

ILLOGAN PARISH REVIEW

Free!

Welcome to Issue 40, Autumn 2018 Edition

of the Illogan Parish Review. Information is included about what is going on in the Parish from
1st September to the end of November 2018.

CENTENARY ANNIVERSARY OF THE ENDING OF THE GREAT WAR

They shall not grow old, as we that are left grow old;
Age shall not weary them, or the years condemn.
At the going down of the sun and in the morning
We will remember them

Please see Page 4

With compliments of Illogan Parish Council

CHAIRMAN OF THE PARISH COUNCIL

COUNCILLOR MARGARET ROBERTS

Congratulations to the organisers of the Summer Celebrations in Illogan. The PTA who proved that when asked, the parents and school could provide a day of activities second to none. It was just like an old fashioned tea-treat. Led by the Illogan Sparnon Silver Band, the children in their summer clothing with beautiful sashes danced through the village behind the Illogan Sparnon Silver Band to a tune specially composed by the band master. The sun shone and the school field was a welcome sight with lots of stalls and tea treat buns. A large sum of money was raised with raffles etc. for the school and Children's Hospice South West.

The next big event was the Parish Fair and as usual the dedicated committee were rewarded with a good turnout. This year the fair was opened by the new Head of Illogan School, Jo Knuckey. A big thank you must go to everyone involved as these things don't just happen they take a lot of planning.

The next thank you must go to the team who have been working hard on the neighbourhood plan. It is to be hoped that Cornwall Council now take it into consideration when making planning decisions.

CORNWALL COUNCILLOR –

COUNCILLOR DAVID EKINSMYTH

Hello again. I am still finding it hard to believe that this incredible summer weather has lasted so long! Although a little too warm for some it has enabled our community to hold its two major events in perfect conditions, I refer to the Parish Fair and Illogan School Summer Fete. Both were very successful and I was delighted to be able to meet so many of you and have a chance to chew over matters in the Parish. I always value these more informal contacts and learn a lot from them. My thanks as always to all the volunteer helpers that work so hard to ensure the success of these events. In the current climate of severe cuts on all public services and bodies volunteers are vital to the smooth running and indeed maintenance of so much.

Speaking of volunteers my thanks to those who signed up to the Community Speed Watch Team at the Fair. As you will have seen we now have our own gear and it is my intention to start again in the Autumn. Training will be provided to all volunteers. We could do with a few more people in the team so do get in touch with me to discuss it further. We need to take action to ensure our roads are as safe as we can make them and this is one significant step in the right direction.

Interesting news from Cornwall Council includes:

- progress in the discussions with Government Ministers over the second phase of the Devolution Deal and you can check this out on the Cornwall Council Website under "New Frontiers"
- the first phase of the pledge to build 1000 new houses by 2020 is under way and one test site can be seen at Tolvaddon. These are social housing schemes mainly for rent but built to a higher specification than is usually provided by commercial developers.
- Agreement with Virgin on the development of a Spaceport at Newquay Airport that will bring high technology jobs and a boost to our local economy if it all comes to fruition.

VANDALISM AND ANTI SOCIAL BEHAVIOUR IN ILLOGAN PARK

The Parish Council are concerned that there have been a number of incidents of vandalism at the Park. In one such incident vandals had set fire to the new bench in the Children's play area; it will cost taxpayers £100 to replace the damaged plank.

Please contact the Police immediately if you witness any vandalism and as soon as possible afterwards, contact the Parish Council to advise them of what you witnessed. Contact details for the Council can be found on the back of this Parish Review. Please see below the message received from the Police.

MESSAGE FROM THE POLICE

Police have been informed of some anti-social behaviour and damage caused in Illogan Park. The park is a great area for families, sports teams, dog walkers etc, to enjoy and any unacceptable behaviour will be addressed and dealt with.

Police will patrol the area when possible though should you witness any behaviour that causes harassment, alarm and distress please call Police straight away using the 101 or 999 phone number.

The 999 number should be used in an emergency and 101 is the non-emergency number.

You should use 999 if;

- A crime is in progress
- Someone suspected of a crime is nearby
- If there is danger to life.
- Violence is being used or threatened
- It's an emergency

If you do not need an emergency response then you should call 101 or use our online reporting form on our website

HIGHWAY CONCERNS

There continues, at an ever increasing level, concern as to the safety of the road leading from Illogan Downs to Penpraze, from the edge of Park Bottom through the Merrose Lane End junction past East Lodge towards Gwel an Mor.

Currently, there is no speed limit from Rosenannon Lane outwards and there are no paved pedestrian footways.

Over the years, there have been a number of collisions along this stretch and many of us have been witness to these. There have been two in the last three months, fortunately not serious enough to cause injury or death. So, for instance, it is not clear yet whether the incident reported to the office by a member of the public in July has involved the police service.

There are suggestions – apparently undergoing a further review – for a roundabout or such-like at the Merrose Lane End junction. At the moment three out of the four corner verges are being kept cut and clear by the neighbouring property owners.

This is a situation needing informed and constructive "data" as well as robustly argued suggestions. One way of achieving this will be by means of various monitoring devices: there have been a few such surveys done here over the last thirty years or so.

Accordingly, Illogan Parish Council is asking you please to share all "experiences" along this road – preferably as quickly as possible at or after the event. In particular, we are concerned to know about "near misses" and occasions not involving police attendance. The information will be "anonymised" but will be used to inform any efforts to control this increasingly worrying situation. Contact either/both the Office and/or a local Councillor; the details are listed on the back of this review.

PLEASE DO RESPOND AND SHARE THIS INITIATIVE - THANK YOU

REMEMBRANCE DAY

As the evenings draw in we think of annual occasions and this year is no different when our thoughts turn to those who gave their lives in both World Wars and subsequent conflicts. This year is particularly significant as the Centenary Anniversary of the ending of the First World War.

We are currently knitting poppies to create a panel to be laid at the Remembrance Parade through the village in November 2018 and are looking for people who could knit poppies and contribute to this event. It could represent a member of your family perhaps or any of the unknown soldiers, airmen, sailors both merchant and royal from Illogan. We wish also to knit poppies to represent the many animals killed in war. These poppies are purple, whilst those representing the Fallen Dead are of course reds of many shades.

If you would like to be part of this project please contact Cllr Maggie Thompson 0209 844754 for the pattern. It would be helpful if the poppies could be finished by October 18th so that the panel can be created.

ILLOGAN SCHOOL SUMMER CELEBRATION

by Steve Richards, Chairman, Illogan School PTA

A big thank you to all the residents of Illogan, parents, children and volunteers for supporting the inaugural Summer Celebration dance. I suffered some sleepless nights beforehand, but everything went very well.

The children danced to new music, composed by Shaun Marsden, wonderfully played by Illogan Sparnon Silver Band. It was nice to see so many people lining the streets. It has been decided to make this an annual event. Several people mentioned that they were pleased that Illogan had its own dance.

When the children arrived at the school, everyone was given a drink and a tea treat bun. Then everyone made their way to the school field and playground, which were packed with 54 different stalls and attractions. We had a fabulous raffle, special thanks to Shaun's sheds for supplying the star prize. The weather was glorious, and it was lovely to see so many smiling faces, young and old.

Although the event was put on by Illogan School PTA, we decided along with the School Council to support Children's Hospice South West as well this year, and we were able to present the Hospice with a cheque for £786. We also made a profit of £1800 for the PTA.

Finally, a special thank you to Illogan Parish Council for their help and guidance, and to Chairman, Margaret Roberts, for starting the dance.

We are planning our Christmas Fair and would like to see you all there; we usually have a fantastic evening.

'ILLOGAN SCOUTS ACHIEVE 'BEST IN DISTRICT'

What a year it has been for the 1st Illogan Scout Group! After many changes and additions to the leadership team, the Scout Troop were awarded the Trefula Shield for the best Scout Troop in the District for the recent academic year. Their achievement was based on the variety and entertaining nature of the programme delivered by the Leadership team and is a credit to them all. The scouts have enjoyed a whole host of adventurous activities, from camping in a private woodland without water, shelter or support, to kayaking, archery, walking from coast to coast of Cornwall (in 16 hours!), orienteering in Tehidy Woods, beach safety and a night hike to the top of Carn Brea at 4 am for the sunrise! All in all an excellent year for all concerned. Two scouts were presented with their chief Scouts' gold award, the highest award for scouts. Not to be out done, the Cub pack also had two Cubs awarded their chief Scouts' Silver award and one Beaver Scout his Chief Scouts' Bronze award during the year. Well done to Lucas, Jakob, Ruby, Adam and Alex!

There are still a few spaces available in all 3 sections and at only £25 per term, Scouting in Illogan still represents great value for money. Phone Neil Payne on 07899 800480 or email neil.payne13@gmail.com for your child to come along for three free taster sessions without obligation.

ILLOGAN PARISH FAIR

This year's Parish Fair was probably one of the hottest in recent years and so it was that the sun shone, the people came and a good time was had by all. The Parish Fair Project Group was once again delighted with both the turnout and the number of exhibitors and stallholders that came along to support the annual Fair. Our sincerest thanks go to all of you who helped out in so many ways this year and to those who came along to enjoy the Fair our sincere thanks too. Your generosity meant that we were once again able to give 4 local charities and good causes a much needed financial boost, as well as providing many of other charities and good causes the chance to raise funds.

Cllr Margaret Roberts, Chair of our Parish Council presided over the opening ceremony and after a few words of thanks handed over to this year's guest of honour, Jo Knuckey, the new Head of Illogan School who declared the Parish Fair open. In the afternoon our guests, together with the Horticultural & Domestic Show Organiser, Monica Wilkes, awarded the show cups and later presided over the Prize Draw raffle.

The Horticultural and Domestic Show was heralded as a great success once again with another impressive number of entries especially from younger members. We are very grateful to Illogan School for agreeing to host this part of the Fair. A full list of winners can be found on the Illogan Parish Fair website.

The entertainment programme was full and varied and we are grateful to all of the artists for their contribution to our special day. The hard work of the project group members should also be acknowledged. Once again their collective efforts have resulted in a show that any community would be truly proud of. The main project group members this year comprised Michelle Costello, Sylvia Mason, Sue Pavey, Steve Richards, Jeanette Tapping, Steve Turner, and Monica Wilkes. We are, of course, extremely grateful to all our other helpers too, too many to list here, but who gave varying amounts of time and whose contributions were vital to the success of the event. They performed wonders with setting up and packing down, refreshments, chaperoning, stewarding and general support. The Parish Fair Project Group members are extremely grateful to all these people and also to Illogan Parish Council for their ongoing help and support of councillors on the day.

Next year's Fair is less than a year away and planning for 2018 has already begun. If you are reading this and are thinking that you could help out in some way (even if it's only for an hour on the day) then please do get in touch now and register your support with us. The more people like you that offer to help with the Fair the better event we can put on. It's your Parish, it's your Fair and it really does need your help. 01209 843845.

CENTIPEDE CLUB

Why don't you come and join in our Centipede Club at Illogan Village Hall 10-12pm every Monday (except bank holidays). This is a social health club initiative which provides community-based treatment, health promotion, education and ongoing care for people of all age groups. The District Nursing Team currently host a leg ulcer clinic, there have been sessions on managing diabetes and we look forward to exercise and strengthening classes provided by the Physiotherapy Team.

We are delighted to be joined by the military veterans from Active Plus who are running a programme of events including fire safety, first aid, table-top activities as part of their Active Plus Communities programme that is funded by the Big Lottery Fund. Active Plus have a workforce of military veterans, many of whom are injured. The Company ethos is about helping yourself through helping others.

We would love you to become involved to help us grow this service to promote the health and well-being of our local community. For further information please contact Mike on: 07535803660. NEIGHBOURHOOD WATCH

TV PROVIDERS DISCOUNT FRAUD

The National Fraud Intelligence Bureau (NFIB) have noticed an increase in Action Fraud reports where fraudsters are offering a discount on Television service provider subscriptions. Fraudsters are cold-calling victims, purporting to be from a Television (TV) provider offering a discount on their monthly subscription. Victims have been told the following: their subscription needs to be renewed; that part or all, of the TV equipment has expired and they are due an upgrade on the equipment/subscription. In order to falsely process the discount, the fraudster asks victims to confirm or provide their bank account details. The scammers may also request the victim's identification documents, such as scanned copies of passports.

The fraudsters are using the following telephone numbers: "08447111444", "02035190197" and "08001514141". The fraudster's voices are reported to sound feminine and have an Asian accent. Later victims make enquiries and then discover that their TV service provider did not call them and that the fraudster has made transactions using the victim's bank account details.

This type of fraud is nationwide. Since the beginning of this year (2018), there have been 300 Action Fraud Reports relating to this fraud. From the reports received, victims aged over 66 seem to be the most targeted.

What you need to do

- Don't assume a phone call or email is authentic: Just because someone knows your basic details (such as your name and address or even your mother's maiden name), it doesn't mean they are genuine. Criminals can exploit the names of well-known companies in order to make their scams appear genuine.
- Don't be rushed or pressured into making a decision: a genuine company won't force you to make a financial decision on the spot. Always be wary if you're pressured to purchase a product or service quickly, and don't hesitate to question uninvited approaches in case it's a scam.
- Stay in control: Have the confidence to refuse unusual requests for personal or financial information. Always contact the company yourself using a known email or phone number, such as the one written on a bank statement or bill.

Visit Take Five (takefive-stopfraud.org.uk/advice/) and Cyber Aware (cyberaware.gov.uk) for more information about how to protect yourself online.

ROGUE TRADERS—CORNWALL

This is a message for residents to make you aware that we have received reports in the Redruth and Truro area of rogue traders cold calling offering gardening work.

Excessive amounts have been charged for little to no work.

Please do not agree to work offered by unsolicited doorstep callers, the risks are high.

Take time to get recommendations from friends/family, get quotes from reputable businesses you trust and make your decision on who to use in your own time.

If you are concerned someone is at risk, always call the police.

If you are concerned rogue traders are operating in your area, always report it.

If someone knocks on your door and you are not sure, don't open the door.

Please phone 101 if non-urgent quoting log 792 1 July 2018, or 999 if immediate/or a crime is taking place.

DUCHY COLLEGE

Double Celebration as Thousands explore Campus

A record number of visitors enjoyed a free day out at Duchy College Rosewarne's annual Open Day at the end of June. Over three thousand people, including their four-legged friends, joined staff and students at the picturesque rural campus to find out what exactly goes on behind the College's gates.

However, it wasn't just the number of visitors that made the event memorable it was the number of years the College has been at the 100 acre Rosewarne site.

This year marks the 25th anniversary of Duchy College Rosewarne providing unique courses that initially were land and animal based and now include a diverse range of subjects including teacher training and counselling.

Before the College took up residence at Rosewarne in 1993 the land was used as an Experimental Horticulture Station for trials of flowers, vegetables and fruit. Andrew Tompsett, one of the former Deputy Directors of the station, joined the celebration and gave a wonderful overview of the rich history of Rosewarne before planting a commemorative tree. Andrew explained; "I had a wonderful time here working with many fantastic colleagues and research projects. After it was closed in 1989 it was great to see the doors reopen as a college."

ILLOGAN WOMEN'S INSTITUTE

You're never too old to learn a new skill or to make new friends. Here at Illogan WI we work together to help each other achieve our goals, we are ladies of all ages, backgrounds and abilities.

We learn, laugh and experience new ideas as a group. If you'd like to visit without obligation, you would be most welcome to join us to see for yourself what we do.

We meet on the first and third Wednesday of every month at Illogan Village Hall, Churchtown, Illogan TR16 4BB at 7.30 p.m. unless otherwise stated.

ILLOGAN BOOK CLUB

The Book Club meets monthly on the last Thursday normally, 7.30pm – 9.30pm. It currently has 8 members but all are welcome. Members take turns at hosting the event in their homes and they provide refreshments.

Redruth Library staff provide an excellent service by ordering the books requested by us. The huge list of titles available to all Book Clubs is given and up to a dozen or so books of each title are lent free of charge.

Every 3 months members tick off any choices and those titles go on the computer request list. Although we sometimes have to wait longer for more popular titles there is always something ready to collect each month for us to read and discuss. Lively debate usually ensues at each meeting with often follow up wider discussion on themes in the book.

Members all find new authors to read in this way, some being recommended by members who have already read a title or are familiar with other work of the author.

New members are always welcome; for further details please contact Maggie Thompson on 01209 844754

CAMBORNE & REDRUTH LIVE AT HOME SCHEME

Are you aged 60+? Would you like the opportunity to meet up and socialize with others over a nice cup of tea and a biscuit, or perhaps on a trip out or a Sunday lunch? We can help...

Camborne & Redruth Live at Home Scheme offers social activities in the Camborne, Redruth, Illogan and Helston areas for its members aged 60+ to help combat social isolation and promote independence. We have weekly friendship groups, a weekly carpet bowls club, monthly trips out on a Thursday to places of interest and monthly Sunday lunches at local venues. We also have some other ideas planned for the future.

Why not come along to the **Illogan Friendship Group** to see what we are all about? The first session is free, with no obligation to become a member. The friendship group is held in Chywoon Gardens Community Room (Guinness Trust Partnership off Higher Broad Lane) every Tuesday from 10.00 am to 12.00 noon. At the friendship groups we have guest speakers on various subjects, singers and music groups, bingo, flower arranging, visits from companies of interest, slide shows, magicians and lots more.

If you would like further details, please give us a call on 01209 719062 or send an email to camborne.liveathome@mha.org.uk.

WHAT'S ON AT ILLOGAN VILLAGE HALL

by Stephen Turner

Village Hall News

As the summer rolls into Autumn a number of you will be wondering if there will be any plays or other entertainment on at the hall. I pleased to be confirm that there will indeed be two plays including Caryl Churchill's 'Escaped Alone' as performed by Touch Theatre on 1st September and then we have the Illogan Players Christmas Variety Show nearer later in the year. Please join Illogan Village Hall facebook page or keep an eye out in the local shops for event posters.

Illogan Village Hall remains a great venue that is home to many clubs and organisations who cater for a wide range of ages and interests. Whether it's yoga, health, arts or crafts there's a variety of things you could take part in, so why not make contact and give one a go?

Hire of the Village Hall

The Village Hall is a welcoming, warm and friendly retreat and is available at weekends for birthday parties and other social events. It only costs £30 to hire the main hall (including kitchen) for one off events for either a morning, afternoon or evening 4hr session. To book or for more information contact Sue Skewes on 843575.

If your organisation would like to meet regularly at the hall (i.e. once a month) the cost of the hire is reduced to only £15 per session. Please phone 843845 in the first instance to discuss your needs or to find out more about the regular activities which take place each week.

Please feel free to use this service

THE OLD SCHOOL CENTRE

2018 has been a good year so far with new bookings coming in for regular groups and for training events.

We have a number of children's groups using the Centre including the Guides, Brownies, Rainbows, a Sing and Sign Group for babies and toddlers, a Bopping Mums Group, and several Home Education Groups including 'Cornwall Techie Tinkers' (Science, technology, video games).

During the Summer, our new Garden Shed was installed funded by the COOP Community Fund and Redruth Charity Trust.

PLAYGROUND YEARS PROJECT

Our Playground Years Project recently celebrated the Heritage Lottery Funding by using some of the new equipment purchased to screen our 9 minute Trailer to advertise the Project. The screening was an invitation only event for all those who took part in some way. We are delighted with the results and those who have seen it enjoyed it. Our thanks go to Cornwall based film makers Kieran Brimson and Bob Berry who gave their time and expertise.

The film was made possible through the generosity of Cornwall based film makers Kieran Brimson and Bob Berry and gives an insight to Illogan School days experienced during the 1940s to 1960s.

Ex pupils were invited to talk about their memories, and present day Illogan School pupils donned 1940s costumes to replicate playground games.

The Old School Centre's Manager, Jeanette Tapping stated 'in 2010 we were given a set of photographs of Illogan School days dating from the 1950s to 1970s that had been held in safe keeping by the Old School's last Head Master, Mr Luke'.

Mr. Luke's collection was brought to the Centre by June Jervis, one of the Old School's ex dinner ladies whose husband, Ray recalled a memory of standing in the Assembly Hall looking out the window at planes coming in to bomb Portreath Air Field during WW2. 1950s photos of the Assembly Hall filled with children sat at their desks making Christmas Lanterns and Chains brought the history of the building alive.

Since 2010, The Centre has displayed the photos at Open Days and the collection has grown and now also includes ex Head Master Mr Stone's collection. With more images and memories of the Old Illogan School being given to the Centre each year the Trustees decided, in 2014, to preserve them for future generations as The Playground Years archive.

Jeanette stated, 'with the help of Azook in Redruth and volunteer Archivist Maria Roskrow, we have digitized and recorded all the initial stock of photos. The HLF grant will enable us to continue this work at The Centre and to show them to the public. We are planning a longer documentary film once we have obtained funding.'

The first public showing of the film will be during our Community Hub Day, Saturday October 13th between 10am and 2pm. We would love to talk to you about getting involved in the Playground Years Project. Starting in the Autumn, we will have set dates to bring in images for scanning.

To find out more about the Playground Years Project or to get involved contact 01209 842999 or email oldschoolcentre@outlook.com or visit the Centre on Community Hub

ADVANCE NOTIFICATION

2018 CHRISTMAS LIGHTS SWITCH ON EVENTS

Father Christmas is booked to attend the events, and Illogan Parish Council are busily organising all the Christmas Lights Switch On Events to be held in 2018. The events will be held a week earlier this year and will begin earlier at 6.15pm with the lights being switch on at 6.30pm. Please save the following dates in your diaries, we would love to see you at the Switch On Events:

Tolvaddon Christmas Lights Switch On Events outside of Adelaide Stores on Thursday 29th November 2018.

Illogan Christmas Lights Switch On Event at The Platt, Manningham Wood on Friday 30th November 2018.

Park Bottom Christmas Lights Switch On Event outside of the New Inn on Saturday 1st December 2018.

Please note that there will be various road closures in place for the Illogan and Park Bottom events. The households and businesses that will be directly affected will receive a leaflet through their door. Further information will be displayed in the Winter Edition of the Illogan Review or alternatively, if you are too excited to wait, you are welcome to contact the Council Office on 01209 711433 or email: enquiries@illoganparishcouncil.gov.uk

The Minor Injuries & Primary Care Unit is open every day (including public holidays) between 8am and 10pm with a Doctor being present most days from 11am.

The Urgent Care Centre for drop-ins is open 11am to 7pm. Staff aim to see patients as quickly as possible and generally waiting times are less than in an A&E department. If your injury is not serious, you can get help at an MIU, allowing A&E staff to concentrate on people with serious, life-threatening conditions.

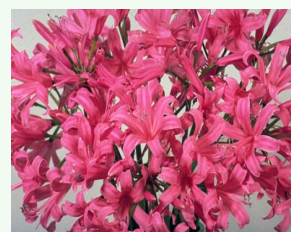

The Radiology (X-Ray) department is open Monday to Friday from 9am to 8pm and Saturdays and Sundays from midday until 6pm. Closed for lunch between 1 - 2pm.

TREVENSON MOOR GARDEN CENTRE

As you may be aware, the owners of Trevenson Moor Garden Centre have retired. A very big 'thank you' to them for the articles they have provided over the last couple of years. We wish them well in their retirement!

GARDENER'S CORNER by Andrew Tompsett

September is usually a beautiful month, a time to rest and enjoy the gradual shutting down of the summer season. Although many of our ornamentals are past their best there are several that are at their prime. Among these I would include nerines, Michaelmas daisies and Japanese anemones and the lovely shrub *Abelia* which in my garden usually attracts the wonderful humming- bird hawk moth.

However, there are still important jobs to do!

In the flower garden:

Order your spring-flowering bulbs, especially daffodils which do best planted early. Tulip bulbs may be planted any time up to November, but do store them properly so they don't root in the bag. Prepared hyacinths will have been cold stored for early flowering so it is essential to pot them early and keep them cool and damp with some heavy gravel on top to prevent the bulbs lifting up as the roots grow. Now is the time to take cuttings of *Osteospermum* (African daisies) given winter protection these can replace your older plants which may be frosted next winter. Roses may have straggled over your pathways so cut them back and prune any bush roses so that they are not rocked by winter gales.

Vegetable garden

Sow lettuce seed in trays or cells using winter-hardy Winter Density or Winter Gem. You will enjoy these in April. Protect from slugs. Dig over some soil to sow Broad beans variety Aquadulce in October. Clear old runner bean plants and manure the ground to grow them again in the same place. This is a crop not requiring rotation so leave the posts where they are.

Fruit garden

Raspberries - There are two kinds: Summer fruiting ones (known as Floricane) need all old canes to be cut away leaving the new leafy ones. Autumn fruiting varieties (known as Primocane) need all to be cut down now. Raspberries are wonderful and bees love the flowers.

Greenhouse jobs

Allow tomatoes to go on producing as long as possible. When they are finished, clear out promptly and clean the greenhouse thoroughly. Prepare good soil for next year's crop as old tomato soil will often contain root disease.

Enjoy your gardening!
