Welcome to Issue 25, Summer 2014 edition

of the Illogan Parish Review.

Information is included about what is going on in the Parish from
1st June to the end of August 2014.

IN COMMEMORATION OF THE CENTENARY OF THE OUTBREAK OF WORLD WAR I *and* 75 YEARS ON FROM THE OUTBREAK OF WORLD WAR II

The Royal British Legion have agreed to allow Illogan Parish Council to work with them in commemorating the outbreak of the two wars of the 20th Century and all the conflicts since, including Afghanistan.

On Remembrance Sunday, 9 November 2014, the names of all those who died, servicemen and civilians, whose names are on the Illogan War Memorial in Illogan Churchyard, will be read out during the Service of Remembrance.

We are seeking descendants and other family members of those named to invite them to come to the Ceremony. If you can help in any way by providing names and contact details, we would appreciate hearing from you.

We would also appreciate hearing from anyone who knows of any names that may have been omitted from the War Memorial who came from the Illogan Civil Parish area who died in any of these conflicts.

Please contact us on enquiries@illoganparishcouncil.gov.uk, write to Illogan Parish Council, Unit 2, Wheal Agar, Tolvaddon Energy Park, Camborne, TR14 0HX or telephone 01209 711433.

Thank you.

With compliments of Illogan Parish Council

Parish Council Chairman: Graham Ford

Choices, Changes, Chances

The deadline for this piece is early May although this next edition of the Illogan Parish Review will be circulating just before June. That sequence places me in even more of a dilemma than usual. Mid May sees the annual internal elections for the Council when choices will have to be made, changes will result and – after careful consideration – members will chance their judgement and luck.

What lies behind local counselling?

Above all, we have to remember that the choices and decisions made from time to time are not self-contained: they have a 'knock-on' effect and carry consequences - for those making the decisions and for Illogan residents at large.

In environmental terms, for instance, this stretches from dealing with litter, verges and footpath maintenance and potential 'eyesores'; trying to help the Planning Authority (Cornwall Council) to reflect our local concerns and hopes for suggested developments - whether single dwellings or much larger estates; to identifying facilities which are outside the financial resources of other public bodies (Illogan Park is a good example).

In the middle of all this falls the issue of 'value for money' and balancing the three important arbiters of efficiency, economy and effectiveness. In other words, Illogan Council members face chances, changes and choices and engage very much with all that the 'real world' throws at all of us in our daily life.

The Local Council 'world' is just like the rest of life and not some sort of parallel universe. And it is something that many more of us can do. As I wrote a year ago when becoming Chairman, "volunteers and enthusiasts - Welcome".

Illogan Parish Fair - Saturday 19 July , 11am to 5pm

If you have a diary or calendar please make sure you have the event written in. The fair is a surprisingly large event with much to see and do. It is spread over five sites in Churchtown, Illogan, mainly because we have access to plenty of indoor space and also as it's the oldest part of the parish. The official opening ceremony will be at **11.00am**.

The Wellbeing Centre is our Arts & Crafts Zone and will also serve light refreshments all day. The Village Hall is our Hobbies & Pastimes Zone and will also feature stationary engines and other curios. Illogan Church is our History & Culture Zone and this year will be offering a free programme of musical performances in the church as well as providing light refreshments. The church grounds will also be the location for all our stalls this year as the school and grounds are still being developed. Illogan Pre-School is the location for bouncy castles and activities for younger children as well as where you will find our professional catering. We call this our Fun Zone.

Illogan School will play host to the Horticultural & Domestic Show and is where you will also find vintage cars and other attractions. Once again we hope that there will be something for everyone. A full programme of events will be available from each key location. There will also be a grand raffle.

The fair is organised by residents of the parish and wherever possible the attractions have a connection to the parish. It's free entry to the grounds and all proceeds from the day go to local good causes. So all we ask is that you come along and enjoy yourselves.

Do you want to help out (even if it's only for an hour on the day), want a space for your stall or you have something you would like to exhibit? Call now and we'll do all we can to fit you in. Contact us on 01209 843845 or email enquiries@bridgehr.co.uk. The more the merrier!

It's your Parish – It's your Fair – So why not get involved?

Illogan Easter Treasure Trail 2014

The Chairman of the Council and Chairman of the Events Committee were delighted to hand out prizes on 16 April to the top three winners in each category of the Illogan Easter Treasure Trail event. Not every winner could attend the prize-giving but have since received their awards.

The Kearney family went out in force to gather their clues. Mrs Kearny said, "We spent a couple of hours going round on our bikes. We learned a lot about Illogan that we hadn't known before. It was great fun and we look forward to more competitions".

Entrants were most locally but we were pleased to see that some came from surrounding areas and one of the winners was from Redruth.

Congratulations to all who entered and we hope to do something similar next year.

'ROBARTES READERS' BOOK GROUP OF ILLOGAN

The group meets on the last Thursday of each month at 7.30pm in the Robartes Arms, Illogan.

The aim is for readers to meet other like-minded people who are interested in serious discussion but who also would like to have fun – not to mention a glass or two of something – and be introduced to new books and authors who help broaden our outlook.

Please contact Maggie Thompson 01209 844754 or call in at the Robartes Arms.

St Illogan Parish Church

A Greener Parish – Stewards, not Owners

The Illogan Parish Plan's fourth headline aim is: "To make Illogan a Greener Parish" - supporting 'greener' initiatives, using 'green' technologies, reducing waste, recycling, re-using and growing our own produce.

I have just finished reading for about the third time Ellen MacArthur's book "Taking on the World". It's an account of the development of her obsession with sailing and her record-breaking solo non-stop circumnavigation of the globe. The record gained her international renown and I thoroughly recommend the book as an inspiring read.

Finishing the book led me to wonder what this amazing woman is doing now but I wasn't expecting what I discovered! To my surprise Ellen retired from professional sailing in 2010 and her life has taken a very different (but not unconnected) direction.

Not only has she set up the Ellen MacArthur Cancer Trust which gives children and young people recovering from cancer the opportunity to sail, she has launched the Ellen MacArthur Foundation which works with business and education to accelerate the transition to a circular economy.

"Circular Economy? Uh?" So I did some more digging. Apparently we currently employ a linear economy, that is, 'manufacture and throw away', but in a circular economy the re-using of the materials is built into product design. This is what her charity is working to achieve.

Her inspiration came, of course, from sailing. Ellen had found that when she sailed for such long periods of time unassisted, the boat became her world. She had to look after her boat/world, because her life depended on it.

She realised that the world itself is like a boat: "a small, beautiful, damageable entity whose supplies are running out."

And so she set up the Foundation to conserve and protect those supplies.

Her initial realisation and the work of her Foundation are, like her sailing, inspirational. They inform and resonate with the Christian view that, when it comes to the environment and creation, we are stewards of a gift from God, not owners of a possession.

With love.

Rev'd Steve

ILLOGAN VILLAGE HALL

What's on at Illogan Village Hall

(By Stephen Turner)

Regular Activities

The following groups meet on a regular basis at Illogan Village Hall.

Village Hall News

While the building works continue at Illogan School we have removed the 5-bar gate from the second gateway in an effort to ease congestion and provide some additional parking for the contractors. We would ask you to be extra vigilant around the gateways, especially when dropping off or collecting children, as some vehicles may exit the grounds unexpectedly.

Recently 1st Redruth Guides joined us at the Hall and I'm pleased to report have settled in very nicely. They meet in term time on Wednesdays. The girls are offered challenging experiences that push them as individuals, enabling them to develop alongside a group of like-minded girls but within a supportive environment. If you would like more information please contact Sam Philpott on 01209 210767 or email 1stredruthguides@gmail.com and she will be happy to answer your questions.

Some of our regular members will be exhibiting on **19th July at the Illogan Parish Fair**. It is a good chance to see the variety of activities on offer to the community and group members will be on hand to answer questions. The Village Hall is pleased to be able to support the Fair once again.

As you can see the Village Hall continues to offer a broad range of activities for all age groups so, if you haven't done so already, why not pop along to the Hall and try one out? Taster sessions are usually free.

Helping run the Village Hall is a great way to get involved in community activities. You might like to join the management committee or may have some free time and can help in more practical ways. Please phone Steve on 843845 for a chat about how you might be able to help out. We also have a Facebook page which, if you join, will enable you to keep abreast of developments and forthcoming events.

Hire of the Village Hall

The hall is available for parties, receptions, meetings and conferencing at very competitive rates. Facilities available include the main hall, a fully equipped kitchen and a smaller meeting/training room. Tables and chairs are also available, as is a public address system. To book or for more information contact Sue Skewes on 01209 843575.

If your club or group would like to meet at the Village Hall then please phone 01209 843845.

Allsorts is a voluntarily run venue that is **FREE** to attend for local people who are retired, disabled or are affected by memory problems etc. The idea is to provide the local community with a relaxing and enjoyable place to go where they can enjoy a break, share company and chat, and also access Easy Arts and Crafts.

Many retired people become isolated because they are caring for their partners who have become unwell; others have been left bereaved and alone after losing their partner and some with disabilities have found themselves generally isolated. Each fortnight brings a new face, a new friend.

The Arts and Crafts, which include painting, finger-weaving with wool, knitting, crochet and card-making are relaxed but cleverly structured by the facilitators. Many people who felt that they had no artistic talents are surprised and astonished to be producing works that are worthy of gracing any space.

The volunteers who facilitate Allsorts are mainly residents of Penwartha Road and they support each other to ensure the smooth running of the venue. Events are held every other Wednesday; the hall is within easy walking distance from Illogan Village centre on the same side as Boots Pharmacy and is in the centre part of the bungalow complex.

Allsorts looks forward to welcoming new friends and potential artists.

Illogan School Pupils Pedal for Bikes for Africa

Pupils at Illogan School are always looking out for children who are less fortunate than themselves and recently became involved in the scheme **Bikes for Africa**.

The scheme was designed to help raise funds to ship bikes to Africa, not to actually send unwanted bikes. Each bike costs approximately £10 to transport.

On Friday 14th March pupils wore bright colours, firstly to promote bike safety during the **Big Pedal** competition and because it was appropriate for the school council's recycling project.

Not only did the School come top for the fourth year running in the **Big Pedal**, they also raised £146.00 for the **Bikes for Africa** appeal.

Congratulations to everyone involved!

If you would like more information on **Bikes for Africa**, visit www.re-cycle.org.

CORNWALL
FIRE & RESCUE SERVICE
 A service of Cornwall Council

I am delighted to be able to let you know that construction work has now started on our Camborne, Pool, Redruth and Hayle Emergency Cover programme.

On 14 April we were joined by our partners, elected members (past and present) and staff from Kier to cut the turf at the sites, a fantastic moment for the Service and for all those who have worked so hard over the last four years to make this a reality.

We anticipate that the new Community Fire Station will be completed in late 2014 and the Service Headquarters completed in early 2015. This will, of course, be subject to sustained periods of inclement weather which may cause delays with the construction process.

Further information is available on our CPRH Internet pages where we will be posting updates through the construction phase: <http://www.cornwall.gov.uk/cprh>

The new Station will be staffed by on-call and whole-time firefighters and we will be looking to recruit on-call firefighters in the near future. Our on-call firefighters play a key role in keeping communities safe and responding to a variety of emergency situations (fires, road traffic collisions, flooding etc).

To become an on-call firefighter, it doesn't matter whether or not you have a 'main job', or even what it is (you could be a receptionist, plumber, housewife, student, farmer or travel agent!) just as long as you can commit to and balance a career with Cornwall Fire and Rescue Service. However, you must be at least 17 years and 6 months old (as you need to be at least 18 years old before starting employment as a firefighter), be physically fit and live or work very close to your Community Fire Station.

For more information on becoming an on-call firefighter and for future recruitment, please call us on 01872 323800, visit our website www.cornwall.gov.uk/firecareers or email careers@cornwall.gov.uk

*Paul Walker,
 Deputy Chief Fire Officer,
 Head of Community Safety*

Chief Fire Officer Des Tidbury is joined by Chris Couch and Brian Rice of Kier, Cllr Geoff Brown (Portfolio Holder for Homes and Communities), Cllr Malcolm Moyle and Lance Kennedy (former Cornwall Councillor) at the ground-breaking ceremony on 14 April 2014

We need to make an amendment in this issue as there was an editorial slip-up in the Spring issue of the Review concerning Cllr Mrs Maggie Loxton. Her article read "she is a governor at Redruth School, a National Trust volunteer at East Pool Mine, and a Cornwall Youth Service volunteer". This should have read "she used to be" Our apologies to Cllr Mrs Loxton and those institutions who would have been confused by the statement.

MANNINGHAM WOOD

This is the loveliest time of the year to take a stroll in woodland and with Manningham Wood on our doorstep we are fortunate indeed.

The young foliage of the beech trees is a fresh pale green and with many birds calling, including the rooks cawing in the canopy, it is worth sitting a while to hear and see what is going on.

The dawn chorus, as its name suggests, is best heard in the early hours of the morning when many birds are sending out their message that they have established a territory and may be nesting there.

If there is enough low level scrub such as brambles, of which we have quite a lot, many will be singing at the same time and it is not always easy to identify them all.

The thrush and blackbird are well known and can often be located on a favourite perch in a tree.

Lower down the wren, though very small in size, has a surprisingly loud voice. After some mild winters the numbers of wrens has increased markedly. As they do not migrate south for the winter, scrubby woodland is an important source of small insect food.

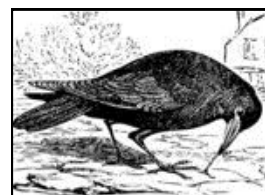

The wren's nest is usually tucked away in undergrowth or amongst ivy and is a perfect dome or rounded bottle shape. It is interesting to note that a male wren may make several nests, allowing his selected mate to choose the one she wishes to use. One wonders how and why this behaviour develops.

Another bird it is hard to miss, either during or after the dawn chorus, is the great tit with its strident song often varying throughout the day. It is said that if you hear a loud song you have difficulty in identifying then it is likely to be a great tit proclaiming from a high perch.

"Teacher, teacher, teacher" is the most familiar call, often in the vicinity of our bird boxes. Along with the blue tit, another hole nesting bird, the Manningham boxes are well used.

With so much pleasure appreciated by so many people, it is very frustrating to find that the Nature Trail signs, costing over £3000, have been vandalised, bird boxes destroyed and the bug hotel damaged.

MANNINGHAM WOOD, A SMALL THANK YOU

THANK YOU FROM ILLOGAN PARISH COUNCIL

A thank you to those members of the community who took the time to collect rubbish from Manningham Wood. Our litter picker inspects the Wood every week and removes any rubbish but the February and March high winds blew an excessive amount of debris into the Wood. The bagged-up items were found and disposed of appropriately. How very thoughtful of someone, and what a testament to community spirit!

ILLOGAN WOMEN'S INSTITUTE

Do you feel that 'the real me' has been submerged beneath the carer, the housekeeper, the taxi driver, the nurse, the employee? Why not rediscover who you are by joining your local Women's Institute, a place where women of all ages can meet socially to share experiences, learn new or old skills and have fun! We meet twice a month, on the first and third Wednesday.

Want to know more? Contact Monica Wilkes (monicawilkes1@hotmail.co.uk) or Janet Mitchell on **01209 890512** or just come along to a meeting. We would be delighted to see you.

TRELOWETH UNDER 5s

Do you have children aged 5 or under? Would you like to do something new and exciting with them? Then why not join us at Treloweth Children's Centre. We offer a range of activities and courses from baby group and massage to singing sessions and messy play. We also host sessions with Health Visitors, Family Support and Citizens Advice Bureau where you can get help and advice on a range of issues from finance to parenting.

We have just finished running a very successful *Here's Looking At You Little One* Course where parents and grandparents learnt about how their child's brain develops and why their toddlers do some of the things they do. Here's what the parents attending said at the end of the course:

"I would recommend the group to others"
"I've learnt a lot and understand a great deal more about my child and what she should be doing"
"I am more aware of what my child is doing and listen to him more"
"I don't shout at my child now, I don't mean shout but sometimes I expect too much and get irritated. I have more time and patience to explain at her level"

If you would like to come and find out more about what we do then call us on 01209 314510 or drop in and see us Monday to Friday, 9.00am to 5.00pm. We can be found on the same site as Treloweth Primary on Higher Broadlane. Come on to the school site and follow the road around the school. We are in the building at the end of the road.

We offer CAB appointments on the 2nd and 4th Mondays of the month from 9.30am to 1.30pm and this service is open to anyone with a child aged 6 and under.

Parents can book an appointment by calling 01209 314510.

Wellbeing Centre Update

Our Illogan **Short Mat Bowlers** have come to the end of yet another brilliant season and we expect a number of shiny cups and shields in our display cabinet again this year.

If you would like to join the **Leawood Singers Community Choir** on Tuesdays, contact Alastair Taylor on 01209 842977. Don't worry, you don't have to be able to read music and there is no audition.

Our **Little Frogs** group is taking a short break as Siobhan is taking some maternity leave but she will be back soon.

We have two classes for mums-to-be: **Pregnancy Yoga** with Amy Jones on Saturdays and **Antenatal Classes** with Nevine. The antenatal classes must be booked with Nevine as they are a set of five classes with dates arranged to fit in with expected arrival dates!

Over the coming year, there will be a number of **health and wellbeing** talks arranged by The South Cornwall Local Support Group. If you are a member of the Federation of Holistic Therapists, a therapist or just an interested member of the general public, contact Jenny on 07794 231490 for further information.

If you are planning a charity fundraiser, a family gathering or a celebration and are looking for a cost effective venue, give us a call 01209 842999. **Our halls are hired out from just £6 per hour.** We would also like to hear from anyone who may require a venue for a meeting, workshop or training day. The Centre has character and atmosphere, is situated in a lovely semi rural area and is a wonderful venue for many types of activity.

We will be co-hosting the **Illogan Parish Fair** again this year on 19 July, along with Illogan School, The Village Hall and St Illogan Parish Church. You can find more details on this on Page 2.

The Centre has an exciting range of classes with something to appeal to all ages.

A few vacancies are currently available.

The Scouts, Cubs and Beaver sections all took part in our end of term Gang Show, having spent the term being creative and playing fun games. The Cubs took part in woodworking and craft workshops and a trip to The Moseley Toy Museum. It's just up the road and well worth a visit. The Scouts worked on their Global Challenge badge and were detectives for a night when they had to solve a mystery by gathering clues found hidden in Churchtown. This term the Cubs are busy developing their outdoor scouting skills and Scouts are sorting out our group camp equipment in preparation for several planned camps and hikes over the summer. They will also be taking an active part at the **Parish Fair** on 19 July.

We still have spaces for Cubs (8 to 10 ½ yrs) and Scouts (10 ½ to 14yrs). Whilst we do not have any spaces for Beavers at the moment we do keep a waiting list and vacancies generally arise every term, so it is worth putting your child's name down on the list now.

For more information and to book your child's free trial session, please call Rachel on 01209 843386

Illogan Pre-School is charity-based and run by a committee of parents who want to help make their child's first taste of education the best it can be. We run various fundraising events throughout the year from sponsored walks to table-top sales. The proceeds from these types of events allow us to replace and renew equipment for the children, and help us to maintain the building and its surrounding garden and play area.

Charity Registration Number 1029549

THE FRIENDS OF ILLOGAN SCHOOL

The committee and its officers hold regular meetings, usually on the second Tuesday of the month. The aim of The Friends is to raise funds for the School to pay for things that cannot come out of the School budget. These include outdoor play equipment, class trips, prizes for competitions, and supporting School clubs. The Friends hold various fund-raising events throughout the school year, such as the Summer Fete and sponsored walks and bingo evenings.

Volunteers are always needed so anyone interested in joining The Friends can have a look at the Illogan School website for details of the next meeting.

GARDENER'S CORNER

(Courtesy of Trevenson Garden Centre)

With the clocks put forward and light evenings now firmly in charge you can feel the impetus building towards summer. April brought us the first feelings of Spring, sunshine and showers, making sure we now 'up our game' and get busy in the garden :

- keep weeds under control
- protect tender plants from late frosts
- tie back climbers
- feed hungry shrubs and roses
- sow new lawns or repair bare patches
- with indoor-sown seeds well into growth it's time to start sowing outdoors

This has got to be the best time of the year for Cornish gardens, seeing our beautiful local fauna in full bloom, but as bulbs begin to fade and herbaceous borders grow in leaps and bounds it's a clear sign summer is on its way. Sowing and planting out can begin and it's also time to get back into the lawn cutting regime. Don't forget to :

- check over your arrangements for rainwater collection/an irrigation system ready for the drier spells
- keep greenhouses well vented and aired
- plant out summer bedding plants but with a clear eye on 'cold' weather forecasts.
- keep on top of those weeds
- check for nesting birds when clipping hedges

As we welcome June it's not long until the longest day and all the extra light and warmth encourages the garden to put on a burst of growth. This will also mean weeds will continue to sprout up so :

- keep hoeing borders in the drier conditions
- stake tall and floppy plants
- mow the lawn regularly
- finish planting out all summer bedding
- position hanging baskets and containers outside
- prune spring-flowering shrubs
- harvest all salad plants and early potatoes
- pinch out side-shoots on tomatoes
- shade greenhouses and keep cool to avoid scorch

Most of all enjoy your garden, it's the time of year to take great satisfaction from all the off-season preparation and work that was put in. And don't forget those other two ingredients that make it all worthwhile:

- a favourite place to sit in the sun
- a glass of your favourite wine

Sit down, take in the view, revel in the ambience and enjoy your tippie – purely medicinal of course!

Barncoose Terrace Redruth Cornwall TR15 3ER.

Telephone 01209 886150

The Minor Injuries Unit is open every day (including public holidays) between 8am and 10pm. Staff aim to see patients as quickly as possible and generally waiting times are less than in an A&E department.

If your injury is not serious, you can get help at an MIU, allowing A&E staff to concentrate on people with serious, life-threatening conditions.

The Radiology (X-Ray) department is open Monday to Friday from 9.00am to 5.00pm.

NEIGHBOURHOOD WATCH

Distraction Burglars

In the last Illogan Parish Review I said I would write about Bogus Callers. However we describe distraction burglars they are simply people who will try to trick you into letting them into your home, so they can steal from you. These people sometimes work in pairs or in teams. This is because they need one person to distract you while others search the house quietly for money and/or valuables. These teams of bogus callers can include men, women and even children. Do not let people confuse you; bogus callers will often say that it is an emergency and that they need to enter your home in a hurry, perhaps to use the toilet or telephone. If you think a bogus caller may have called at your door, you should report it to the police immediately by ringing 999. It would help the police if you could remember as much as possible about the person/persons who called at your door, and any other information such as the vehicles they may have used. The more details you remember, and the earlier you tell the police, the quicker they will be able to investigate the crime.

Staying Safe in Taxis

If you are going to be out late, book a taxi through a registered company. Check that the taxi which arrives is from the company from whom you ordered it. When you arrive home, a taxi driver can help by waiting until you are safely inside before he drives off. Do not hail minicabs from the street or use taxis that are touting for trade. This is not only illegal, you have no guarantee the driver is licensed. Always sit in the back. If you feel uneasy, ask to be let out in a well-lit area close to your home where there are other people about. If in any doubt, do not get in a taxi you're uncertain about.
