FC17/12/4 PUBLIC PARTICIPATION ON ITEMS ON THE AGENDA (MAXIMUM OF 15 MINS – EVERY SPEAKER A LIMIT OF 3 MINS UNDER COUNCIL STANDING ORDERS)

A member of the public asked whether the Council had received a response to the letters sent insisting that The Glebe field was tested for anthrax – the Clerk said that no response had been received.

A member of the public reported that there were rumours that the sale of The Glebe field had fallen through and asked if the Council could confirm this – the Clerk said that the Council had not received any information regarding the sale of The Glebe.

A member of the public asked how the Illogan Parish Neighbourhood Development Plan Steering Group were going to publicise the Neighbourhood Plan. The Clerk said that she would check with the Group and let the public know.

2 members of the public entered the meeting at 7.05pm

A member of the public reported that he had obtained a copy of a letter from the House of Commons which was addressed to the case officer of

the Planning Inspectorate, the letter had also been sent to the Cornwall Council Planning Officer. The letter stated that no work shall be undertaken on The Glebe until appropriate investigations were undertaken to identify animal parts and the degree of contamination of anthrax. He explained the phases that the letter stipulated that the investigation should take. It also stated that no work shall start on The Glebe Field until the anthrax work had been completed and that this had to be agreed in writing by the planning authority. The development shall also not commence until a method had been agreed to protect public health from anthrax. The member of the public felt that it was disgraceful that no-one was talking to and sharing information with the Parish Council.

1 member of the public joined the meeting at 7.07pm

A member of the public questioned why the Robartes Arms had been excluded from the Illogan Christmas Lights Switch On event held on the 8th December 2017.

Cllr Crabtree explained that the Parish Council had not excluded the Robartes Arms from the Switch-On Event and that a letter had been sent to the landlord of the pub. He explained that the landlady had been extremely unhappy during the 2016 event with members of the public blocking access to the pub by watching the event from the ramp outside the pub. In 2016 the pub had not let the Council know that they would be placing a BBQ adjacent to the entrance to the pub which meant that the Council had been unable to include the BBQ in their risk assessments etc. The landlord and landlady had been invited to attend a Community Liaison Committee meeting in February 2017 to review the 2016 event and to start planning the 2017 event; neither the landlord or landlady responded to the invitation or attended the meeting. In the past, the tree had been erected on The Platt and the Community Liaison Committee had made the decision to move the Christmas tree back to The Platt.

3 members of the public left the meeting at 7.15pm

'Falmouth Town Council, supported by NALC, would like to submit a proposal under the Sustainable Communities Act for legislative change to grant parish and town councils mandatory 100% business rates relief on public toilets that they own or manage.

This follows the passing of a motion from the Norfolk Association of Local Councils at NALC Annual Conference on 30 October 2017 formally endorsing this position and supporting the Falmouth

proposal. It is our belief that such a removal of business rates would improve economic, social and environmental wellbeing as they are an unwanted price tag around many assets and liabilities transferred to parishes by principal local authorities unable to run them any longer.

The responses to this survey (link below) will help support the proposal to be submitted to the Department for Communities and Local Government by around Christmas 2017 under the Act, by Falmouth Town Council. The Government have asked that we support that request with evidence that the change is required.

We would ask if you could complete the attached short survey by 17:00 on 15 December 2017 (the Town Council hope to submit their proposal to DCLG with their evidence report by Christmas). It will take just 5 minutes to complete. Please download the survey at the following web link - <https://www.surveymonkey.co.uk/r/KKFC7T>
