ILLOGAN PARISH NEIGHBOURHOOD DEVELOPMENT PLAN STEERING GROUP

We are delighted to announce that a Draft Neighbourhood Development Plan has been completed and approved by Illogan Parish Council.

There is now an opportunity over a 6 week period from 1st March 2018 for you all to read and consider this plan and the policy proposals it makes. A 4 page summary of the document is a pull-out in the centre of this Parish Review and details of where you may access the full report, including hard copies is also detailed.

The summary contains the objectives under the key themes as identified through consultation with you and has resulted in specific proposals for policies that will be unique to the Parish and will form part of the statutory development plan for the area. Where there are no specific local policies, we have shown where existing policy within the framework of the Cornwall Local Plan represents and supports the views that you have shared with us.

Please see pages 9, 10, 11 and 12

STOP PRESS!!! Fun Event coming to Illogan Play Park on 13th April.
Please see Page 18 for further details

With compliments of Illogan Parish Council

CHAIRMAN OF THE PARISH COUNCIL— COUNCILLOR MARGARET ROBERTS

Since our last Parish Review we have enjoyed the Christmas Festivities held in our Parish and I would like to thank everyone who attended the Christmas Lights Switch On Events. The wind and rain did not deter the spirits of the people of Illogan.

A new event was held for the parishioners of Tolvaddon. A big thank you to the Illogan Sparnon Silver Band for playing Carols, to the officers of the Salvation Army and last but not least to the owners of Adelaide Stores for providing hot drinks and mince pies with cream.

The children of Illogan School who took part in our Christmas Card Competition gave me a warm welcome when I visited the school to present prizes to the winners. I wish I could have given them all a prize! That evening we had the lantern parade and it was such a joy to see the children walking from the school to the centre of the village. Camborne Youth Band played Carols and whilst Santa handed out sweets we enjoyed mince pies and cream supplied, this time, by McColls.

The New Inn at Park Bottom was the venue for our third Switch On event and our friends from Camborne Youth Band played Carols for us. We must thank the New Inn and owners of the Premier Stores for providing mulled wine and pasties.

Congratulations to the Illogan Cancer Research Committee for a beautiful musical afternoon of carols at Paynters Lane End Chapel. Justin Leigh from BBC Southwest told some amusing stories and the event raised a fantastic total of £844.49.

As we go into the New Year the Neighbourhood Plan is going out for consultation. Please take time to read it and let us have your comments.

A very warm welcome to our new Councillor, Jenny Christie who was co-opted at the Full Council meeting in December. She is now a member for the Tehidy Ward. We look forward to working with Jenny; for further information please see the Council's website.

CORNWALL COUNCILLOR— COUNCILLOR DAVID EKINSMYTH

Welcome to the New Year and as we look forward to all it will bring with hope and expectation, there are a lot of matters that need attention which will have to be prioritized sensibly given the difficult financial situation the country is still in. Cornwall needs fair funding and Cornwall Council will be making the case continually.

Whilst the national Parliament is heavily engaged in sorting out Brexit and all its complications we in Cornwall are left trying to work out how to set an equitable budget. So once again there is likely to be an increase in Council Tax just to cover inflation and help fund important services like Social Care. You can follow the budget discussions on the Cornwall Council website, or come and talk to me about it if you wish.

In the meantime, normal business must continue. Planning matters to all our community and the draft Neighbourhood Plan is available to everyone for consultation. Please respond and let the Parish Council know what you think. If there is anything you feel needs changing, point it out, and it will be considered in the final draft.

I am still seeking volunteers for our Speed Watch Team to help us deal with excess speed. I am also working on a priority list for road repairs and resurfacing, so again let me know if your road or area needs attention.

Finally, my thanks to all volunteers and others without whom a lot of things would not happen. My Community Fund closes in early February but re-opens in March so if there are any community groups requiring small contributions to projects or activities let me know. I look forward to speaking to anyone who requires my assistance, so don't forget the monthly surgery at 10am on the first Saturday of every month in Penwartha Hall.

ILLOGAN SCHOOL NEWS

I am Lisa Newberry the new Headteacher. I have been seconded to Illogan Primary for 2 terms, in the first instance, from Cury C of E VA Primary School on the Lizard. I am delighted to be at Illogan and have had a wonderful first week! The staff and children are truly delightful and are working so hard to achieve the absolute best! The school's motto Aspire, Believe, Create, Dazzle certainly does pervade everything the school does and is reflected in the way that the pupils enjoy and are proud of their school. (Ofsted 2012)

THE OLD SCHOOL CENTRE

2017 was a year of ups and downs for the Centre. Our Electric Inspection and Asbestos Report presented some major financial obstacles which were overcome with support/funding from Cllr David Ekinsmyth (Community Chest), Illogan Parish Council, a local electrical firm and several members of the Community. We are very grateful for their support which turned some very difficult moments into such positive outcomes. Thank you.

We have had a very positive start to 2018 with new bookings coming in for regular groups and for training events and are therefore looking forward to a much better 12 months.

Donations

We were delighted to receive CO-OP Community Funding of £848. This money was raised in local stores by their members buying CO-OP branded goods. Some of the money raised will purchase a much needed shed for our garden to store education equipment and gardening equipment. Thank you to all those CO-OP members who chose to support us.

The Robartes Arms Quizzers raised £170 from raffles held on Quiz nights (Tuesdays) on the run up to Christmas. Landlords Paul and Sheila Jobling presented the donation to Centre Chairman Richard Fisher who thanked them for their fundraising efforts on our behalf.

New Groups

Home with baby? How about joining one of our new groups? We have several classes suitable for parents/grandparents looking for activities where baby/toddler can come too.

Chloe runs Todlins on Tuesdays (term time) 10am til 11ish. Meet other parents/grandparents. Join in the singing and signing, have a cuppa. Chloe is a qualified teacher who took over the Todlins group having attended with her own children when they were small. She loves singing, plays instruments and teaches Makaton Signing. You will be made to feel most welcome and you will find Chloe's energy infectious. Contact 07977418566 for more info.

If you are looking for something more energetic why not try JoJo's Bopping Mums class on Wednesday mornings 9.30am to 10.30am. Mum's can dance with babies in slings and toddlers are welcome too! JoJo is also running classes in baby massage on Tuesdays from 1pm to 2pm and Mummy Massage on Wednesdays 10.40am to 11.40am.

Joanna is a professional Exercise Physiologist BSc (Hons), MSc, who also trained as a personal trainer and sports masseuse. Until recently she worked in Treliske Hospital but decided to start her new classes to fit around her two young children and to give others with little ones the chance to be able to exercise or relax without having to leave the little ones at home. For more information contact Joanna on 07979 907319.

ST. ILLOGAN CHURCH STAY & PLAY

We meet in St Illogan Church from 10:15 am to 12:15 pm on a Thursday during term time. Each family pays £1.00 a week to help towards the cost of craft items and refreshments.

We can offer a number of sit and ride toys, puzzles, books, lego, play dough, paper and crayons, a 4 section wooden play kitchen and a number of wooden train tracks with rolling stock. The morning starts with a craft, cooking or painting session followed by a period of free play, whilst the parents/carers have a welcome cup of tea. After approximately one hour the children all sit down together to eat a mid-morning snack of toast and fruit. We finish with a noisy and lively music circle using tambourines, jingle bells, drums and maracas to accompany the action songs. Great fun for the children and friendship, helpful hints and social chat for the adult carers.

PAYNTERS LANE END METHODIST CHAPEL

As you read this you may have heard that the Chapel is closing and it is with a heavy heart that we confirm that this chapter of Methodist history in the village will come to an end by Winter 2018 .

THE PAST

Methodism came to Illogan in 1854 with the opening of the original Chapel but it soon became too small for its growing congregation and a new Chapel was built in 1890 at the junction of 5 roads some 100 yards nearer the centre of the village. The old Chapel was then used as a Sunday School and a venue for social events.

It has been a spiritual home for many from the village and some of its current members can recount grandparents who were in the group of original Trustees. Tea Treats (at home and at St Ives), Sunday School Anniversaries, The Choir and its many organists, Ministers and Local Preachers, Brownies, Quilters, Illogan Country Market, Friendship Club, Harvest Festivals, Easter Sunday and Christmas Services all with large morning and evening Services (often to its capacity of 150), Merrits Carol's, Pantomimes, the list of memories could go on and on.

THE PRESENT

Sadly times have changed and although the Chapel has tried to adapt and accommodate these developments e.g. changing the Young Church from Sunday afternoon to Sunday morning, it has obviously not met the success that is necessary for its continuance. Continual costs of maintaining old buildings with a dwindling membership are no longer an option. This was evidenced with the selling of the Hall in 2016.

THE FUTURE

So, rather than simply close the doors and sadly walk away we have decided to join with members from Bridge and Redruth Chapels (who also will close) to start a new Methodist chapter on the perimeter of Redruth, by building a new Chapel, with transport available for those who want it. This is going to cost money and so each of the 3 x premises will be sold with full planning permission for a variety of purposes. With the financial support of the wider Methodist family locally, significant progress has been made to make this vision become a reality.

It is with a mixture of sadness that a glorious chapter closes but also one of excitement as our membership looks forward to a new chapter under God's guidance.

Church Treasurer

ILLOGAN COUNTRY MARKET

We work hard each week to present locally made or sourced craft and food. This market has been a feature of Illogan for over 25 years. Some of those who help out at the market have been with us almost from the start. In fact, the average age of the 'marketeers' is nudging 80! The market now needs new members to be able to continue. If you are a craftsperson, why not join us? If you grow vegetables we would love to see you! Are you a baker? Would you like to sell your cakes and savouries here?

Selling at the market is easy, come along, fill in a form, pay a one-off fee of 5 pence (yes! 5p!), and you can then sell what you have made or grown. Come and have a chat over a cup of tea!

If you could help set up the market on Tuesday mornings, we start at just after 8am and open at 9.15. We also would like help when the market closes at 11am, putting away the tables and chairs.

The market offers hand-crafted greetings cards and jewellery, knitted clothing for all ages, decorative items made of wood including pens and bowls, locally grown flowers and plants, locally produced vegetables (depending on the season), meat, eggs, cakes, savouries, biscuits and jams.

There is free parking with tea and coffee available at a very reasonable price (with a biscuit too!) Every Tuesday, 9.15 to 11am, at Illogan Village Hall, Nance Lane, Church Town, TR16 4SW.

ILLOGAN WOMEN'S INSTITUTE

New to the village and want to meet like minded friends? Longing for adult conversation after a day of childminding? Recently retired and don't know what to do with your time? Or just want to enjoy a little '**me time**'? Why not come along to your local Women's Institute, a place where women of all ages can meet socially to share experiences, learn new or old skills and have fun! We meet twice a month, on the first and third Wednesday of each month. The meetings start at 7:30 pm and are usually held in Illogan Village Hall, Churchtown, Illogan TR16 4BB (unless otherwise stated).

Want to know more?

Contact Janet Mitchell on **01209 890512** or

NEIGHBOURHOOD WATCH

The National Fraud Intelligence Bureau (NFIB) has been alerted to a pension scam whereby cold callers continue to target members of the public in the 50 to 60 age group to release and transfer their pension early. Suspected firms who advertise and arrange pensions are offering investments in alternative commodities such as hotel developments or property in Cape Verde, and operate as unregulated collective investment schemes.

Often, the cold calling 'pension companies' involved are neither regulated or qualified to give financial advice and classify themselves as 'trustee' or 'consultants' or an 'independent advisor' and offer exceptionally high return for investors.

Some victims have signed documents that authorise a limited company to be set up using their personal details, including utilising a Small Self-Administered Scheme (SSAS). Whilst SSAS accounts and limited companies are essential for legitimate schemes, the fact that victims are unaware that this will happen suggests that the scheme may not have been fully explained to them, increasing the likelihood that there may be an element of fraud involved.

Protect Yourself: Further advice can be found at:

<http://www.fca.org.uk/your-fca/documents/protect-your-pension-pot> or

<http://www.thepensionsregulator.gov.uk/individuals/dangers-of-pension-scams.aspx>

Ensure that you request that the risks and growth rates are explained and that you fully understand them before transferring your pension. Check whether the pension arrangement company is registered with the Financial Conduct Authority. Registered companies can be checked using the FCA register online at <https://register.fca.org.uk>

Remember that if the offer is too good to be true, then it often is.

ILLOGAN PARISH FAIR

The Parish Fair Group have been working hard though a little under-strength as some of our organising team have stepped aside. So now is the time to step forward to ensure our Parish Fair on Saturday 14th July is once again a success. If you can help in any way, whether as part of the planning team or assisting on the day, then please get in touch on 843845. Thank you.

We love the variety of local organisations, exhibitors and attractions that come along so please think about what you do as a hobby and consider coming along as either an exhibitor or stallholder. Last year we also had a good number of local businesses support the fair by taking advertisement space in the programme, so if you would like to promote your business or organisation at the 2018 Parish Fair either in our programme or in some other way then please do get in touch and we can discuss sponsorship options. We have a website and facebook page or you can phone, whatever is easier for you.

Please note that we have not yet selected someone to open the 2018 fair. The only restriction is that it should be either someone from our Parish or someone who has done something significant for the benefit of the Parish. So if you would like to nominate someone please let us know and be sure to tell us why you are nominating them.

If you would like to help now or on the day or have something to exhibit please get in touch on 843845.

1st ILLOGAN SCOUT GROUP

"1st Illogan Scout Group goes from strength to strength"

Having marked our 30th Anniversary as a Scout Association last year we are delighted that 1st Illogan's three sections (Beavers, Cubs and Scouts) now have even more members attending each week. There are still some spaces so please do enquire about a place for your son or daughter.

Information received so far about the history of the group has told us that there was at least one Baden-Powell Scout Group in Illogan. The one we have heard about was called the 3rd Dutchy Baden Powell Group and met at the old village hall. Anyone with more details of Scout groups prior to 1987 should please get in contact and pass on your information so that we can complete the history of the Scout Group!

As for today's scouting, we are a fun, friendly and active Scout Group who enjoy a mixed programme of activities and games working towards a structured awards system that builds as you move through the Group. Beavers, Cubs and Scouts all complete similar awards but at different levels according to their age and ability. We do many traditional scouting activities; pioneering, map reading, walking and camping, as well as life skills such as first aid, Information Technology and local knowledge. During the winter months we have indoor sleepovers, games nights, laser tag and badge work and as spring arrives we go outdoors more enjoying family fun hikes as well as expeditions for the older members.

The Beaver Colony, Cub Pack and Scout Troop all meet on Thursday nights during school term time at the Village Hall. Beavers is for boys and girls aged between 6 and 8 years old and meet from 4-45pm until 5-45pm. Cubs is for boys and girls aged from 8 until 10 1/2 and meet from 6pm until 7-30pm and Scouts is for boys and girls from 10 1/2 until reaching their 14th Birthday and meet from 7pm until 9pm. After this age, Explorer Scouts are provided at a District Level until they are 18 years old with the local group meeting in Redruth.

There are still a few spaces available in all 3 sections and at only £25 per term, Scouting in Illogan still represents great value for money. Phone Neil Payne on 07899 800480 or email neil.payne13@gmail.com for your child to come along for three free taster sessions without obligation.

GIRL-GUIDING IN ILLOGAN

The autumn was a busy and happy one for all of the Girl-guiding units in Illogan, all of whom meet in the Old School Centre.

Our Rainbows (aged 5 to 7 and meeting on Wednesdays) welcomed some new young members and some adult helpers and had a fun packed term, with cooking, crafts and outdoor activities, including jumping in muddy puddles! We made lanterns and walked with them in the Christmas parade in Redruth, walked with the Remembrance Parade and celebrated fireworks night before ending our term with a great Christmas party. We still have some spaces for new girls to join us so if you have a daughter or granddaughter who would like to make new friends and have lots of fun please look at Girl-guiding's website and put her name down to join.

Our Brownies (aged 7 to 10 and meeting on Thursday) also had a fun term. We started the term by trying our hand at bowling which was hard at first but the girls quickly picked it up! We have tried our hand at lots of new craft activities, attended the Remembrance Parade, paraded our Christmas lanterns and passed our First Aid badge thanks to the great instructors from RNAS Culdrose.

We ended our term with a visit to the panto in Truro and a lovely Christmas party.

Our Guide and Ranger group (aged 10 upwards and meeting on Wednesdays 7 till 9) are growing in number and have had a really action packed term as they challenged themselves to raise money for Cornwall Air Ambulance by doing 30 things – but being Guides they decided to do thirty lots of thirty things!! These have been as diverse as walking 30 kilometres, doing 30 minutes of different exercise regimes, running a wonderful coffee evening for family and friends, making and selling keyrings, sampling food from 30 different countries whilst saying hello in their languages, and many more things – the generosity of family and friends and the hard work of the girls meant that we raised an amazing **£400** which we are going to present to the Air Ambulance at their Open Day on 18th February.

We also attended the Remembrance Parade, and passed our Heartstart First Aid badge. We enjoyed a winter night walk in the woods at Tehidy, building dens and toasting marshmallows!

We are always delighted to welcome new girls and extra delighted to welcome adults who would like to join us in volunteering to help these girls to try new experiences, have fun and make friends.

Just log on to Girl-guiding and enter your details and we will contact you!!

GARDENER'S CORNER – *Courtesy of Trevenson Moor Garden Centre*

This time of year is one of the most exciting in the garden as we say goodbye to Winter and begin to feel the first signs of Spring, the garden beginning to come to life again with gradually increasing amounts of light and warmth.

If all goes to the seasonal weather plan (ha!) March sees in the 'official' start to Spring with further increases in light and temperature.

Main jobs will include:

- keeping on top of weeds as they make a comeback
- freshen up containers with new compost
- plant summer flowering bulbs
- lift & divide clumps of perennials
- open greenhouse and conservatory doors and vent on warm days
- mow the lawn on dry days (another ha!)

Into April and the Spring there is now evidence of daffodils and flowering trees starting to bloom (although depending where you are we had daffodils in flower in December, so what do we know !!).

It's an exciting time with indoor-sown seeds well into growth and its also time to start sowing outdoors – although watch out for late frosts!

Time to:

- sow hardy annuals and herb seeds
- feed shrubs and roses
- tie in rambling and climbing roses
- sow / repair lawns and bare patches
- protect fruit blossom / tender plants from late frosts
- keeps those weeds under control

During May, Spring bulbs may well start to fade and herbaceous borders start to grow, signs that summer is approaching. With an eye on the weather, sowing and planting out bedding can now begin - It's also time to get back into the lawn mowing regime as the lawn will be loving the warmer temperatures this month brings.

- watch out for late frosts and protect tender plants
- earth up potatoes and plant any still remaining
- plant out summer bedding at the end of the month (check temperatures)
- collect rainwater and investigate ways to recycle water for irrigation
- regularly hoe off weeds
- open greenhouse vents and doors on warm days
- mow lawns weekly
- check for nesting birds before clipping hedges
- lift and divide overcrowded clumps of daffodils and other spring-flowering bulbs
- watch out for viburnum beetle and lily beetle grubs

This period is definitely the best time to enjoy a Cornish garden so don't forget to take time to make the most of this wonderful season.
