opportunity.

However, it would be remiss of me not to take this opportunity of formally recording my thanks and congratulations to the many people who, in different ways, contributed to the events surrounding the Christmas Lights. My particular thanks go to Cllr Terry Wilkins for driving the events and to the Council staff and contractors for their considerable out-of-hours and beyond-normal-duties' contributions to the preparation and clearing-away.

The front page story tells about the remarkable achievement of the Tolvaddon Regeneration Group and Cllr David Ekinsmyth in gaining a profusion of Sustainability Awards. These mark the way forward for the Parish in a rapidly changing world. Further, they acknowledge a team effort between the Council and Community Energy Plus. More volunteers are always welcome!

The substantial changes and new possible facilities and services underlying the budget for the new Council year in April 2014 are all about enabling a sustainable and vibrant community. They are also about a lot of effort and hard work for us all - not just the Council members and staff. The involvement from the rugby and football clubs with the planning for a regenerated Illogan Park are a good example of this. So please pitch in with your time, your ideas and your hopes. After all, as the slogan says, "We're worth it".

*Graham*

## Cornwall Councillor Terry Wilkins , CC, MBE

I hope you all had a very good Christmas, despite the appalling weather. The Christmas Lights events went well. My thanks go to Derek and Joan at the Robartes and to Bill and Denise at the New Inn for their input into both evenings, to Wilf and Sue from the Premier Shop for the donated pasties and to the volunteers, Dave Dolling and Anne Edwards.

Illogan Parish is moving into a new era in 2014 with our Parish Clerk, Sarah, becoming full time. Sarah and Jo, our Admin. Assistant, will be taking on responsibilities from Cornwall Council, including the exciting venture of receiving the freehold of Illogan Park and creating something worthwhile for the people of Illogan and Park Bottom to enjoy.

As the Cornwall Councillor for Illogan I have been out 'beating the bounds' in this terrible weather, talking to residents and taking their concerns to the appropriate officers to get answers. The answers are not always what people want to hear but I do my best.

Cornwall Council is considering stopping the mobile library service so at the moment I am working hard to prevent that. I believe people who live in rural areas where buses are few and far between, can't necessarily get to towns to pick up books. The mobile library is a service we must hold on to.

I am also discussing the bedroom tax. A number of residents will be relieved to know that this is not relevant if you are on housing benefit and have lived in your council/social housing property since before 1996.

If you have any concerns I am happy to visit and discuss any issues that you may have. My contact details are on the back page of the Review.

*Terry*

## THE ILLOGAN GREEN RIPPLE PROJECT

(Continued from Page 1)

Funding was made available by Government to look at innovative ways of encouraging sustainable living in local communities. We decided to bid for funding to involve the Tolvaddon community in testing various means of saving energy in their homes and therefore living more sustainably, using the local shop to demonstrate the technology available.

In total 54 properties had at least one energy-saving measure installed. Seven homes were fitted with Solar PV, as was the community shop. Local champions, community events and information points all helped to create a sense of collaborative action with positive results. The object being to raise levels of understanding around energy usage to encourage the community to consider environmental options.

The project is looking for further properties that are interested in joining our award winning community Solar Panel Scheme which provides the solar panels installation free of charge. The benefits to householders from the electricity produced during the day helps to lower bills whilst the Illogan Green Ripple benefits from the income generated through the Feed-in Tariff. The funding generated is then invested back into the community; installing more solar panels every year for the next 20 years to more properties.

As well as the benefit of reduced energy bills from the installation of Solar PV, the strength of this project, as recognised by the judges, was that a proportion of the Feed-in Tariff was ring-fenced to form a community legacy fund for Tolvaddon, which it is hoped will prove a positive force for years to come.

Project Director, Cllr David Ekinsmyth, explained what the award for *Best Domestic Renewable Energy Project* meant to those involved. "We are thrilled to have been recognised for our efforts to improve energy efficiency in Tolvaddon and reduce our collective impact on the environment. The award has spurred us on to think about the ways in which the ripples might spread, and maybe turn into a fully-fledged wave one day!"

The project is now entering Phase 2 and new volunteers are needed to help the project move forward. The aim is to use the experience gained so far to 'ripple out' and involve the wider Illogan Parish community. So how about it? You don't have to be an expert; just enthusiastic and prepared to give some time to the work. If the current spell of weather is anything to go by we need to find ways of living more sustainably very quickly. Illogan has already demonstrated it can take the lead; we are ahead at the moment and mean to stay there.

If you are interested in volunteering or in knowing more about the project, please contact us by email at [illogangreenripple@gmail.com](mailto:illogangreenripple@gmail.com) or contact the Illogan Parish office at [enquiries@illoganparishcouncil.gov.uk](mailto:enquiries@illoganparishcouncil.gov.uk) or telephone 01209 711433.

## ST ILLOGAN PARISH CHURCH

## Health

**Doctor, doctor, I keep thinking I'm a dog!**  
*Sit on the couch and we'll talk about it.*  
**But I'm not allowed on the couch ....**

The Illogan Parish Plan's third headline aim is: "To work as a community to improve our health".

There's no doubt that good physical and mental health is an important contributing factor to our overall enjoyment of life. But the World Health Organisation adds another dimension when it defines health as "the state of complete physical, mental and social wellbeing; not merely the absence of disease and infirmity."

The aspect of *social* wellbeing is something that could easily be overlooked. Social wellbeing refers to less tangible things, such as supportive relationships, and trust and belonging.

**Doctor, doctor, people keep ignoring me.**  
*Next please!*

As the Parish Plan takes into account, maintaining a healthy lifestyle is important. If we are going to reserve the right to adopt an unhealthy lifestyle we cannot complain if it has consequences for our health. We have to recognise too that, because we don't live in isolation but in a community, our lifestyle choices will have implications and consequences for those around us - financially, emotionally, and physically. With all other things being equal, a community where people are making healthy lifestyle choices will be a more flourishing community by definition.

**Doctor, doctor, I keep thinking I'm a goat.**  
*How long have you felt like this?*  
**Since I was a kid.**

But occasionally, despite leading healthy lifestyles, we become ill. Or sometimes, because of our circumstances and experiences, our ability to choose a healthy lifestyle is impaired; we may more easily turn to self-harming or destructive habits.

At that point we need someone, or some agency to intervene and offer help. We often then turn to the

health service, as I have gratefully done and will continue to do!

But what about spiritual wellbeing? The Christian faith teaches that illness, disease and sickness were not part of God's original paradise. (You may find it helpful to read chapter 3 of Genesis – the first book of the bible!) But in our world as it is, ill health is a common human experience.

Yet the good news is that God wants something very different for us and for the whole of his creation. When humankind needed someone to intervene, God intervened. He sent his Son – the great healer and physician. Jesus came to bring about a new world of restored relationships with God and with each other, and will one day restore this creation to a new and greater paradise.

In the meantime, God doesn't promise an immediate escape from the difficulties of this life but he does promise to be with those who trust in him as we experience those difficulties.

So may we care for ourselves and for each other, may we give thanks for our health professionals and trust in God, the ultimate healer.

Wishing you health and happiness.

*Rev'd Steve*

## ILLOGAN VILLAGE HALL

### What's on at Illogan Village Hall

(By Stephen Turner)

#### Village Hall News

Firstly, a very big thank you to a very kind resident who generously donated a lovely piano to the hall for use by our drama group. The Illogan Players have also invested in some theatrical back drops, props and costumes and are looking forward to putting on their first proper theatrical show later this year.

The Indoor Sports Club, which offers Pool, Table Tennis, Table Football and Air Hockey on Thursdays (6.30pm to 8.00pm) in term time, is on the look out for new members. All equipment is provided and training is available to help get beginners up to a good level of play. The supervised sessions are relaxed and every term we have a competition or two with prizes. We welcome young players from 8 years up. Adult family members are welcome to stay if they wish. We don't currently cater for adult members but if enough people are interested we could run a senior session from 8.00pm. Refreshments are available and it only costs £1.50 per session. Drop by when a session is on for a free trial or phone 843845 for more information.

As you can see the Village Hall still offers a broad range of activities for all age groups so, if you haven't done so already, why not pop along to the hall and try one out? Taster sessions are usually free.

Helping run the Village Hall is a great way to get involved in community activities. You might like to join the management committee or may have some free time and can help in more practical ways. Please phone Steve on 843845 for a chat about how you might be able to help out. We also have a Facebook page which, if you join, will enable you to keep abreast of developments and forthcoming events.

#### Hire of the Village Hall

The hall is available for parties, receptions, meetings and conferencing at very competitive rates. Facilities available include the main hall, a fully equipped kitchen and a smaller meeting/training room. Tables and chairs are also available, as is a public address system. To book or for more information contact Sue Skewes on 01209 843575.

If your club or group would like to meet at the Village Hall then please phone 01209 843845.

## WE NEED YOUR HELP!

The Parish Council is not just about ensuring there are sufficient bus shelters and litter bins. It is also an integral part of village life where councillors and other volunteers work hard to provide a variety of events throughout the year that help to bring the people of the parish together.

### Christmas Lights

On Page 2 Cllr Wilkins touched on the Christmas Lights Switch-on events at Paynters Lane End and Park Bottom which, despite the weather, were a success. That said, we have followed the same process for a few years and believe it would be good to inject new ideas to make the events even more interesting and enjoyable. If you have thoughts about how to improve the Christmas Lights events, please contact us.

### Gardening Competition

Similarly, in past years we have held a Gardening Competition in the summer and although this has been enjoyable for a small number of people, we would like to see more interest if we are to continue with the competition. Ideas about how this could be improved (for example, different categories), would be appreciated as we would like to see this competition grow. Are you thinking of entering? We are also interested in who might be considering an entry this year so that we can decide whether to run the competition.

### Other Events

We have considered other ideas that might attract interest, for example a Photo Competition, and, again, would like to hear from you with your thoughts on this and other possible events (e.g. carnivals, shows, plays, other competitions).

### Become a Volunteer

Even our village-sized events take considerable organisation so we always need volunteers. We need fresh ideas, and help with shaping and/or managing events, throughout the year or just to help on the day. If you would like to support us in any way, please get in touch with the Clerk.

**Our email address, telephone number and postal address are on the back page of this Review.**

## NEIGHBOURHOOD WATCH

Most people that call at your home will be genuine but sometimes people turn up unannounced, with the intention of distracting you, and tricking their way into your home with the intention of stealing money or valuables. There are various types of 'cold callers' such as bogus callers, and distraction burglars.

We urge all residents to be cautious when strangers call at your door. Bogus callers often pretend to be someone they're not. For instance, they may claim to be from the water company, the council, a health organisation or even the police. They can be very convincing and persuasive, using any excuse to distract you. Common tricks include children asking for a drink of water or looking for a lost ball or pet. In fact, bogus callers may use any story to take advantage of your good nature to trick you into letting them into your home. They often use 'props' which can include identity cards, wearing a smart suit, or wearing overalls which bear a company logo. It is easy, in this computer age, for bogus callers to reproduce fake identity cards.

It is therefore important that you only open the door to people you know or have made a prior appointment with by letter or phone call. You can check whose calling by firstly looking out of the window, or even by having a spy-hole fitted to your door by a recognised trader.

It's important you do not keep large amounts of money in the house – it is much safer in a bank or building society. Purses and wallets are best kept hidden from windows and doors, out of sight.

The bottom line is, don't open the door to strangers or people you are not expecting. There is a small rectangular window sticker obtainable from the police which bear the initials SOS – in large print – with the wording underneath saying **Stay Out Stranger**, endorsed by the police.

I will continue with Bogus Callers, and include more information on Distraction Burglars in the next issue of the Illogan Parish Review.

Be safe!

## ILLOGAN SCHOOL

### Rachel to the Rescue!

A Year 2 pupil at Illogan School acted swiftly just before Christmas when her mum became ill and passed out. Rachel (aged 6) promptly phoned 999 and gave the emergency services her home address.

When the paramedics arrived, Rachel explained that the latch was on the door and she wasn't allowed to open it. Only after the paramedics showed Rachel their ID did she open the door to them.

While the doctor dealt with her mum, Rachel read a story to younger sister Ruby and twin brother Riley. She helped to find her uncle's phone number on her mum's phone and packed bags for her siblings.

Rachel truly acted as a superstar and behaved with maturity well beyond her young age. She is a true credit to her mum and a shining example to children of all ages.

### Poster Competition

Councillor Maggie Loxton presented prizes to the winners of the poster competition to advertise the Lantern Parade.

First: Hannah Corrigan  
Second: Rhys Corrigan  
Third: Isabella Baxter

As winner, Hannah got to switch on the Christmas Lights at Paynters Lane End.

## ILLOGAN PARISH FAIR

The Parish Fair Group met in early February and is developing plans for July now that we have a better idea of which School facilities will be available for us to use. As always we very much welcome the involvement of everyone from the community so if you can help in any way please get in touch. The more the merrier!

If you haven't done so already please put 19 July 2014 into your diaries as I am sure it will be another fantastic event and will once again be free entry.

We do hope that the rather wet weather of late has not put anyone off wanting to enter something in this year's Horticultural & Domestic Show. A schedule and entry forms will shortly be available on line at the Parish Council website and at various outlets around the Parish. The show is open to all residents and there are categories for all ages.

Please remember that we have not yet selected someone to open the 2014 fair and it could be anyone from our Parish, so if you would like to nominate someone please do - and be sure to let us know why you are nominating them. Closing date for nominations is 1 April 2014.

If you would like to help on the day or have something to exhibit, get in touch now on 01029 843845.

In September Cornwall Fire & Rescue Service was granted planning permission for the new facilities in Tolvaddon. What was especially rewarding was the recognition of all the work we had undertaken to engage with our communities in the development of our plans.

The Camborne, Pool, Redruth & Hayle Emergency Cover programme has now moved to the tendering process and appointment of the contractor to deliver our new facilities. We are currently working towards appointing the contractor and will commence the build phase of the programme as soon as possible. Keep informed about how this work is progressing by visiting [www.cornwall.gov.uk/cprh](http://www.cornwall.gov.uk/cprh)

The new Camborne, Pool, Redruth & Hayle Community Fire Station will be staffed by on-call and whole-time firefighters and we will be looking to recruit on-call firefighters in the near future. Our on-call firefighters play a key role in keeping communities safe and responding to a variety of emergency situations (fire, road traffic collisions, flooding etc).

To become an on-call firefighter, it doesn't matter whether or not you have a 'main job', or even what it is (you could be a receptionist, plumber, housewife, student, farmer or travel agent!) just as long as you can commit to, and balance a career with Cornwall Fire and Rescue Service. However, you must be at least 17 years and 6 months old (as you need to be at least 18 years old before starting employment as a firefighter), be physically fit and live or work very close to your Community Fire Station.

For more information on becoming an on-call Firefighter or regarding future recruitment, please call us on 01872 323800, visit our website [www.cornwall.gov.uk/firecareers](http://www.cornwall.gov.uk/firecareers) or email [careers@cornwall.gov.uk](mailto:careers@cornwall.gov.uk).

## SPINAL INJURIES ASSOCIATION

Want to do something different? Want to eat fish and chips while raising money for charity? Hold a fish and chip supper on Friday 17 May 2013 and raise awareness of spinal cord injury as well as supporting SIA's information and support services.

You can hold a fish and chip supper in your own home or at work, or hold a larger supper at your local community centre. SIA will provide a fundraising pack containing hints and tips, recipes, invitations and donation envelopes and we will send you additional fundraising ideas to raise even more money for SIA.

We want to raise £25,000 from this event. The money raised will help the SIA offer support to paralysed individuals and their families - from the moment a spinal injury occurs and for the rest of their lives - by providing services and publications which enable and encourage paralysed people to lead independent lives.

Every year in the UK over 1,000 people experience a spinal cord injury and there are an estimated 40,000 spinal cord injured people in the UK alone.

For more information or request a fundraising pack call Elizabeth Wright on 0845 071 4350 or email [fundraising@siafishandchips.co.uk](mailto:fundraising@siafishandchips.co.uk) or visit [www.siafishandchips.co.uk](http://www.siafishandchips.co.uk)

## News Update

Our annual fundraiser raised almost £1,400.00, thanks to local businesses and individuals. The money raised will be used to carry out essential work on the building and the site.

During February, the driveway boundary wall will be tidied up and work will begin on the water pipework. Our external gas pipework will be brought up to current standards thanks to Camborne & Redruth Lions, Centre users and our annual fundraiser.

The Trustees are in the process of discussing further work and plans for the Centre which we hope to report on next time.

## ILLOGAN YOUTH GROUP

**Tuesdays:**  
6.00-7.30PM 8-12's  
7.30-9.00 13-19's  
**Held at Illogan Village Hall!**

**Information, Advice and Guidance**  
**Sports**  
**Arts and Crafts**  
**And a place to relax and stay safe...**  
**Any enquiries please call: 07875322570**

## FAR WALKER'S GROUP

The Far Walker's Group has been walking each Wednesday for more than a year. We now venture further afield and take longer routes from village.

These are more challenging and of a longer duration - generally in excess of two hours - and are equivalent to a Level 3 walk. They typically include gradients and uneven paths.

It is therefore the responsibility of the individual walker to know their own limitations and to consult their G.P. if in any doubt.

We walk in all weathers! Transport to the venues is shared, as are the decisions in planning the routes and deciding where we have coffee or which pub to go to lunch!

If you would like to join us please contact:

Mandy Waghorn- 01209 842698 or  
Maggie Thompson- 01209 844754

## 'ROBARTES READERS' BOOK GROUP OF ILLOGAN

The group meets on the last Thursday of each month at 7.30 pm in the Robartes Arms, Illogan.

The aim is for readers to meet other like-minded people who are interested in serious discussion but who also would like to have fun – not to mention a glass or two of something – and be introduced to new books and authors who help broaden our outlook.

Please contact Maggie Thompson 01209 844754  
or call in at the Robartes Arms.

## ILLOGAN WOMEN'S INSTITUTE

Do you feel that 'the real me' has been submerged beneath the carer, the housekeeper, the taxi driver, the nurse, the employee? Why not rediscover who you are by joining your local Women's Institute, a place where women of all ages can meet socially to share experiences, learn new or old skills and have fun! We meet twice a month, on the first and third Wednesday. **Want to know more?**

Contact Janet Mitchell on **01209 890512** or Monica Wilkes ([monicawilkes1@hotmail.co.uk](mailto:monicawilkes1@hotmail.co.uk)), or just come along to a meeting. We would be delighted to see you.

### DIARY DATES

## KNOW WHO'S WORKING FOR YOU

**Cllr Mrs Jill Ferrett**

The current Vice-chairman of the Council, Jill, has lived in Illogan for 40 years. She re-joined the Council in 2012 having previously been a member for 11 years until 1997. Now retired, Jill has degrees in Economics and Agricultural Economics and most recently worked at the Open University and Cornwall College.

She has always been active in the local community, as a Magistrate for many years and as Chairman of Governors at Illogan School when her children were young. Jill was a member of Cornwall County Council for eight years and a member of the ruling Executive from 2001 to 2005.

She believes passionately that local people should have a voice in the developments affecting their community and says: "With the cuts being imposed by Cornwall Council and the attempts to devolve services downwards to local towns and parishes, there is enormous potential for Illogan Parish Council to reflect the wishes of the local community, to improve local amenities and attempt to regulate development in the area."

**Cllr Mrs Maggie Loxton**

Maggie was born in Cornwall but lived in a number of places before returning home in 2001.

She worked for 38 years as a registered nurse in general and mental health nursing, retiring three years ago.

Maggie enjoys being involved with the community and said, "I feel privileged to be elected as a parish councillor".

As well as working for Illogan she is a governor at Redruth School, a National Trust volunteer at East Pool Mine, and a Cornwall Youth Service volunteer. She is also the secretary for Mid Cornwall NHS Retirement Fellowship.

Her hobbies including art, swimming, her pets and, of course, her 'grown up' children.

Maggie's special interest is in helping young people develop their full potential and she is becoming increasingly active in the work of the Illogan Youth Group.

### MANINGHAM WOOD ENTRANCE - THE PLATT

Whichever way you walk through the wood you'll pass through The Platt so may be interested to know what grows there. This once ugly, derelict area is now an attractive and colourful asset to the village. Of course, like any garden, there is always work to do to keep it looking tidy and pleasant. Part of this gardening work is undertaken by a group known as the 'Friends of Maningham Wood'.

Have you noticed the small yellow flowers on the Dogwood tree (*Cornus Mas*) on the right hand side as you enter the Wood? It flowers in January. We prune this after flowering to prevent it spreading too much.

Meanwhile on the left-hand side you will see twisted hazels (the variety 'contorta'). As this is a grafted tree we must check it occasionally to remove sucker growth which arises from the rootstock or the twisted form may be lost.

There is also a large area of *Skimmia* var. 'Kew Green' which merges into a planting of *Viburnum Davidii*, recognisable by its dark foliage and amazing blue berries in winter. This in turn merges into dense areas of a dwarf ground-cover shrub, *Stephanandra*, which has good autumn colouring. On the actual edge of the garden, on both sides, is the weaker growing Winter Box or *Sarcococca* which, from its small winter flowers, comes the most delicious perfume. It is our intention to ensure that this is not smothered by other more vigorous plants.

On the right hand side near the Parish notice Board are areas of Japanese Anemone which are so attractive in the autumn and on each side the cherry trees give us the benefit of both blossom and brilliant autumn foliage. One of these trees is better than the other but we are trying to balance them up, remembering that any pruning of cherry or plum should not be done in winter when it can encourage disease (Silver leaf) into the wood.

So, in place of the former eyesore we can all enjoy the diverse planting we now see on The Platt. Those who planned and planted it as part of the Maningham path deserve our recognition and thanks.

*Andrew Tompsett*

If you are interested in becoming a Friend of Maningham Wood, please call Andrew Tompsett on 01209 842316.

## GRAPEVINE COMMUNITY CHURCH

### STORMS - It's raining.

Not again! This is getting ridiculous. Yes, rain is refreshing after a dry spell; jumping in puddles can be fun and a kiss in the rain can be romantic. But day after day - sometimes we just want it to be over. Days of rain interrupted by storms, some say, "well that's the British winter!" but I can't help praying that God would send some sun.

Maybe it's not only winter you wish would be over. Often the storms outside are nothing compared to the storms inside! Perhaps there's something else going on in your life and you're ready for it to be over too. You're in debt, you're in pain, you're in worry, you're in uncertainty, and just wish it would stop. Stop now, stop raining!

*A.B. Simpson said, "You will never learn faith in comfortable surroundings", and I guess he's right. Remember that things will get better, winter goes and spring will arrive. Have faith, keep trusting, God is with you and me. It's amazing what He can do. Have faith. Happy Easter.*

**Elaine**

*"In the storms of cancer treatment, Jesus was my tower of refuge. When I felt like I was a boat tossed around in a storm, I held onto Jesus until the winds calmed me into new life."* **Kate**

*"Many times since my baptism I have faced problems that I thought were insolvable. When that happened I turned to Jesus and asked Him to handle it for me. So far He has never let me down and I don't believe He ever will."* **George**

*"Because of what Jesus has done for me I am free from a troubled past, know He is always with me and know that He loves me no matter what I do or where I am. He helps me share that love with anyone who is sad or hurting."* **Alice**

*"He gives my life purpose. He has blessed me again and again. He has blessed me so that I can bless."* **Gary**

*"I am not perfect but He is and I know He forgives me when I get things wrong and helps me get it right the next time. He has made my marriage stronger and given me a wonderful extended church family."* **Barbara**

## GARDENER'S CORNER

(Courtesy of Trevenson Garden Centre)

With Christmas and New Year festivities now but a distant memory, it's time to start feeling the excitement of another fresh year as we begin to welcome the onset of Spring. By now you should have:

- recycled the Christmas tree
- dug over any vacant plots
- started to plan vegetable crop rotations for the coming season
- continued feeding the wildlife

February sees the garden starting to come to life again as light levels and temperatures slowly increase. Whilst keeping an eye on weather forecasts it's now time to:

- prune shrubs such as Wisteria, winter-flowering shrubs that have finished and hardy evergreen hedges
- prepare vegetable seed beds
- plant shallots, onion sets and early potatoes
- chit potato tubers
- keep the garden tidy

Mid-March is normally the start of the Spring season with, hopefully, an increase in sunny days, giving us the opportunity to do jobs such as:

- planting summer-flowering bulbs
- lifting and dividing perennials
- freshening up containers with compost
- if needed, mowing the lawn on dry days (!!!)
- dealing with the weeds as they begin to make a comeback
- opening greenhouse and conservatory doors and vents on sunny days

You won't need reminding that the weather has a mind of its own, especially this year, and doesn't always do what it should, so keep an eye on forecasts and conditions and adjust all gardening jobs accordingly.

All advice and tips are given based on normal seasonal trends but if you are in any doubt regarding current particular weather conditions please feel free to visit us at Trevenson Moor Garden Centre where we will be happy to answer any questions.

Fingers crossed the weather behaves itself and we all have an enjoyable and productive start to the gardening year.

## CANCER RESEARCH UK

The **Annual Christmas Market** was well supported, with many bargain hunters looking for special Christmas gifts. A beautiful cake, made by Mrs Ann Rule, was auctioned by Keith Naylor, an Area Fundraiser for Cancer Research UK. The winning bid of £500.00 was made by a local firm who wished to remain anonymous. The amount raised for the morning was **£158.00**.

The well attended **Christmas Carol Service** was enjoyed by many supporters of our Charity. We would like to thank the representatives of local choirs who sang the Merritts Carols so beautifully. Also thanks to Mr Mike Uren, Musical Director and the two talented young soloists, Kirsty Smith and Grace Wallen.

Special thanks go to the Chairperson Mrs Stella Rule and to the entertaining speaker Mr Rodney Grigg, of Redruth, who made the **Appeal** successful by outlining current research into cancer treatments. Mr Grigg captivated the congregation with his amusing anecdotes of bygone days, compared with current trends. A collection taken totalled **£890.00**.

**Diamond Wedding** congratulations go to Mr and Mrs Bone, of Lamanva Road. Neighbours and friends enjoyed an evening with Ted, Joan and family at Trickies Restaurant, which was decorated with pink balloons and banners for Breast Cancer Research. On display was a *Congratulations* card from Her Majesty Queen Elizabeth. **£320.00** was donated for Cancer Research UK (Breast Cancer Research).

### Forthcoming Events

Thursday 6 March, Big Breakfast, Paynters Lane End Chapel, 9.00am to 12 Noon

Bank Holiday Monday 5 May, Annual Plant Sale, Market & Silent Auction, Illogan School

### Fundraising Events

Any individuals wishing to raise funds for Cancer Research at a private event or function can obtain items such as banners, balloons, boxes etc. from the Illogan Committee. Funds raised can be sent by the Treasurer to Cancer Research UK or to any chosen Branch of Research, i.e. Breast Cancer Research, Bowel Cancer Research, etc.

For further information please contact Mrs Sylvia Smith (Chairman) on 01209 218769.

### Camborne Redruth Community Hospital:

#### Minor Injuries Unit

Barncoose Terrace Redruth Cornwall TR15 3ER.

Telephone 01209 886150

The Minor Injuries Unit is open every day (including public holidays) between 8am and 10pm. Staff aim to see patients as quickly as possible and generally waiting times are less than in an A&E department.

If your injury is not serious, you can get help at an MIU, allowing A&E staff to concentrate on people with serious, life-threatening conditions.

The Radiology (X-Ray) department is open Monday to Friday from 9.00am to 5.00pm.

## ALLSORTS AT PENWARTHA

**Allsorts** "Pop In Art and Craft Display" was held on 11 December and everyone had a nice time. Welcome to our new friends! Devon & Cornwall Housing staff attended the event and presented a grant award for Allsorts to have some leisure trips out as a community.

**The grant** was awarded by The Co-operative Group Community Funding. Part of the grant was used to take 17 Allsorts friends on a trip to see the Christmas Lights and another trip has been arranged to The National Trust's Trelissick House, Garden and Arts/Craft Centre in April. Allsorts would like to thank the Co-operative Group for this award which has enabled and enhanced the community spirit

**Allsorts** is a voluntarily run venue that is FREE to attend for local people who are retired, disabled or are affected by memory problems etc. The idea is to provide the local community with a relaxing and enjoyable place to go where they can enjoy a break, share company and chat, and also access Easy Arts and Crafts. Many retired people become lonely because they are caring for their partners who have become unwell; others have been left bereaved and alone after losing their partner and some with disabilities find themselves generally isolated. Each fortnight brings a new face, a new friend.

**The Arts and Crafts**, which includes painting, finger-weaving with wool, knitting, crochet and card-making are relaxed but cleverly structured by the skill-sharing facilitators. Many people who felt that they had no artistic talents are surprised and astonished to be producing works that are worthy of gracing any space.

**The volunteers** who facilitate Allsorts are mainly residents of Penwartha Road and they support each other to ensure smooth running of the venue.

**Events** are held every other Wednesday; the hall is within easy walking distance from Illogan Village centre on the same side as Boots Pharmacy and is the centre part of the bungalow complex.

**Allsorts** looks forward to welcoming new friends. Congratulations to all those whose pictures are included here.

## NEWS FROM THE SEVENTH-DAY ADVENTIST CHURCH IN VOGUEBELOTH

### Public Programme

We have started a programme for anyone in the community who wants to get more out of their life. Called *Taking Charge of Your Life*, it is a series of informal group studies looking at various aspects of life. Topics to be covered over the next couple of months include:

**Purpose Relationships Feelings**  
**Addictions Success Choices Balance**

You won't need reminding that the weather has a mind of its own, especially this year, and doesn't always do what it should, so keep an eye on forecasts

### Building Work

The church is housed in the old Methodist School building, and like many old Cornwall granite chapels, it is showing its age! In the next few weeks we will be replacing the side windows with uPVC units which we hope will not alter the appeal of the building, but will give us much better protection from the weather. The building also features lovely stained glass windows on the front face, and later in the year we will be looking at how we can bring these up to date while maintaining the original appearance.

Services are held every Saturday and all are welcome to attend.

### MOBILE LIBRARY: UPDATE

You will have heard that Cornwall Council has been facing budget pressures which means re-thinking how it delivers services. The mobile library is one service that is at risk as a result of a 50% cut in the service budget for the next financial year.

Recommendations are being considered for replacing these services with a range of community based initiatives and a number of successful schemes are already in place

Further savings are necessary, however, and Cornwall Council have launched a 12 week consultation (from Monday 3 February). A questionnaire is available on the Cornwall Council website ([www.cornwall.gov.uk/libraryconsult](http://www.cornwall.gov.uk/libraryconsult)) and hard copies are available in the mobile library, the Parish Council office, the One Stop Shop at Dolcoath, the Post Office and the Co-op.

If you want to retain this very valuable mobile library service for those who, for a variety of reasons, are unable to attend a local library or do not have any form of computer access to Cornwall Council's online library services, please try to take the time to complete the form.

A few vacancies are currently available.

### Scouting Update

The Scouts, Cubs and Beavers sections all took part in the Christingle service at Illogan Church, the fantastic lantern parade and carol singing at The Platt and had fun and games at the end of term Christmas Party.

This term the Cubs are busy developing their creative skills, having taken part in woodworking and craft workshops and are currently working on our end of term Gang Show.

Meanwhile the Scouts have been exploring more serious topics such as equality, refugees and the environment. We do this in fun and engaging ways such as role play. The Scouts are also working on their party pieces for the Gang Show.

We currently have spaces for Cubs (8 to 10 ½ yrs) and Scouts (10 ½ to 14yrs). Whilst we do not have any spaces for Beavers at the moment we do keep a waiting list and vacancies generally arise every term, so it is worth putting your child's name down on the list now.

# The Cinnamon Trust

The Cinnamon Trust is the national charity whose wonderful volunteers help people over retirement age and those in the latter stages of a terminal illness by offering all kinds of pet care.

What happens if illness, injury or just the fact that we all get older eventually affects our ability to look after our four legged companions? A large number of elderly or ill pet owners become very worried about their ability to care for their pets, feeling that their only option is to rehome them. This is where our national network of dedicated volunteers step in to offer support enabling them to stay together.

We'll walk the dog for a housebound owner, we'll foster pets when owners need hospital care, we'll fetch the cat food, even clean out the bird cage or litter trays.

We are always seeking new volunteers so even if you can only spare an hour a week we would love to hear from you. You don't have to commit to walking every day because we try to assign two or three walkers to each household. Our local office is in Hayle so if you need help - or can help - please contact us during office hours on 01736 757900 or email [volunteer@cinnamon.org.uk](mailto:volunteer@cinnamon.org.uk). Please also check our website for more details at [www.cinnamon.org.uk](http://www.cinnamon.org.uk)

**The Cinnamon Trust is a Registered Charity No: 1134680 and is a limited company registered in England and Wales.
