ILLOGAN PARK

Exciting News!

The freehold of Illogan Park has been transferred to Illogan Parish Council!

The Council will look after the Park, which is a non-supervised play area, on behalf of the community.

We will be contacting you shortly to ask what you would like it to look like in the future. Please do share your views; it's your Park.

We hope that everyone enjoys the Park.

With compliments of Illogan Parish Council

PARISH COUNCIL CHAIRMAN: GRAHAM FORD

This is my last 'letter' as Chairman of Illogan Parish Council and I would like to share with you one idea and 'keyword' - that theme is 'accessibility'.

The Illogan Parish Review is one expression of it and is so very much more than 'us' having a channel to 'you'. This magazine - with its various components and contributors - works hard at enabling the various organisations, groups, clubs and services in Illogan to share their plans and programmes as broadly as possible. It encourages many folk - as their interests, hopes and talents permit - to involve themselves. It is in shared activities and endeavours that individuals can grow into a healthy, active and attractive community. We can grow the society we would wish for ourselves and – crucially – for our children and others who will join us in the future.

As well as clubs of all sorts and for all ages there is, of course, also the 'us' and 'them' bit. The members, staff and contractors of Illogan Parish Council, as much as possible, try to avoid divisions or disputes. Corporately, we see our role as being part of the 'us' of Illogan. So part of 'our' work is being a channel to all the 'themes' – utilities, Cornwall Council, Whitehall, Central Government, funding streams, various environmental agencies and so forth.

That channel goes/should go in both directions from 'them' through 'us' to Illogan as a whole - and in reverse!

But to be really effective and relevant, Illogan Parish Council can sometimes only open the door/do the research/set up the meeting. 'We' need 'you' to get the vision, the balance, the delivery as it should be.

So we are starting the great adventure of turning Illogan Park (now it is 'ours' again) into something we can access to suit and please 'us'. And 'we' (not just Illogan Parish Council) are starting the hard graft of writing our Neighbourhood Plan to lay out the balance, pattern and content of the future built development of Illogan.

These are two very important ways in the next year or so where we can assess for ourselves and lay out for ourselves the shape and potential of Illogan's immediate future.

The Neighbourhood Plan – albeit an 'official document' – can and must be written in our language and respond to our situation (not 'theirs'). It must be accessible 'to us', 'by us' and 'for us'.

Illogan Park must be open/accessible to our needs and standards (not 'their' budgets and ideas).

Through the Illogan Parish Review, our new website, good old fashioned noticeboards and now Facebook, Illogan Parish Council will continue, I am sure, to do its best to access the talent and wisdom we can all share.

Whatever I might contribute to the next instalment of the Illogan story would be an honour; perhaps we might include either Poldark or Demelza?

Yours ever,

Graham

CORNWALL COUNCILLOR: DAVID EKINSMYTH

The current municipal year draws to its close enlivened a little this year by another election that I promise not to mention again. It has had some effect on Cornwall Council and things have been relatively quiet since my last report. My work as Cornwall Councilor moves seamlessly between large strategic issues affecting the whole of the Duchy, and very parochial ones largely restricted to our daily lives in Illogan, Park Bottom and West Tolgus.

The strategic issues have included finalizing the budget; preparing a 'Case for Cornwall' to allow us to have greater control over local affairs without having to constantly wait for guidance from Westminster; finalizing the transport strategy 'Connecting Cornwall Implementation Plan 2015-2019' and awaiting Government approval of the 'Cornwall Local Plan'. All of these are available to view on the Cornwall Council website should you wish to do so, and if you do, let me know what you think, particularly if you would like me to raise an issue for you at the Council. I do raise issues myself but as your representative I am much more effective.

At the local Illogan level, top issues tend to do with road safety, litter control, keeping verges and roadsides under control and the usual dog waste and its collection. I am currently campaigning for a road sign off the A30 that will help visitors know where Illogan is, as we are the only community of our size in Cornwall without one. If you are watching Poldark you will see that Illogan is regularly mentioned and there was a sign to it in the 18th century! I think we should try to invite one of the cast to open the Village Fair, preferably Demelza as she was born here in the story (sorry ladies).

More seriously we are about to embark on the production of our Neighbourhood Plan. This is the opportunity for the whole community to have a voice in what sort of place Illogan will be in the future. There is a working group being set up and ideally this is community-led and supported by the local council, not the other way around. So please consider volunteering to assist with the work. We have had two public meetings and there is a lot more consultation to come. All this and other issues will be discussed at the Annual Parish meeting in May and this is your opportunity to have your say. I hope to see many of you there.

Finally I wish to formally thank Graham Ford who will be retiring as our Chairman after his 2-year term. Having had the privilege of being Chairman for the 3 years before that I know how much time and effort has to be put in, and remember all Parish Councillors are volunteers. Graham has carried his responsibility with dignity and good humour and continued to develop the capacity of the Council. This will put us in a good position to take on the extra work that is undoubtedly coming our way. Thanks to Graham and the rest of our councillor team; not forgetting Sarah and Jo in the office and our other contractors who have to give action to all our decisions.

WHO'S WORKING FOR YOU

Paul Holmes

Raised and schooled in Illogan, I worked in London from 1966 to 1976 and am now a retired electrician, having run my own electrical business. I have been a Church chorister for 62 years (joining Illogan Church Choir in 1952), a chorister at St. John's Church, Camborne, and a member of the Illogan-based Cornwall Gorsedh Church Choir Tereba Nessa. I have sung in Wales, Scotland, France and England and hold a RSCM silver medal and many singing trophies from local festivals.

Between 1985 and 2009 I served six terms as the Illogan County Councillor and as Illogan District Councillor until both were abolished in 2009. I was elected to Illogan Parish Council in 2003 and currently serve on the Planning and Devolution Committees. As a Councillor for 29 years I would like to see more devolution of responsibility from Cornwall Council and am delighted that Illogan Park will now be secured under Illogan Parish Council and the sports teams' control.

WHO'S WORKING FOR YOU

David Crabtree

I was born in York and started moving around the country as I gained promotion working for a building society before taking redundancy in 1989 and then becoming a sub-postmaster.

My wife is from Camborne and 14 years ago we sold the post office and moved back to Cornwall. I am currently involved in two businesses. I have two grown up children, both of whom live and work locally.

I was a parish councillor when living in Sussex and was pleased when the opportunity came along to fill the vacancy for Park Bottom last October as I see it as a chance to hopefully put something back into the Parish which made us feel so welcome.

I feel that each part of the Parish should maintain its individual identity and a green border maintained. I will fight against any mass development that would spoil this area.

ILLOGAN PARISH COUNCIL MEETING DATES June, July, August

Full Council

June	-	17th
July	-	15th
August	-	Recess

Planning & Environment

June	-	3rd and 17th
July	-	1st and 15th
August	-	5th

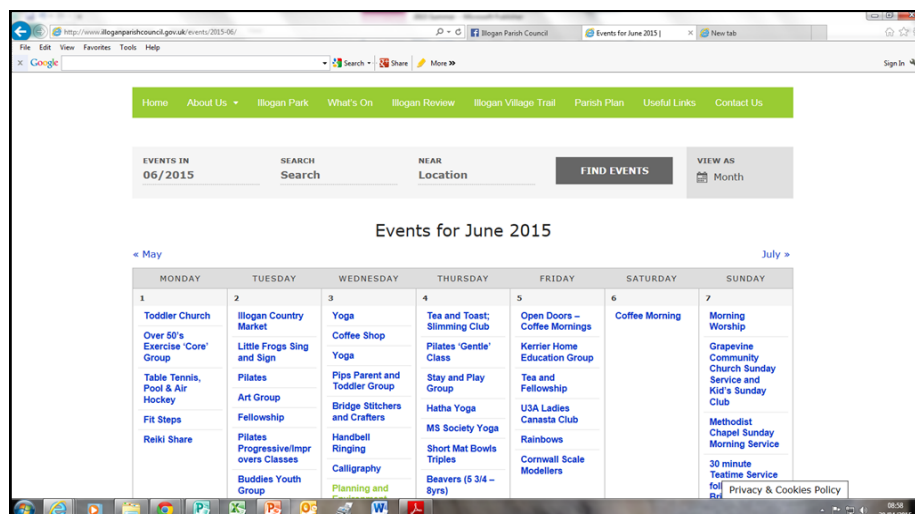

There may be other meetings scheduled as and when required. Please see the Council's noticeboards and website for meeting updates, agendas and minutes.

Members of the public are invited to attend all Council meetings. If you would like any further information please contact the Clerk, Ms Sarah Willsher, at the Council Office.

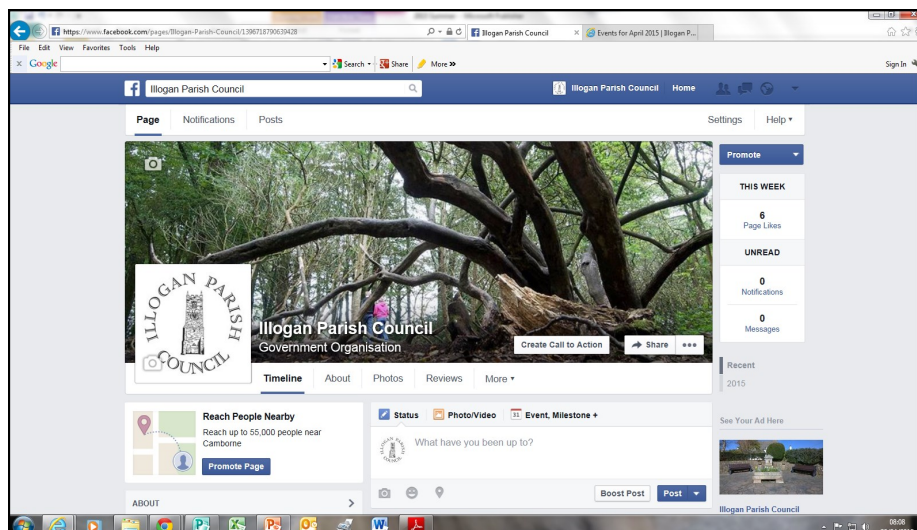

Full contact details are on the back page of this Review.

NEW WEBSITE AND FACEBOOK PAGE

We are proud to launch our new website. The website has a fresh, modern design and is easy to use. There are details of Council business, the Illogan Village Trail and a calendar of events being held in the Parish. Please take some time to visit the site and check out the information. If you are holding an event or have a regular club meeting, please let the Council Office know and we will add the details to the calendar.

And there's more! We also now have a Facebook page. We'll use this to keep everyone up to date on particular events and news going on in the village. If you want to keep up with what's going on, follow us on Facebook!

ANNUAL REPORT

The Annual Report is produced by the Council to give parishioners an overview of Council activities during the previous year. It includes a report from the Chairman of the Council, financial statements, reports on each Council Committee and activities held by the Council during the year.

The Annual Report for 2014-2015 will shortly be available on the website. To access the report please go to 'About Us' and then 'Annual Reports and Returns'. If you would like a paper copy of the report please contact the Council Office. The Annual Return for 2014-15 will be uploaded in a few months when it has been externally audited.

BENCHES AT MARY'S WELL

We are delighted to announce that we have replaced the benches at Mary's Well. The benches are made from environmentally friendly, recycled materials, are low maintenance and weather resistant. If you are passing, take a few minutes to sit and enjoy the area.

ILLOGAN PARISH FAIR Saturday July 11th 2015

I am pleased to announce that tickets for the Parish Fair Grand Prize Draw are now available at local retail outlets displaying our Prize Draw poster including Paynters Lane End Post office, The Cornish Oven, The Co-operative, Demoda Salon, The Robartes Arms Pub and Tideline Café in Portreath. They will also be available for purchase on the day at the Fair.

We are very grateful to the many local businesses who have donated over £500 worth of prizes and especially to David Pascoe of The Penventon Hotel who has given a luxury stay, including use of the spa, indoor pool and breakfast, as our top prize. Please support us in this way as it is one of the main ways we raise funds to pay for putting on the Fair and to ensure it remains free for one and all.

The Parish Fair Group is now in the final stages of planning but we very much need further offers of help and support. If you would like to get involved, if only for an hour on the day, then please get in touch on 01209 843845. We really do need your help.

The Parish Fair will once again be in the Churchtown area. Our thanks go to Illogan School (Horticultural & Domestic Show and Disabled Parking), Illogan Pre-School (Stalls and Entertainment for younger residents), Illogan Parish Church (Commercial & Charity Stalls, Indoor Performances, Dunking Stool, Plen an Gwari Historical Playing Places Project Exhibition and Children's Fun Crafts), Illogan Village Hall (Main Stage Entertainment, Hobbies, Fire Engine and Past-times Exhibitions) and The Old School Centre (Arts and Crafts). Hot and Cold refreshments this year will be provided by us and will be available at the The Old School Centre, Parish Church and in the new School Hall.

The Fair will be officially opened at 11am by Mr Andrew Tompsett who was nominated by another resident of the Parish for his many years of community service and in particular for the work he has done with Manningham Wood and the Parish Church Nature Reserve Project. Show cups will be awarded at 4.00pm by other distinguished guests from the Parish Council, County Council and Parish Church. The Grand Prize Draw will take place on the main stage at 4.30pm.

We also are also still keen to hear from charities and commercial stallholders wanting stall space at the Fair although we will regrettably have to draw a line once we get into July. Please contact Jeanette at the Old School House Centre 01209 842999 for more information or visit our website illoganparishfair.uk or Facebook Page and download a booking form.

If you would like to help now or on the day or have something to exhibit please get in touch on 01209 843845.

ALLSORTS

Allsorts is a voluntarily run venue that is **FREE** to attend for local people who are retired, disabled or are affected by memory problems etc. The idea is to provide the local community with a relaxing and enjoyable place to go where they can enjoy a break, share company and chat, and also access Easy Arts and Crafts. Many retired people become isolated because they are caring for their partners who have become unwell; others have been left bereaved and alone after losing their partner and some with disabilities have found themselves generally isolated. Each fortnight brings a new face, a new friend.

The Arts and Crafts, which include painting, finger-weaving with wool, knitting, crochet and card-making are relaxed but cleverly structured by the facilitators. Many people who felt that they had no artistic talents are surprised and astonished to be producing works that are worthy of gracing any space.

The volunteers who facilitate Allsorts support each other to ensure smooth running of the venue. Events are held every other Wednesday; the hall is within easy walking distance from Illogan Village centre on the same side as Boots Pharmacy and is the centre part of the bungalow complex.

Allsorts looks forward to welcoming new friends and potential artists.

MOBILE LIBRARY: SUMMER STOPS

At the time of going to press, Cornwall Council were unable to advise on the dates of stops for June, July and August, although regular users of the mobile library should have received a printed sheet from the driver. If you are in doubt as to when the next stop is you can telephone 01872 272702.

We have heard nothing more on micro libraries since our last edition of the Review but will keep you updated on any news.

'ROBARTES READERS' Book Group of Illogan

The group meets on the last Thursday of each month at 7.30pm in the Robartes Arms, Illogan.

The aim is for readers to meet other like-minded people who are interested in serious discussion but who also would like to have fun – not to mention a glass or two of something – and be introduced to new books and authors who help broaden our outlook.

Please contact Maggie Thompson 01209 844754 or call in at the Robartes Arms.

GARDENER'S CORNER

Courtesy of Trevenon Garden Centre

As bulbs fade and herbaceous borders start to grow it is clear that summer is approaching. May/June is for sowing and planting out bedding, but with an eye on the weather forecast. It's also time to get back into the lawn mowing regime as the lawn will love the warmer temperatures this season brings:

- watch out for late frosts and protect tender plants
- earth up potatoes and plant any still remaining;
- plant out summer bedding (but check temperatures);
- collect rainwater and investigate ways to recycle water for irrigation;
- regularly hoe off weeds;
- open greenhouse vents and doors on warm days;
- mow lawns weekly;
- check for nesting birds before clipping hedges;
- lift and divide overcrowded clumps of daffodils and other spring-flowering bulbs;
- watch out for viburnum beetle and lily beetle grubs.

June 21 is the longest day of the year, and the extra light and warmth encourages the garden to put on an exuberant burst of growth but this extra light and warmth also means weeds will sprout up from seemingly nowhere. Keep on top of them by hoeing regularly in dry conditions:

- pinch out sideshoots on tomatoes;
- harvest lettuce, radish, other salads and early potatoes;
- position summer hanging baskets and containers outside;
- plant out any remaining summer bedding;
- stake tall or floppy plants;
- prune many spring-flowering shrubs;
- shade greenhouses to keep them cool and prevent scorch.

July/August can often be the hottest months of the year and a great time to sit out and enjoy your garden. Keep plants looking good by regularly dead-heading, and you'll enjoy a longer display of blooms. Make sure you keep new plants well watered, using grey water where possible, and hoe off weeds, which thrive in the sunshine:

- check clematis for signs of clematis wilt;
- conservatory plants can be put outside if warm enough;
- water tubs and new plants if dry, but be water-wise;
- Dead-head bedding plants and repeat-flowering perennials, to ensure continuous flowering;
- pick courgettes before they become marrows;
- treat apple scab;
- clear algae, blanket weeds and debris from ponds, and keep them topped up;
- order catalogues for next year's spring-flowering bulbs;
- give the lawn a quick-acting summer feed, especially if not given a spring feed;
- give woodwork a lick of paint or preserver, while the weather is dry.

Finally, don't forget the other important asset in the garden - you. Pick your favourite spot in a nice sunny corner with your favourite tippie and enjoy!

If your injury is not serious, you can get help at an MIU, allowing A&E staff to concentrate on people with serious, life-threatening conditions.

The Radiology (X-Ray) department is open Monday to Friday from 9.00am to 5.00pm.

ILLOGAN VILLAGE HALL

What's on at Illogan Village Hall

(by Stephen Turner)

We are pleased to welcome Kernow YAG, a branch of the National Autistic Society, to our village hall. They are meeting on Mondays after the Indoor Sports & Recreation Club. We hope they settle in quickly and make good use of our facilities.

A number of maintenance projects arise from time to time including building work, painting and decorating, plumbing, electrical repairs etc. If you would like to be considered for future projects please get in touch on 843845. Our current project is to repair and paint our timber windows. If you would like to put in a tender for this work please contact me and I will provide more information.

The Indoor Sports & Recreation club are looking for more members, so if you are under 18 and want to have a go at Pool, Darts, Snooker, Air Hockey or Table Tennis in a relaxed atmosphere why not come along for three weeks for free. Simply come along on any Monday and quote "Illogan Review Promo" to get your free sessions.

Helping with the running of the Village Hall is also a great way to get involved in community activities. You might like to join the management committee or may have some free time and can help in more practical ways. Please phone Steve on 843845 for an informal chat about how you might be able to help out. We also have a Facebook page which, if you join, will enable you to keep abreast of latest developments and forthcoming events.

Hire of the Village Hall

The Village Hall is a welcoming, warm and friendly retreat and is available at weekends for birthday parties and other social events. It only costs £30 to hire the main hall (including kitchen) for one-off events for either a morning, afternoon or evening 4-hour session.

Facilities available include the main hall, a fully equipped kitchen and a smaller meeting/training room. Tables and chairs are also available, as is a public address system. To book or for more information contact Sue Skewes on 01209 843575.

If your group would like to meet regularly at the hall (i.e. once a month) then main hall hire is reduced to only £15 per session. Please phone 01209 843845 to discuss your needs.

ILLOGAN CIVIL PARISH:

Is Illogan a Village?

Back in 2010 Cllr Holmes wrote an article for our Review and as we have included a map in this issue, it seemed appropriate to revisit the article which explains how Illogan 'came to be'. Since 2010 our readership has changed and grown with the increased number of houses, newcomers taking up residence and children growing up, so there are many who won't have seen the original article.

Illogan is actually the name of a parish, not a village. Technically it is a group of hamlets joined together by housing developments since 1950. The hamlets were once surrounded by market gardens and farmland. In 1985 there were 3,300 electors. This has since risen to more than 4,600.

Illogan Civil Parish extends from Bridge and Harris Mill in the East to Tolvaddon and Bell Lake in the West, from the A30 in the South to Reskageague on the North Coast.

Illogan **Civil** Parish is different to St. Illogan **Church** Parish which stretches from Peace and Carnkie in the South, to the North Coast including Portreath, from Brea Village and Tuckingmill in the West and to Sparnon Gate and Redruth Coombe in the East.

Before 1935 both the Church and Civil Parish boundaries were the same. In 1935 Illogan Civil Parish was 'accidentally' abolished in the Local Government Act which created the new Camborne/Redruth Urban District. In 1985 Civil Parish status was given back to Illogan but as the Government decided its population was too large, Illogan was divided into three new Civil Parishes - Illogan, Carn Brea and Portreath.

Aladdin: a Genie-us Production

Presented by the Illogan Players

The audience at Illogan Village Hall were treated to a thrilling and hilarious production of Aladdin over three nights in early Spring.

The show told the story of a young peasant boy, Aladdin, who tried to win the heart of the beautiful Princess Mandarin, with a little help from the Genie of the Lamp, stopping Abinaza's evil plan to thwart the happy couple ever after.

This was the first time Bronia Saunders, Director, had produced an entire show, including the casting, choreography, sourcing of the script, the fabulous costumes and much more. The cast, all volunteers from the local area, included mums, dads, children and friends who gave a fantastic performance, having a great time in the process. Bronia said,

"I'm delighted with the outcome. Although we've been involved in several shows over the last few years, we certainly upped our game this year. The cast were great; they poured countless hours into rehearsing and I can't thank them enough for doing me proud. I'd also like to thank everyone behind the scenes, the painting of the backdrops, making of curtains, the music and lighting effects and all the helpers on the nights. I'd like to thank Steve Turner, Chair of Illogan Village Hall, who was so accommodating, letting us have the run of the hall for several weeks. Finally, a huge thank you to the audience, their laughter and participation were a welcome reward."

The money raised by this sell-out show went towards props and production and the remainder a donation towards the running of the hall.

ILLOGAN SCHOOL

The pupils at Illogan School spend a lot of time raising money for a variety of charities and in recent months raised £176 for Comic Relief during Red Nose Day.

And during a read-a-thon the pupils also raised a whopping £948 for Multiple Sclerosis, of which 20% went to new school books for the library.

A representative from the Multiple Sclerosis charity presented the School with a certificate and trophy for taking part in the challenge.

Hats off to all those who think of others as well as themselves!

ILLOGAN COMMUNITY CHOIR

Our newly formed community choir in Illogan is going from strength to strength. We sing a range of music from Bach to Beyonce. If you enjoy music, enjoy singing and can hold a tune we would love to hear from you.

Rehearsals are on Tuesday evenings from 7.45pm to 8.45pm.

Please register your interest with Steve and Jackie on 01209 843938 or by email on steveandjackie_robinson@hotmail.com

SCOUTING IN ILLOGAN

Our main news this term is that Mr Richards, of Trengrove Farm, has kindly given permission for 1st Illogan to use a small parcel of woodland for pioneering skills. Throughout the summer we will be busy constructing a woodland camp using all the skills we teach our Cubs and Scouts. It's a great opportunity to make all sorts of camp gadgets and furniture from natural materials. At the end of the summer season we'll take all of these things apart and leave the woodland just as we found it. It's important our Scouts learn to respect nature and the environment.

Our Beavers, Cubs and Scouts all took part in the St George's Day Parade and celebrations at Heartlands this year. 1st Illogan Scout Group are keen supporters of community events and will be taking part in the Parish Fair on 11th July once again. Please come along and show your support for us and the fair!

Beaver Section's focus is always on Fun and Friends and is a good introduction to Scouting. Beavers helps our 5½ to 8 yr olds to make that all important step of doing fun things without parents or teachers watching over them. They get to do lots of creative activities indoors as well as the chance to explore nature and the local area.

Our Cubs (8 to 10 ½ yrs) are currently focusing on outdoor skills and earning some new activity badges along the way. Badges are recognition for the activities the young people have participated in and for the new skills they have acquired, so every Cub's jumper tells the story of what they have achieved. Apart from taking part in pioneering activities, this term Cubs have enjoyed a visit by the Police dog handling unit and an evening of fun activities at Tuckingmill Valley Park with the Scouts. They will also be taking part in the District Cubs Sports Day, learning how to pitch a variety of tents and enjoying the family fun BBQ that we always have for all sections at the end of the summer term. As you can imagine there's always lots to do with our Cub section.

Our Scouts' (10 ½ to 14yrs) focus this term is pioneering skills. Recently they cleared away some brambles to make a safe pathway into Mr Richards' woods and have already started work making camp equipment from the natural materials at hand. Of course we don't fell any trees but instead make best use of what we find lying around. An essential part of pioneering is the training, so we have revisited knot tying and lashing skills as well as the safe use of knife, axe and saw. Scouts don't always like the safety procedures we follow, but they do at least appreciate why we have them! Later this term we will be learning how to construct a range of fires and ovens from natural materials and how to cook with them. Scouts are also having a go at street hockey this term, very popular with Canadian Scouts, as we are always keen to try out new fun games and challenges.

I am pleased to say that we now have a number of spaces

in Scouts, as several older Scouts moved on last term, as well as a few spaces in Cubs. Parents of prospective Beavers should still make contact as spaces do come up most terms. At only £22 per term Scouting in Illogan still represents great value for money. Phone (01209 843845) or email (enquiries@bridgehr.co.uk) and we will arrange for your child to come along for **three free taster sessions** without obligation.

TEHIDY COUNTRY PARK

Events

Rogue Theatre entertained many visitors over the Easter period with their Wild Spring Hare adventures. Look out for their return with more shows in August and beyond.

One of the features of Tehidy Country Park is the display of bluebells which emerges in the springtime, particularly in the North Cliffs Plantation area. Late April and early May is the best time to visit to see the carpet

of blue so if you haven't been yet you'd better be quick – there may still be a few about! Please keep to the main paths and tracks if possible to avoid trampling on the areas where bluebells grow.

Wildlife area

The area around the lake and ponds - between the café and Otter Bridge – has long been designated a 'no dog' area and there are signs to remind people of this on each of the paths. This restriction is in place to avoid disturbance to any birds which might be nesting and using these areas and to provide an area of the park where people can walk, play and picnic without being troubled by dogs. Well behaved dogs are welcome in all other areas of the park, but please respect this area.

Volunteers

Over the last few months volunteers have again been busy helping with improvements and maintenance around the park. Overhanging branches have been trimmed back along West Drive, bankside repairs around the lake and ponds carried out and improvements made to the paths around the Rose Garden.

The Tehidy Country Park volunteer group meets on the first Friday of each month. The sessions are led by Cormac Solutions countryside rangers and are open to all. They run from 10.00am to 1.00pm.

If you would like to get involved please contact Cormac Solutions on 0300 1234 202 or email countryside@cormacltd.co.uk.

ILLOGAN JUNIOR FOOTBALL CLUB

MICROSOFT SCAM ALERT

If you receive a cold call informing you that there is a problem with your computer, quite often with the caller claiming to represent "Microsoft", ignore it and hang up. It's a scam. Microsoft, or someone on their behalf, will NEVER call you. The motive of the caller is to make money illegally, nothing more. The caller will claim to be able to fix a fault on your computer for a fee. In that way they access your bank account, and can extract further amounts, if the account is not stopped.

Once you have followed their instructions over the phone to 'log-on', they can then remotely access your computer so that it looks as if they are doing some work on it. In this way, they can add malicious programmes to your computer which extract additional data. If the call is uninvited, hang up. Do not allow remote access to your computer. Never divulge pin numbers or passwords—banks don't even ask for them.

If you believe you've fallen for this type of scam, get your computer checked by a reputable company immediately, and contact your bank to stop any further payments. Report the scam if you have been affected to Action Fraud on 0300 1232040 or www.actionfraud.police.uk.

If you have caller display with your phone company, you will invariably notice a number doesn't come up – it's usually withheld, or some other fancy long number which looks suspicious, and doesn't exist if you call it back. I have been approached by people purporting to be from Microsoft, but I always halt them in their tracks by saying, "Computer, what computer, I don't own one." They quickly hang up. Worth a thought.

While the Back at Ease program was originally designed by Helen for use in the recovery of Core Stability and Strength in anyone with recurring Back Pain, Muscle Pain, Joint Problems, Arthritis and Hip / Knee Replacement, it is now widely used by anyone who is seeking good posture, optimal health, flexibility and mobility.

The Back at Ease program is not one system or even one discipline but rather it is the integration, a union of processes from multiple systems and disciplines. It is a combination of functional movement, mobility and flexibility, strengthening and stretching, corrective, stabilization, and neuromuscular control all within one program.

Enjoy exploring the Cornish countryside?

Why not become a volunteer and help us look after the public rights of way network in your local area?

We are looking for keen volunteers to join our Mobile Volunteer Network. You will have the opportunity to work with us repairing and maintaining the public rights of way in West Cornwall.

Jobs will include vegetation clearance, step replacement, signage and even a bit of surfacing and drainage.

If you're interested please contact **01872 322375** or email: countryside@cormactd.co.uk With your help we can ensure that more of the Cornish Countryside stays open for people to enjoy.
