(Councillors, members of the Events Committee, Illogan Parish Council's Officers and their families will not be eligible to enter.)

CORNWALL AND PARISH COUNCILLOR REPORTS

Outgoing Parish Council Chairman: David Ekinsmyth

As I write the dust has settled on the election campaign and you can rest easy knowing you will not be visited by candidates for a while. Strangely, despite all of this, there are only a few changes in representation for the next four years. Congratulations to Terry Wilkins on retaining the Cornwall Council seat, Malcolm Moyle for being elected to Cornwall Council and who covers part of the Parish, and all the Parish Councillors who have been successfully returned. As you may know, there was an election in the Illogan Ward where nine councillors had to be selected from 10. This is quite unusual as in many other towns and parishes the required numbers of nominations were not even reached. I hope this means we are a little more in touch with our electorate.

I would like to welcome three new councillors to the Council and wish them well in their new roles. I am sure they will be introduced to you in future editions of the Review.

Three councillors retired at the election and I would like to thank them for all the hard work they put in over their time in office and wish them all very best wishes for the future. I don't think they will be far away. Councillor John Mayne retired after 43 years' service on various local councils and we made a special presentation to mark this. John has been a loyal servant to the Illogan community. Thanks for all you have done and thanks to your lady wife, Sue, who has supported you through it all.

Thanks also to Councillor Vicki Poole, a past Chairman of the Council who served for over 10 years, and to Councillor Roger Benney who updated and edited our Parish Review with imagination and flair. Following Roger's retirement the Council has decided to bring the editorship into the office and Jo will be editing from now on, so keep those contributions coming in or she will be chasing you up.

The new Chairman for 2013/14 is Cllr Graham Ford, who has held the post in past years and he will write in the next issue of the Review.

This, then, is my final report as Chairman of the Council and as the three year period I have served draws to a close I wish to put on record my thanks to all who have helped me by volunteering for the many and various committees and working groups through which the Council does its business. I am particularly grateful to the two Parish Clerks I have worked with over the three years. Without all of these people the Council could not operate and the Illogan Parish community would be the loser.

I have enjoyed most of my time as Chairman and it is a great privilege to be called upon to represent one's community. I believe the Council has moved forward over this time in that we now have an established office accessible to the public, staffed by excellent, highly professional staff; a Parish Plan that maps the direction of travel for the next few years, and a sound financial position that will enable us to take on any additional roles demanded of us. All we have to do is get on with it!

David

Cornwall Councillor Terry Wilkins, MBE

Now that the mayhem of canvassing for re-election to Illogan Parish and to Cornwall Council is over, I would like to thank those people of Illogan who voted for me for both seats. I now want to continue to do the best I can for Illogan in both organisations.

One of the main concerns on the doorstep - apart from dog waste - was the disappearance of the swings from both of our parks. Unfortunately Cornwall Council's *Parks and Open Spaces* budget has been cut so now only covers maintenance of existing equipment. Swings, etc. that have failed Health and Safety tests have been removed and no money is available to replace them. I have secured some new swings for Illogan Park, and subject to a satisfactory quotation from Cormac to lay a new safety surface that will comply with current Health and Safety legislation, I hope that they will be in place for the school break in the summer.

Can I take this opportunity to welcome all our new Councillors to Illogan Parish Council. I am sure we will see some lively debates and good decisions in the future as we move forward with devolution from Cornwall Council.

Here's wishing you all a great summer.

Terry

The incoming Chairman, Cllr Graham Ford report in the next issue of the Review.

A message from Steve Robinson, new Rector of Illogan Parish

I'm 47 years old and I'm married to Jackie. I can't quite believe it but we've been married now for 24 years – 25 years in August! We haven't got children (we would have loved to have had 4) but we are blessed with many nephews, nieces and godchildren.

I'm an Essex boy, having grown up on the Essex coast (but don't hold that against me!), whilst Jackie was born in Truro. Her family on her mum's side is from the Stithians area. I trained as a teacher and youth worker and, when Jackie and I left college, we moved to Hertfordshire where I worked for Hertfordshire County Council's Education Department.

After nine years and various roles I left to study to become a Financial Adviser. After three enjoyable years in that business I went to train to become a vicar. I have been working for the last three years in churches in and around Perranporth.

Jackie started work in Swiss Bank, London, but has worked as a piano teacher for almost 20 years and continues to teach piano from home. We both play the violin, and I play the guitar. We enjoy gardening, cooking and going to the gym (Jackie particularly loves Zumba!), and I also love to sail and surf when I get the time. I have an open water scuba diving qualification too but I'll leave that for warmer waters!

Jackie and I are excited about our move to Illogan, and my official 'start' as Parish Rector will be marked by a service of licensing by Bishop Tim on the 30th June at Illogan Parish church, 6.00 pm. If you can come it would be great to see you there. We look forward to getting to know people across the Parish and to becoming familiar with the things that make parish communities what they are.

Having trained and worked in Education and Youth Work I am, of course, particularly keen to get to know the schools and colleges in the area and, with others, to further the good work the church congregations do in welcoming people of all ages to worship our amazing God.

We very much look forward to being with you and to getting to know you in due course; in the meantime we will keep the Parish in our prayers.

Rev'd Steve

ILLOGAN VILLAGE HALL

Village Hall News

Spring has brought lighter evenings, warmer weather, longer grass and weeds! 1st Illogan Scouts have been working with us recently on the garden project as part of their community badge work. We now have a lovely bark chipping path and the entire area looks significantly better. There is more work to do on the planting and the BBQ needs to be rebuilt. Hopefully the bulk of the work will be completed by the summer. Thanks to everyone who has helped so far.

The Village Hall still offers a broad range of activities for all age groups so, if you haven't done so already, why not pop along to one and try them out. These taster sessions are usually free.

Helping with the running of the Village Hall is also a great way to get involved in community activities. Are you a budding thespian, a keen gardener or perhaps you have some free time that you would like to put to good use? Phone Steve on 843845 for an informal chat about how you might be able to help out.

This year's Parish Fair is almost upon us and we are all set for another fantastic day. The Wellbeing Centre, Village Hall, Parish Church and Illogan School have joined forces once again to stage another great day out for the people of our parish. Be sure to drop by, if only for an hour, although you might find you will need longer to get round and see everything!

Appeal

The Illogan Players, our local drama group, would very much like a piano (traditional upright or electric). If you have one you would like to donate to the group please phone 843845.

Hire of the Village Hall

The hall is available for parties, receptions, meetings and conferencing at very competitive rates. Facilities available include the main hall, a fully equipped kitchen and a smaller meeting/training room. Tables and chairs are also available, as is a public address system. To book, or for more information, contact Sue Skewes on 01209 843575.

Regular Activities

The following groups meet on a regular basis at Illogan Village Hall.

Indoor Sports & Recreation Club: table tennis, pool, table football and air hockey

ILLOGAN PARISH FAIR, PRE-SCHOOL, NEIGHBOURHOOD WATCH

Illogan Parish Fair : Saturday 13 July

In this edition of the Illogan Review we have included a copy of the Illogan Parish Fair programme so that you can see the range of attractions on offer.

We have also included a poster which we would be very grateful if you could display in a prominent position. Last year some people complained that they didn't know when or where the fair was, so let's make sure everyone gets to know about it this year!

We have decided to start earlier this year at 11.00am and have a full programme of live entertainment as well as many indoor and outdoor exhibits, including steam traction engines, art and craft exhibitions, hobbies and pastimes, stalls, vintage cars, lawnmowers and motorbikes, bouncy castle, chair plane ride, local history in photographs exhibition, nature walks and talks as well as the much celebrated Horticultural and Domestic show.

There will also be professional caterers on site offering hot food, as well as indoor venues offering the popular tea or coffee accompanied by home-made cake. We hope that there will be something for everyone.

The fair is organised by residents of the parish and wherever possible the attractions have a connection to the parish. Entry to the grounds is free and all proceeds from the day go to local good causes. So all we ask is that you come along and enjoy yourselves.

Do you want to help out (even if it's only an hour on the day), want a space for your stall or have something you would like to exhibit? Call now and we'll do all we can to fit you in. The more the merrier!

Contact us on 01209 843845 or

email enquiries@bridgehr.co.uk.

It's your parish – it's your fair – so why not get involved?

Internet Loan Companies: We would like to warn readers about 'scams' involving fake loan companies. A number of complaints have been received by the police from people who have sought financial loans online, only to have been deceived by fraudsters.

The internet is being used by unscrupulous criminals to exploit vulnerable people who have poor credit ratings, and who are finding it difficult to borrow money through the major financial institutions.

Following the initial online enquiry the scammers will contact the customer by telephone and claim to be from a genuine finance company. They agree a loan but request that an initial payment plus administration fees are paid up-front. After the money has been transferred to the scammers via a transfer agent, no loan is received, and the company will deny all knowledge.

There are a few checks you can do to ensure a loan company is genuine. Verify the caller by taking their name and phone number; then check online that the information is correct. If you are asked to send fees through a money transfer agent it will probably be fraud. Don't fall for it. Although the scammers may appear to be using a UK telephone number, they are probably based abroad (India, for example). Do some research before signing up to anything. If you don't have access to a PC, perhaps you know a friend or relative who could help. Don't sign up to anything you have doubts about, especially if the rates offered are too good to be true, because they generally are!

If you think you have been a victim of this type of scam, contact the police on the new number – 101, or go online to www.ActionFraud.org.uk

THE WELLBEING CENTRE, FAR WALKER'S GROUP, WOMEN'S INSTITUTE

Wellbeing Centre Venue Hire

Our Lounge Library (top right) is a popular venue for day time meetings. It's sofas and armchairs provide a comfortable, relaxing setting and tea and coffee making facilities are available. The Assembly Hall (bottom right) has kitchen access and is a spacious room suitable for parties and functions. The sprung wooden floor is ideal for dancing. We have gardens and car parking and the Centre has disabled access.

FAR WALKER'S GROUP

The Far Walker's Group has been walking together each Wednesday for more than a year. We now venture further afield than Spar Lane, and take longer routes away from the village. These are more challenging and are of a longer duration, generally in excess of two hours and are equivalent to a Level 3 walk. They will typically include gradients and uneven paths. It is therefore the responsibility of the individual walker to know their own limitations and to consult their G.P. if in any doubt. We walk in all weathers!

Transport to the venues is shared, as are the decisions in planning the routes and deciding where we have coffee or which pub to go to for lunch!

If you would like to join us please contact either Mandy Waghorn - 01209 842698 or Maggie Thompson - 01209 844754

ILLOGAN WOMEN'S INSTITUTE

Do you feel that '**the real me**' has been submerged beneath the carer, the housekeeper, the taxi driver, the nurse, the employee? Why not rediscover who you are by joining your local Women's Institute, a place where women of all ages can meet socially to share experiences, learn new or old skills and have fun! We meet twice a month, on the first and third Wednesday of each month. The meetings start at 7:30 pm and are held in Illogan Village Hall, Churchtown, Illogan.

Want to know more?

Contact Janet Mitchell on **01209 890512** or Monica Wilkes e-mail: monicawilkes1@hotmail.co.uk, or just come along to one of our meetings. We would be delighted to see you

ILLOGAN SCHOOL AND FRIENDS

Illogan School has once again triumphed in the "Big Pedal" cycling competition which spanned 15 school days between 28th February and 20th March 2013. Schools encourage pupils, parents and staff to cycle or scoot to school each day and the more that do, the faster their time. It works a bit like a virtual Tour de France – each day of the race is a new stage and schools log into the website each day to record their results. The competition is weighted according to the size of the school, so everyone has a fair chance to win!

Danni from Year 4

For the third year running Illogan School came first in Cornwall in the large primary school (over 150 pupils) category and 7th overall; a fantastic result with almost 1000 schools taking part!

This year the weather hasn't been particularly kind. Despite the cold, wet and windy mornings parents have once again amazed us with their unfailing commitment. We are so lucky to have such support!

The girl's marathon, headed by Louise year 6

Illogan School students paid their respects on ANZAC Day to servicemen who were stationed at RAF Portreath and died during WW2.

In addition to the flags usually placed on the war graves in Illogan Cemetery, this year Genesis Christian College in Brisbane sent a beautiful wreath.

Strong links have been developed with the college and Teacher Colin Stewart and his wife visited Illogan School before Christmas.

The Children's Hospice South West have held their "Raise A Smile Week!"

Children at Illogan School decided to help and held a "Bring A Teddy Day!" to raise money for the local charity.

The School Council came up with the idea; they wanted to do something other than non-uniform and thought this would be appropriate for the children's charity.

Teddies, pandas and all sorts of cuddly toys made an appearance! Over £185 was raised!

THE FRIENDS OF ILLOGAN SCHOOL

The committee and its officers hold regular meetings, usually on the second Tuesday of the month.

The aim of The Friends is to raise funds for the School to pay for things that cannot come out of the School budget. These include outdoor play equipment, class trips, prizes for competitions, and supporting School clubs.

The Friends hold various fund-raising events throughout the school year, such as the Summer Fete and sponsored walks and bingo evenings.

Volunteers are always needed so anyone interested in joining The Friends can have a look at the Illogan School website for details of the next meeting.

www.illogan.cornwall.sch.uk

or contact the Chairman, Andrew Morrissey, on 01209 218725.

For general information on all aspects of Illogan School visit their website at :

www.illogan.cornwall.sch.uk/Home

POLITE REMINDER FROM THE STAFF: The School gate is unlocked just before 8.40am. Children are supervised on the playground. For safety reasons, If you need to drop off your children before this time, our Breakfast Club is open from 7.45 am.

The Illogan arm of **CANCER RESEARCH UK** hosted the annual May Bank Holiday Plant sale, market and auction which was held at Illogan School and attracted lots of bargain hunters.

The plant stall outside was very busy. Inside there were lots of stalls including bric-a-brac, books, cakes, jewellery, tombola, and of course the familiar silent auction.

Bacon rolls, coffee and teas were served throughout the morning.

The grand sum of **£3,817.00** was raised for Cancer Research, and thanks go out to all who supported it.

Future events:

Stall at Pool School Fun Day

Annual Christmas market in November

Carol Service at Paynters Lane End in December

Allsorts is a voluntarily run venue that is free to attend for local people who are retired, disabled or are affected by memory problems etc. The idea is to provide the local community with a relaxing and enjoyable place to go where they can enjoy a break, share company and chat, and also access Easy Arts and Crafts. Many retired people become isolated because they are caring for their partners who have become unwell; others have been left bereaved and alone after losing their partner and some with disabilities have found themselves generally isolated. Allsorts has been running for five months and numbers are steadily increasing. Each fortnight brings a new face, a new friend.

The Arts and Crafts, which include painting, finger-weaving with wool and card-making are relaxed but cleverly structured by the facilitators. Many people who felt that they had no artistic talents are surprised and astonished to be producing works that are worthy of gracing any space.

Allsorts also support professionally run FREE COMPUTER/ INTERNET classes. The first class was fully, if not over-booked and names are currently being taken for the second class. Allsorts also runs an INDOOR BOOT SALE in the hall and over the last three months has donated over £300 to the Children's Hospice Charity in Cornwall. (To be resumed in the Autumn.)

The volunteers who facilitate Allsorts are mainly residents of Penwartha Road and they support each other to ensure smooth running of the venue. Events are every other Wednesday at Penwartha Road Community Hall. The hall is within easy walking distance from Illogan Village centre on the same side as Boots Pharmacy and is the centre part of the bungalow complex.

Allsorts look forward to welcoming new friends and potential artists.

MANNINGHAM WOOD, DUCHY COLLEGE, ILLOGAN BL FOOTBALL CLUB

FRIENDS OF MANNINGHAM WOOD

Our Village Rookery

The sound of distant church bells wafting over the Glebe Field, the 'call' of the woodpecker as he drums on the hollow tree and the cry of the busy rooks as they hover above their nests in the top of the tallest beech trees; these are some of the sounds that define our village and our wood – Manningham. They are the sounds of spring and renewal.

Our rooks may not be the most musical of birds but their lively 'caawing' will have been heard here in these same trees for 50 or more years. This year, as usual, there are about 50 nests, for rooks are very loyal to their traditional rookery and despite their sometimes angry shouts they are also one of the most gregarious of birds when nesting or feeding.

Weather conditions must have been very harsh for them this year for the wind chill was bad enough for us on the ground; one can only imagine what it was like 100 feet up in the trees!

Fortunately, their nest is a marvel of construction. First, twigs are wedged into a fork, then mud and grass cement the whole thing together before it is lined with the softest hair and wool.

Few have ever looked directly into a rook's nest. I certainly haven't, but I have looked into a crow's nest which is generally placed lower down and always solitary.

So how can you tell the difference between rook and crow? An old saying goes:-

When there's a Rook, that's a Crow, and when there's Crows, they's Rooks!

All birds are interesting and worth spending a little time watching. So, sit quietly in the wood and you will be amazed what you can see.

*Andrew,
on behalf of the friends of Manningham Wood.*

Volunteers to help manage the Wood are always welcome. Please contact Alison on 07880 948791.

ILLOGAN YOUTH FOOTBALL CLUB

Illogan Youth football has grown to just under 150 members in the last few years. We have recently been awarded the Cornwall FA Charter Standard club of the year, which means we have set very high standards for the football we provide for the children.

We have children from 4 to 13 years old—boys and girls—who enjoy our coaching sessions and matches.

THE GREEN RIPPLE PROJECT, EVENTS AT A GLANCE

THE GREEN RIPPLE PROJECT

The Green Ripple Project follows a theme suggested in the Parish Plan which made a successful bid for funding to develop environmentally-friendly solutions to efficient use of electricity within the home, so helping to keep bills under control. The project started in Tolvaddon and will eventually 'ripple out' to the remainder of Illogan.

So far a number of houses have been surveyed and have received advice and assistance with insulation. Eventually the plan is to install more advanced technology like solar panels and other solutions.

The Project operates as a "not for profit" Community Interest Company with the objective of seeking new funding and managing the funds it already has efficiently.

The Parish Council is working in partnership with Cornwall Council, Community Energy Plus, Tolvaddon and Illogan Regeneration groups, and Transition Illogan.

Updates will be included in the Review from time to time, as the project progresses.
