ILLOGAN PARISH FAIR 2015

Continued on Page 4

With compliments of Illogan Parish Council

PARISH COUNCIL CHAIRMAN: LAWRENCE PAVEY

This is my first article since being elected Chairman back in May and, since then, I have not really had an opportunity to give thanks properly to my fellow councillors and would like to take that opportunity now.

I also think a big vote of thanks should go to you too, our wider community in the parish, for 'getting involved' as I know you do. Two events that stand out are the Illogan Junior Football Club annual awards which I and other councillors attended in May and the ever-growing Parish Fair that took place in July. Neither of these events could have taken place without all the many hours put in by volunteers from the parish (not the Parish Council) who work tirelessly to make Illogan a better place.

As a council, we want to build these links with the community and work together to widen your involvement into other areas. As an example we now have a Community Liaison Committee which is a more encompassing version of the old Events Committee and to which we invite representatives of the public and other group representatives to work with us towards delivering events such as the Christmas Lights switch-on events (which this year are on 4 December at Paynters Lane End and on 5 December at Park Bottom).

To end, I can now confirm to those of you who may not have learned via electronic media that the freehold of Illogan Park has now passed to the Parish Council and we will be holding public consultations as to its future use and layout. To mark this significant devolution from Cornwall Council we will be looking to celebrate with some form of public event in the park. Let us have your thoughts as to what form this should take and then come and join us.

Lawrence

CORNWALL COUNCILLOR: DAVID EKINSMYTH

As I write this we enter the 'quiet period' for Cornwall Council which means there are a few less meetings to attend. This is a welcome break and an opportunity to concentrate on some of the local issues to Illogan.

The last few weeks have been quite hectic on Cornwall Council with a number of very important issues affecting the whole County debated and passed. You may have heard that the central government is keen to devolve more powers to local authorities and Cornwall has been chosen as the first rural unitary to be offered these. In the first instance Cornwall will be able to have far greater involvement and control over health and social care (working with the NHS), transport, work-based training and several others. We wanted greater control over local planning but so far have not been granted this. This is the first step and more should follow if all agencies involved in Cornwall are successful in achieving future aims. Watch this space.

All of this means that more will be devolved to our local community from Cornwall Council, and it is very important that we get on with the development of our local Neighbourhood Plan. This will ensure that there is a local input and that we do not leave everything to the whim of the big housing developers. So more volunteers are wanted to join the group being formed and led by the Parish Council but not controlled by it.

Local issues that I have been dealing with include parking difficulties for some residents in some areas, excessive speeding, verge maintenance and weed control, and the necessity for a school crossing patrol to help our young families to get to school safely.

I am working on all of these as well as planning issues but in these times of reduced funding all round we have to be very patient.

On the plus side I would like to thank everyone involved in the Village Fair recently; an event that I think everyone enjoys but which involves a lot of volunteers' time. Where would we be without our excellent teams of volunteers? I was able to put the small amount allocated to me in my Community Chest to good use last year - the Scouts, the Village Hall and the Old School Centre benefitting amongst others. It is not a large amount but I am now looking for individuals and groups working to get projects off the ground or maintain existing ones and where a small contribution from me would help. Do get in touch.

Gwella.

David

WHO'S WORKING FOR YOU

ROBERT UREN

I was born and raised in Camborne, although members of my family live in the village. I joined the RAF at 18 and loved every minute of it. I came back to Cornwall, eventually settling in Tehidy, after a medical discharge.

I am currently studying with the Open University for a degree in Environmental Management & Technology, alongside running a business with my father. On nice days you will often see me walking the dog around Illogan and Tehidy.

I decided to go for co-option onto the Parish Council as I was interested in finding out more about the community I live in and what I could bring to improve or change things.

IN CASE OF EMERGENCY – ICE

None of us wants to be involved in an accident or other serious incident but should the worst occur ambulance crews will look for mobile phones and, hopefully, will find a number which comes under 'ICE'.

Many people have their phones with them at all times but only they know the numbers of their closest family and friends.

If you include an ICE number - In Case of Emergency - the paramedics, police or hospital staff will immediately be able to contact the person you most wish them to speak to. It's very easy and can save the emergency services a lot of time in trying to track down family members or friends.

FLY TIPPING - AN ENVIRONMENTAL CRIME

There has been a recent increase in the incidence of fly-tipping in the Parish. Dumping rubbish is both illegal and dangerous and ruins the appearance of our neighbourhood. This Council works extremely hard on your behalf to ensure that our environment is properly looked after and maintained. We are very proud of the village and its pleasant surroundings.

How is fly-tipping defined and how does it differ from littering?

Fly-tipping is the illegal and improper disposal of materials, either by members of the public or businesses. Littering on the other hand commonly assumes the disposal of materials associated with smoking, eating and drinking. Thus the dropping of a cigarette butt is littering, but the dropping of a single black bag of rubbish is fly-tipping.

It would be fair to say that it is most commonly white goods, construction rubbish, garden rubbish and rubbish from businesses which are making their appearance in corners of Illogan.

Why do it?

To avoid paying the landfill tax that we are all obliged to pay either through our council tax, as with household rubbish, or for business waste either through registered waste carriers or through the 'gate fee' at landfill sites.

The increase locally of fly-tipping is harming the village and making it unsightly and with all that the Council is doing to establish the Parish Plan, could harm much needed investment in the area. We all want to continue living in an area of such outstanding natural beauty that doesn't deteriorate into a waste zone.

What to do if you come across it.

Report it to us, or to Cornwall Council. If you see it taking place and can identify the perpetrator then inform the police. It is, after all, a criminal offence.

ILLOGAN PARISH FAIR 2015

The sun shone, the people came and a good time was had by all. The Parish Fair Project Group was delighted with the turnout and the number of exhibitors and

stallholders that came along to support our annual fair. Our sincerest thanks go to all of you who helped out in so many ways this year and which meant that for the first time in several years the hard working project group members actually saw the fair for themselves. For those who came along to enjoy the fair our sincere thanks too. Your generosity meant that we were once again able to give four local charities and good causes a much needed financial boost, as well as providing lots of other charities and good causes the chance to raise funds.

Cllr Lawrence Pavey, Chair of our Parish Council and Cllr Mrs Jill Ferrett, Vice Chair, presided over the opening ceremony. After a few words of thanks by Cllr Pavey, Cllr Mrs Ferrett handed over to this year's guest of honour, Andrew Tompsett, who was nominated for the role by another resident for his community work and who had the honour of declaring the fourth Illogan Parish Fair open. In the afternoon, once the show judging had taken place, Cllr. Pavey, Cllr Mrs Ferrett, County Cllr David Ekinsmyth and Rev. Steve Robinson awarded the show cups and presided over the Grand Prize Draw.

The Horticultural and Domestic Show grows from year to year with another impressive number of entries. The organisers were delighted by even more interest from younger members once again and expressed their gratitude towards Illogan School for agreeing to

host this part of the fair. A full list of winners can be found on the Illogan Parish Fair website.

The entertainment programme was even more ambitious than last year. We are particularly indebted to Graham Watson and Brendan McGreal who jointly ensured

all our performers sounded great through our P.A. system. A special mention of thanks is due to all the performers this year who generously performed for free. Our thanks then to Henevek, Liquid State, Gorvagas, Ros Keltek, Caracanna, Bagas Crowd and the Illogan Parish Youth and Community Choirs. They are all connected to the Parish, many having members from Illogan. So once again our parish fair remains a truly local event, put on by people from the Parish for the benefit of the Parish.

The hard work of all the project group members should also be acknowledged. Once again their collective efforts have resulted in a show that any community would be

truly proud of. The main project group members this year comprised Alison Forward, Simon Hague, Maggie Loxton, Sylvia Mason, Andrew Mills, Treve Opie, Joan Opie, Sue Pavey, Sarah Prouse, Rev. Steve Robinson, Helen Snowdon, Jeanette Tapping, Steve Turner, Monica Wilkes and Stan Williams.

We are, of course, extremely grateful to all our other helpers too, too many to list here, but who gave varying amounts of time and whose contributions were vital to the success of the event. They performed wonders with setting up and packing up, refreshments, pasty and cake baking, stewarding and general support. The Parish Fair Project Group members are extremely grateful to all these people and also to Illogan Parish Council for their help and support of councillors on the day.

Next year's fair is less than a year away and planning for 2016 will start after the summer break. If you are reading this and are thinking that you could help out in some way (even if it's only for an hour on the day) then please do get in touch now and register your support with us. The more that people like you offer to help with the fair the better event we can put on. It's your Parish.

It's your Fair and it really does need your help. 01209 843845.

ALLSORTS

A HUGE THANK YOU TO EVERYONE WHO SUPPORTED 'ALLSORTS BEFRIENDING' at this year's Illogan Parish Fair. It was the perfect opportunity for us to raise awareness about the free arts and crafts available for those in the community who are challenged on some level.

Allsorts is a voluntary run informal Arts and Crafts venue that is designed to bring together those in the community who are retired, disabled, elderly, widowed, lonely etc. It is FREE to attend and the group is self-sustaining.

The idea is to provide the local community with a relaxing and enjoyable place to go where they can enjoy a break, share company, chat and also access Easy Arts and Crafts. Events are held every other Wednesday; the hall on Pen-wartha Estate is within easy walking distance from Illogan Village centre, on the same side as Boots Pharmacy and is the centre part of the bungalow complex. Remaining dates for this year are 2, 16 and 30 September, 14 and 28 October, 11 and 25 November and 9 December.

Allsorts looks forward to welcoming new friends and potential artists.

CANCER RESEARCH UK

The Illogan local Committee in Aid of Cancer Research UK raised £96 at the Illogan Parish Fair with a raffle and 'Guess the number of Sweets in the Jar'. A big thank you to all those you kindly contributed.

Our annual Christmas Market in Aid of Cancer Research UK will be on Thursday 5 November from 9.00am to 12.00 noon at the Sunday School, Paynters Lane End. There will be a raffle and various stalls including jewellery, books, home-made cakes and Christmas gifts. Entry is £1 which includes a mince pie and a cup of tea or coffee.

Our Carol Concert is on Sunday 29 November at 2.30pm at Paynters Lane End Chapel with guest speaker Reverend Jane Willcot.

ILLOGAN VILLAGE HALL

(by Stephen Turner)

The Village Hall was pleased to be able to support this year's parish fair and the Committee was delighted to receive a small donation from the proceeds of the fair which will go towards the ongoing upkeep of the hall.

The Indoor Sports & Recreation club are looking for more members, so if you are under 18 and want to have a go at Pool, Darts, Snooker, Air Hockey or Table Tennis in a relaxed atmosphere why not come along for a free 3 week try out. Simply come along on any Monday in school term time from 6.00pm to 7.30pm and quote "Illogan Review Promo" to get your free sessions.

Helping with the running of the Village Hall is also a great way to get involved in community activities. You might like to join the management committee or may have some free time and can help in more practical ways. Please phone Steve on 843845 for an informal chat about how you might be able to help out. We also have a Facebook page which, if you join, will enable you to keep abreast of latest developments and forthcoming events.

Hire of the Village Hall

The Village Hall is a welcoming, warm and friendly retreat and is available at weekends for birthday parties and other social events. It only costs £30 to hire the main hall (including the kitchen) for one off events for either a morning, afternoon or evening 4-hour session.

Facilities available include the main hall, a fully equipped kitchen and a smaller meeting/training room. Tables and chairs are also available, as is a public address system. To book or for more information contact Sue Skewes on 01209 843575.

If your group would like to meet regularly at the hall (i.e. once a month) main hall hire is reduced to only £15 per session. Phone 01209 843845 to discuss your needs.

CHRISTMAST LIGHTS EVENTS 2015

Advance Notice

Our winter edition of the Review will have information regarding the Christmas Lights Switch-on events, but please put the following dates in your diary. The format will be similar to Christmas 2014 and will involve some road closures, details of which are mentioned below.

Illogan – Friday 4 December 2015

School Lane and Church Road will be closed from 6.00pm until the school children's parade has passed through and Robartes Terrace will be closed from 6.00pm until 8.00pm. There will be a diversionary route in place and signposted.

The children will congregate at Illogan School and at 6.30pm will parade to the Robartes Arms with lanterns. There will be an introduction from a member of Illogan Parish Council's Community Liaison Committee, a blessing by the Reverend Robinson and the arrival of Father Christmas. The lights will be switched on at 7.00pm and then carol-singing accompanied by Camborne Youth Band.

Park Bottom – Saturday 5 December 2015

Trevelyan Road (Treloweth Terrace) will be closed from 6.00pm until 8.00pm.

At 6.30pm there will be an introduction from a member of Illogan Parish Council's Community Liaison Committee, a blessing by the Minister and the arrival of Father Christmas. The lights will be switched on at 7.00pm and then carol-singing accompanied by Camborne Youth Band.

GARDENER'S CORNER

Courtesy of Trevenson Garden Centre

All in all it was not a bad summer, especially earlier which featured the mini-heatwave and the hottest recorded temperature, but now it's back to school and back down to earth as far as the garden is concerned.

Moving into **September** we start getting used to cooler temperatures with noticeably shorter days. Whilst the ornamental side of the garden can still be looking good the fruit and veg patch will require a bit of attention. It's also time to start planting the spring-flowering bulbs for next year whilst collecting seeds for next year's colour. Jobs that need doing include:

- dividing herbaceous perennials
- collecting and sowing seeds from perennials and hardy annuals
- cleaning out coldframes and greenhouses
- netting ponds to protect from leaf fall
- harvesting fruit and veg

In **October** colder temperatures start to take hold, meaning Autumn is well and truly here. It's a beautiful time of year for tree colours although leaf fall brings with it its own workload - but don't forget all the lovely leaf mould you can make! Things to do:

- clear up leaf fall regularly
- cut back perennials
- move tender plants into the greenhouse
- prune climbing roses
- last chance to mow the lawn and trim the hedges
- plant out spring cabbages
- check greenhouse heaters are working and set correctly
- winter protection is in place (structures/pipes etc.)

November will invariably bring more wind and rain with leaves falling a-plenty. Now is the time to have moved all the tender plants inside, safe from the ever-increasing frosts. For those that can't be moved make sure they are raised and wrapped in-situ (bubble-wrap or hessian are two good materials to use). Remember it's also getting colder for our feathered friends so keep food and water supplies topped up. Don't forget:

- raise and wrap outdoor planters etc.
- cover brassica from birds
- plant tulip bulbs for next spring's flowering
- plant out winter bedding
- prune roses (prevent wind rock)
- put out food and water to encourage winter birds into the garden

A colder and sometimes harsher time of year but one that brings with it its own beauty from Autumn leaf colours to cold morning frosts, all part of the wonderful gardening seasons that we love so much, so embrace and enjoy!

As always, if you have any questions concerning your garden please call into the Garden Centre where we be happy to help and advise.

The Minor Injuries Unit is open every day (including public holidays) between 8.00am and 10.00pm. Staff aim to see patients as quickly as possible and generally waiting times are less than in an A&E department.

If your injury is not serious, you can get help at an MIU, allowing A&E staff to concentrate on people with serious, life-threatening conditions.

The Radiology (X-Ray) department is open Monday to Friday from 9.00am to 5.00pm.

ILLOGAN SCHOOL

Illogan School were honoured to be part of the Sea King Squadron's iconic fly past. A year 6 pupil phoned the switchboard on the morning of 21st May to very kindly ask if they would include us in their journey, they replied with 'It's a lovely idea but we are not sure it will be possible'.

We decided we would wait outside anyway to see if they would. Some year 6 pupils wrote 'Thank you' with chalk on the playground and others sat down to spell it out. Imagine our delight when the helicopters flew over us and we could see them waving. They were closely followed by the Merlin helicopter who captured our fantastic photos. We even appeared on the local news!

WATERCOLOUR FOR BEGINNERS/IMPROVERS

We have wanted to include this photo of the *Watercolour for Beginners/Improvers Group* for some time but until now could not find the room. It showcases the talents of the group who meet on Tuesdays from 2.00pm to 4.30pm in Illogan Village Hall. So apologies for the delay and congratulations on your achievements.

ILLOGAN HANDBELL RINGERS

We had a very enjoyable day at the recent Parish Fair, and as well as managing our stall we gave a number of short performances throughout the day.

If you'd like to play or learn or would like us to play for you please contact Sigrid on 01209 8429839 or Liz via the church website: www.saint-illogan.org.uk (look under 'What's On'). In addition to our regular afternoon meetings (Wednesdays 2.30-3.30pm) we'd love to start up an evening group. Do please get in touch if you are at all interested.

Our Compact Camera Club has got off to a good start and will be producing entries for our 2016 Centre Calendar. New members are very welcome. If you are interested please contact Keith Scaysbrook on 01209 716930. There is a £1.50 fee per person per session to cover costs.

Yoga teacher, Rachel Bowie who runs our Wednesday morning Yoga class will be starting a new Wednesday evening class soon from 6.45pm to 8pm. Please contact Rachel on 01209 699841 for further information.

Saturday Yoga classes are due to resume in September with Amy Jones who has been on Maternity Leave. Amy runs two classes on Saturdays; one specifically for pregnant ladies. Please contact Amy if you are interested on 07967 501985. Also resuming in September is Qi Gong with Dave Sowden. Please contact him on 07791 042260 to book your place. Illogan Short Mat Bowlers will also resume in September - contact Chris Penaluna on 01209 211428.

We launched our Playground Years Project last October with an exhibition of photos and documents relating to the Centre's buildings when it was Illogan School. We are gathering information and images from residents who remember the Old School. If you have memories, mementos or images you are happy to share please contact the Centre on 01209 842999 or email oldschoolcentre@outlook.com

FAMILIES FOR CHILDREN

Families for Children are looking for adopters to come forward now. There is no upper age limit; you can be married or single and you don't have to own your own home. We are looking for people who have the room in their hearts and can offer a loving and secure family to children most in need.

We are especially looking for those who may consider older children (over 4 years), sibling groups and children with disabilities.

If you have ever considered adoption please come and talk to us at our next information event. Our next open morning is 19 September from 10am to 12 noon. At 10am there will be a presentation with the chance to hear from one of our adopters. At 11am staff and adopters will be available for individual questions and discussion. Tea/coffee and biscuits will be available. You can book a slot by calling 01872 444100 or email info@familiesforchildren.org.uk or just turn up on the day. Our Cornwall office is: Room A107, Advent House, Victoria Offices, Station Approach, Victoria, St Austell PL26 8LG. There is ample parking. Our office is open on one Saturday of every month when you can talk with our specialist adoption social workers and experienced adoptive parents about all aspects of adoption.

ROYAL VOLUNTARY SERVICE MEALS ON WHEELS AND HOME LIBRARY SERVICE

The Royal Voluntary Service is a charity that supports older people. The Home Library Service and Meals on Wheels help reduce isolation and help people to remain independent in their own homes.

Home Library Service – Befriending with Books

If you or a friend or relative love books but have difficulty getting to the library, then this free service could help. If you are elderly, have a disability, poor health or caring responsibilities that prevent you getting out we could make a big difference to your day. Volunteers deliver books of your choice, and if you would like it, they can also stay for a chat or even arrange to transport you to the library to select your own books.

Meals on Wheels

Meals on Wheels can provide you with a hot, freshly cooked main meal and a pudding at lunchtime. We deliver 7 days a week but you can choose days to suit you. Meals cost £6.00 a day which covers the cost of the two course meal and the volunteer's petrol expenses.

We are always looking for new volunteers for both services. If you can spare as little as two hours a month and would like to get involved to support people in your local community, we would love to hear from you. Mileage is covered at 45p a mile. For service details or to ask about volunteering, simply ring Sharon on 01209 218179 or email sharon.skinner@royalvoluntaryservice.org.uk

KEY METER SCAM

The following was received from a lady in Redruth. This is her own story.....

"I recently had a caller at my door, purporting to be checking if I used a key meter. He didn't give his name, or say which company he was from, so I became suspicious and contacted both Western Power and my supplier EDF to check with them if they had a representative in the area to do this. They didn't! EDF informed me that they have been made aware of a scam in the last couple of months which targets people using key meters. For those that do they try to 'offer' a special key for their meter (for a fee) that supposedly already has money on it (£50) and they then go on to get bank details etc.

I informed the Police but wanted to bring it to everyone's attention as the man (and any accomplices) is likely to be hitting the whole area. So if you have anyone at your door asking about your meter, don't give them ANY details. Tell them to wait while you phone your supplier to check their credentials. Or if the pattern follows my experience above, just call the police on 101 and report it. I am told if it's reported at the time they will get a patrol car to the area to look for the person/s.

The man at my door was white, over 6' tall, big set, dark wavy hair, had an accent, was wearing an 'ID' badge around his neck (obviously a false one) and was wearing a dark blue fleece zip-up jacket with white writing on the left side with a word/name beginning with B, and wearing dark trousers. But remember, he could be one of many doing this!"

SCOUTING IN ILLOGAN

Our Beavers, Cubs and Scouts all had a busy and active term leading up to the summer break. The Cubs and Scouts also supported the Parish Fair and ran a Tombola Stall and Dunking Stool. 1st Illogan Scout Group are keen supporters of community events and were delighted by the support we received at the fair.

Beaver Section's focus is always on Fun and Friends and is a good introduction to Scouting. Beavers helps our 5½ to 8 year-olds to make that all important step of doing fun things without parents or teachers watching over them. They get to do lots of creative activities indoors as well as the chance to explore nature and the local area.

Our Cubs (8 to 10 ½ years) focused on outdoor skills last term and earned activity badges along the way. Badges are in recognition of the activities the young people have participated in and for the new skills they have acquired, so every Cub's jumper tells the story of what they have achieved. Apart from taking part in pioneering activities, this term Cubs have enjoyed a sleepover at the Plymouth Aquarium together with Cubs from 5th Redruth Scout Group. They also took part in the District Cubs Sports Day.

In our woods this term Cubs and Scouts created a camp and cooked fire dampers and jacket potatoes over an open fire, then at the end of last term we all enjoyed the family fun BBQ that we always have for all sections. The marshmallow smores the Cubs made over the camp fire were their favourite treat by far.

Our Scouts' (10 ½ to 14years) also focused on pioneering skills this term. We revisited knot tying and lashing skills as well as the safe use of knife, axe and saw. They put these skills to great use when we had our woodland camp evening where they learnt how to make a good and safe camp fire, which we lit using "flint and steel". Scouts are now looking forward to the Group Camp, planned for early September, when we will spend a couple of nights away under canvas with the Cubs. At camp the Scouts will put into practice all the skills we have been working on, as well as playing games exploring the local area around Troon.

I am pleased to say that we still have a few spaces in Scouts and Cubs. Parents of prospective Beavers should still make contact as spaces do come up most terms.

At only £22 per term Scouting in Illogan still represents great value for money. Phone (01209 843845) or email (enquiries@bridgehr.co.uk) and we will arrange for your child to come along for **three free taster sessions** without obligation.

ILLOGAN COMMUNITY CHOIR

What a wonderful time we had at Illogan Parish Fair! We were able to sing twice, once as a "flashmob" outside the church and then later on we squashed onto the stage by the village hall and performed a couple of songs there. The choir sang brilliantly and we all thoroughly enjoyed it. We had our final performance of the term at The Robartes Arms, with a celebratory drink afterwards!

We will be resuming on September 8th and would love to welcome new members. If you can hold a tune and enjoy singing then please do contact us.

Events

This August, Rogue Theatre presented an exhilarating and enchanting double bill in the country park. In the afternoons Wild Woodland Summer Ball was taken over by Pirates, opening the book of Fae on a story that journeyed deep into the magical, comic and wild world of **Blackbeard's Heart**. And then in the evenings - something darker - a journey into Cornish mythology and the mists of Avalon with the sparkling and atmospheric **King Arthur**. If you missed these, don't worry – the Rogues will be back again later in the year.

Our ever-popular Winter Wood will return in December. Look for details in the next edition of the Review.

Oak Wood – tree felling to control *Phytophthora ramorum*

Diseased larch and sweet chestnut trees in the Oak Wood area of the country park are to be felled in order to reduce the spread of infection into other trees in the area. Work started in August and some areas of the park will be temporarily closed for safety reasons. Please respect closure notices and warning signs. The affected areas will be re-planted in the winter with a mixture of native broadleaf trees which are less susceptible to the disease.

Volunteers

If you would like to get involved with looking after Tehidy Country Park why not join the group of enthusiastic volunteers who meet on the first Friday of each month. The sessions are led by Cormac Solutions countryside rangers and are open to all. They run from 10.00am to 1.00pm. If you would like to get involved please contact Cormac Solutions on 0300 1234 202 or by email countryside@cormacltd.co.uk.

ILLOGAN WOMEN'S INSTITUTE

2015 is the centenary of the Women's Institute movement in Britain. Why not make this the year when you discover what we have to offer, why we have lasted so long and how we are as relevant today as we have been for the last 100 years? **Come and join Illogan Women's Institute**, a place where women of all ages can meet socially to share experiences, learn new or old skills and have fun! We meet on the first and third Wednesday of each month. The meetings start at 7:30 pm and are held in Illogan Village Hall, Nance Road, Churchtown, Illogan, REDRUTH. TR16 4BB.
