

ILLOGAN PARISH REVIEW

Free!

Welcome to Issue 49 Spring 2022 Edition

of the Illogan Parish Review. Information is included about what is going on in the Parish from
March to May 2022

With compliments of Illogan Parish Council

CHAIRMAN OF THE PARISH COUNCIL

COUNCILLOR DAVE CRABTREE

This is my last report as Chairman of Illogan Parish Council and it has been an honour to be in the position for three years, even with all the challenges that Covid threw into the mix.

It is only right that I also thank all my fellow Councillors for their support during these extraordinary times and especially our new Councillors who have provided some new ideas and helped to move projects forward.

It may be over four months since the events but was rewarding to see so many people attend the Christmas light switch on events and the Camborne Youth Band leading the Illogan Lantern Parade. The wonderful atmosphere created was enhanced with Santa appearance and participation.

Three major projects have been carried out during the last two years, the refurbishment of the changing facilities, the new public toilets and the closure of the Parish Council Office in Tolvaddon as the lease was due for renewal therefore, we relocated into temporary accommodation whilst we progressed with acquiring our own building in a central location.

Unfortunately, the opening of the new public toilets has taken longer than anticipated due to the waiting time for a contractor to be able to rectify some drainage issues, however after many years of having unuseable facilities a few extra weeks is not going to make much difference.

The new Parish Council Office and Community Room is on order and should be in situ by the summer along with new parking facilities and a perimeter path around the park so that it is accessible to everybody.

May I finish off by also thanking the Clerk, Sarah for her help throughout, even though she had two sons within the last three years.

CORNWALL COUNCILLOR

COUNCILLOR DAVE CRABTREE

It does not seem possible that it is nearly a year since I was elected to represent the residents of the Illogan and Portreath Electoral Division and I must admit, I have learnt a lot since May 2021 and had some interesting challenges.

Last year I arranged for speed monitoring equipment to be installed in Alexandra Road, Illogan and Clifton Road, Park Bottom, as it was revealed that 25% of vehicles on Alexandra Road and 50% of vehicles on Clifton Road exceed the speed limit. The Police are aware of the main periods when excess speed occurs and will be using this to make best use of their resources. I am seeking volunteers to help with a Speedwatch in the area, where the initial training is carried out online and will require a minimum commitment of a couple of hours per month. If you are interested in helping, please contact me.

I am currently negotiating with both Cormac and Coastline for improvement work to be carried out in the Coronation Road/Oxland Road area which has suffered through years of neglect. It is hoped that there will be a realignment of the junction of Bridge Road and Church Road soon so that buses are no longer using the wrong side of the road.

The charging to park in Tehidy Woods has caused great upset amongst locals, who account for 88.8% of visitors and I have strongly opposed this tax on the local community, many who use it for their daily exercise. As the local member I was not notified that this consultation was going to take place and have asked for this proposal to be withdrawn. Hopefully by the time this is published this should be confirmed.

Illogan Summer Celebration, Saturday 9th July

After two years we can at last hold our Annual Event. This year, we have what we think is going to be the best yet.

On stage we have two great tribute acts, Beautiful South West, and Mr & Mrs Blue Sky (ELO).

Also, we are very excited to have the Pirates of St Piran doing all pirate stuff, Sea Shanties etc. On the day there will be prizes for the best dressed child and adult Pirate.

There's plenty more to see, there are going to be lots of market stalls and local charities. Displays from Archery to 4x4 rescue, local emergency services etc.

We have a great Fair coming with all their fantastic rides, great refreshments from BBQ to cakes and other yummy things to eat and drink.

We also will be holding our brilliant raffle with lots of great prizes. Tickets will be on sale before the event and also available to buy on the day.

The day kicks off at 10.30am outside the entrance to Manningham Woods, where the children of Illogan School will dance, led by Illogan Sparnon Band, to the school field.

So please save the date in your diary, come along and have a really great day out. And don't forget your Pirate costume!

CORONATION ROAD/OXLAND ROAD RESIDENTS SURVEY

Following discussions with Coastline and Cormac regarding the current conditions of the verges and the parking situation, there are four options available to residents and this your chance to have your say on your preferred option.

1. Remove verges and create parking bays
2. Remove verges and replace with dropped kerbs to provide off road parking in front gardens
3. Install a One-Way system around the estate with parking bays marked on the road and verges restored
4. Leave the verges as they are now

Have your say by emailing your preferred option to cllr.david.crabtree@cornwall.gov.uk along with your property number and road.

Commemorative Bench for the Queen's Platinum Jubilee Commemorative Bench

Illogan Parish Council will be purchasing a bench with a plaque to commemorate the Queen's Platinum Jubilee. The bench will be placed on The Platt at the entrance to Manningham Wood. The Council are keen to hear your thoughts on where on The Platt the bench should be placed.

Please email enquiries@illoganparishcouncil.gov.uk and let us know where you think it should go.

Parish Council Office and Community Room

If you have any queries, or would like to discuss the Park, please do not hesitate to contact the Council.

Public Toilets

The public toilets have been installed in the Park. The repair works to the existing drains have taken longer than expected due to the contractor's workload. It is hoped that the toilets will be open for use at the beginning of June 2022.

Parish Council Office and Community Room

Planning permission has been granted for a Parish Council Office to be erected in the Park. Contractors have been appointed. It is hoped that the Office will be complete and open to the public by the autumn of 2022.

Changing Facilities

The changing facilities received a complete refurbishment during late summer 2021. The refurbishment has greatly improved the look of the changing room from the outside. It has also made the facilities much more usable internally. The Changing Rooms will continue to serve the local Football and Rugby Teams for many years to come.

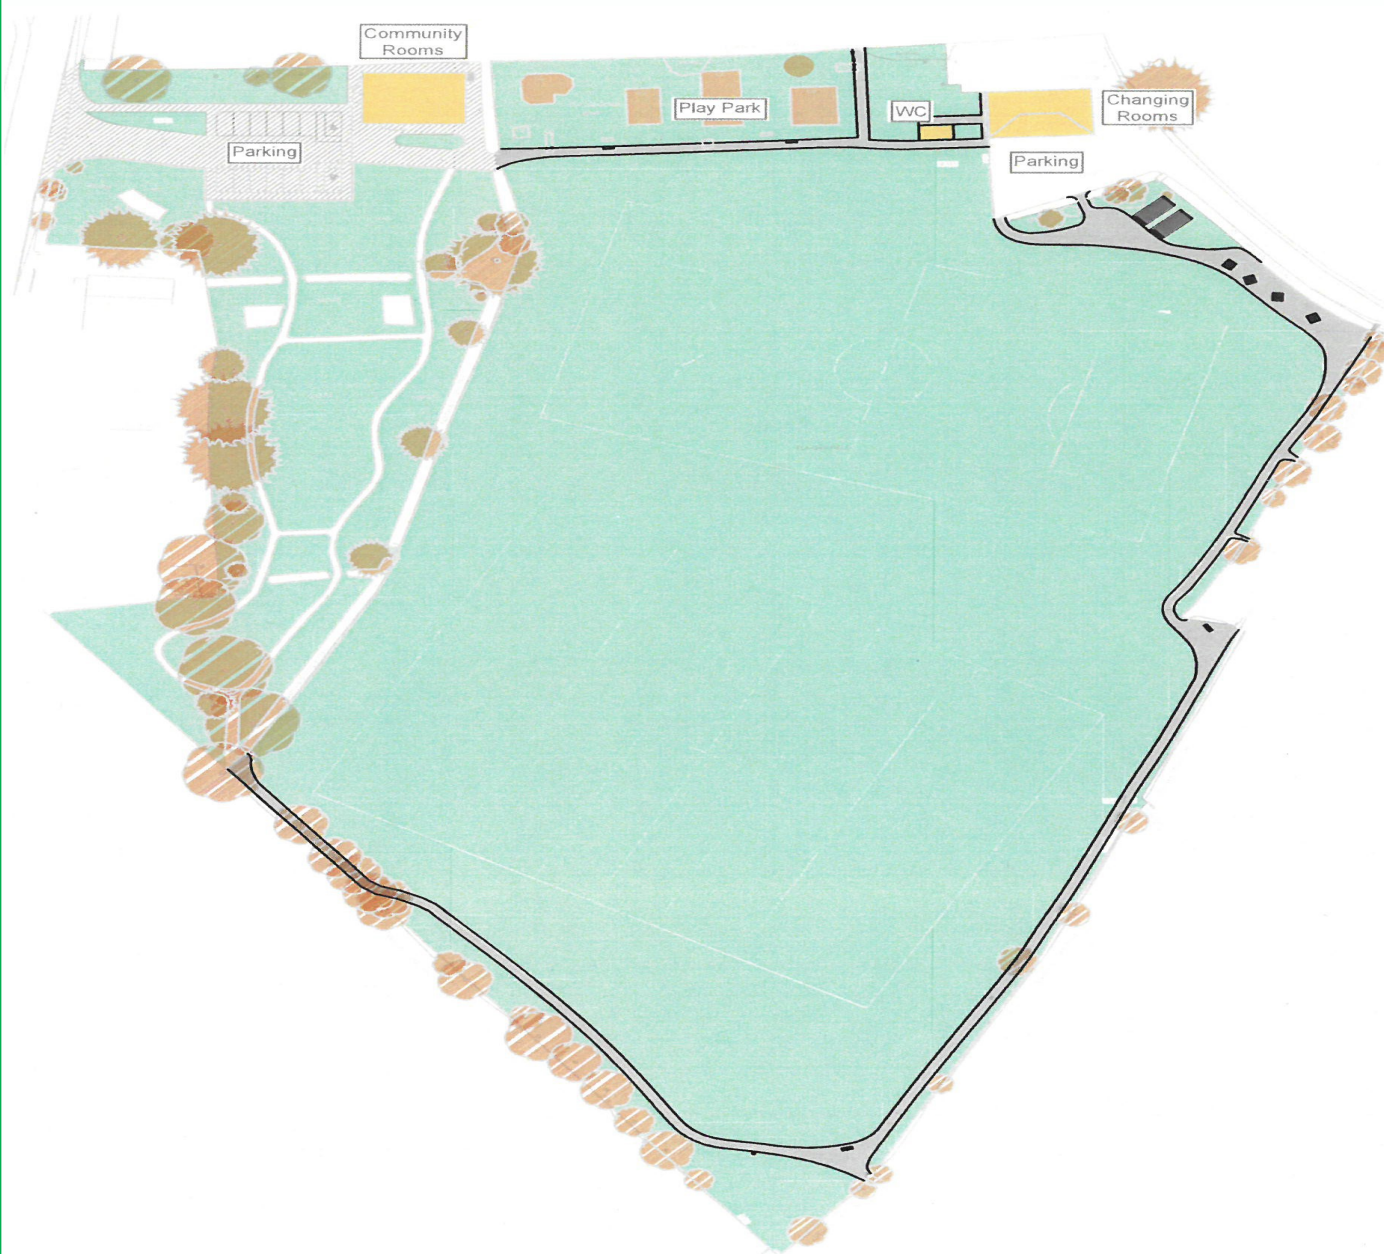

Perimeter Path

Tenders are being sought for the installation of the perimeter path and associated seats and picnic benches. It is hoped that a contractor can be appointed and the work completed so that the benches and seating can be enjoyed through the summer months.

The scheme comprises a 1.7-metre-wide tarmac pathway generally following the eastern and southern boundary of the park.

At the Paynters Lane End entrance there is a wider section of surfacing to provide an area for seating with staggered picnic benches. This will offer a full view of the park across both playing pitches. Running down the eastern side of the park the footpath will pick up the entrances to Sunnyside Park. Two of the entrances will have larger tarmac hard standing to allow for 2 seating benches. The southeast corner of the park where it joins the footpath off Spar Lane will be left as is due to the high-water table and poor drainage. The pathway continues along the southern boundary meeting up with the existing tarmac pathway in the formal part of the Park. To the northern side of the Park we will extend the new WC block access pathway along the front of the children's play park providing safe level dry access across the site. A small link section of pathway will be added to the rear of the WC block to aid access for cleaning.

The Queen's Green Canopy

On Saturday 29th January 2022 Illogan WI along with Illogan Scouts, Cubs and Beavers planted a Native Bird Cherry Tree in the grounds of the Village Hall as part of the Queen's Green Canopy project to celebrate her Platinum Jubilee.

The tree was kindly donated by Andrew Tompsett who had propagated it from a cutting from an old Bird Cherry growing in the local churchyard. Andrew supervised the planting assisted by the Scouts and the WI.

Following the planting the WI served refreshments in the village hall to all those involved and guests. Andrew gave a short talk on the importance of trees and the ongoing care needed for our tree.

Thanks to all of those involved especially to Andrew and Illogan WI who organised the event.

Grapevine Community Church, March 2022

This Spring we were so blessed to be back in our building in Broad Lane, Illogan. Since lockdown our services have been livestreamed and can be accessed on our Facebook page each week. We extend a warm welcome to everyone to join us in person at the church, as well as online. During the week, Grapevine Church runs a varied programme of activities for adults and children and we can guarantee a warm and friendly welcome to all.

Sunday services

New Inn Titans Football Club season review:

18 months ago, the club was about to fold due to a lack of players for numerous reasons. Patrick Trinder, who is a founding member of the club, asked Leigh Isaacs to return, he agreed and in turn brought Shaun Isaacs back into the club.

The lads had a hard season steadying ship and trying to rebuild. They brought in players and managed to keep the club going.

At the beginning of this season, Shaun and Leigh had a chat on what they wanted the Club to achieve. They managed to bring in players they knew and respected, who would be able to compete and give the Club a chance to win the league this season.

The first game of the season was one to be remembered for all the wrong reasons with one of our players having a horrific injury, which has meant he's missed the whole season.

Leigh and Shaun brought in Angie Wicks as Secretary, to help drive the club in the right direction and to support the players.

The club has played a total of 19 league games in the 21/22 season. Impressively that have won 16, drawn 2 and only lost one game in the league with 1 game to play.

The boys have had a fantastic season winning the Trelawney League Division 2 title. They also have the semi-final of the Lockhart Cup to play for. Dare we say, we are hoping that the club will do the double. The work that's been put in at the club has been immense whether that's the players, committee or supporters. We have a real family feel to our club and are striving for further success in the near future.

We would like to thank Illogan Parish Council and Sarah Willsher for allowing us to use Illogan Park as our home ground and for supporting us through the season to get where we are.

With the Pandemic the Titans found it hard financially. The Club has found that getting back on the pitch was good for their mental health. It's good to be back doing what we love and have enjoyed an extremely good season.

If any local businesses would be interested in coming on board as a sponsor for New Inn Titans, we would appreciate all the support we can get. If you would like details about sponsorship Angie Wicks is available on the club email address which is

Many Thanks to everyone involved in the Club.

UP THE TITANS!

The Old School Centre celebrates after receiving £9,773 in National Lottery funding

The Old School Centre, Illogan is celebrating today after being awarded £9,773 in funding from The National Lottery Community Fund, the largest funder of community activity in the UK.

The Old School Centre will use their funding to install a new Kitchen and utility room to enable groups with a social element to provide refreshments as part of their activity. The utility area will be accessible to groups using the Centre's Garden and will provide washing facilities for them and for craft groups using the Centre.

This new National Lottery funding will give all our visitors the opportunity to linger beyond their activity for a chat over a cuppa/snack whilst enjoying the Centre's unique tranquil spaces. It will take a few months to get all the equipment in place but as soon as we are ready to go, we will be sending out invitations to welcome people back. We are looking forward to seeing existing supporters and to welcoming newcomers. The Old School continues to have an emotional attachment for many and we are dedicated to ensuring it remains a thriving part of the community through the facilities we offer as well as through our History Archive, The Playground Years.

National Lottery players raise over £30 million a week for good causes across the UK. The National Lottery Community Fund distributes a share of this to projects to support people and communities to prosper and thrive.

Jeanette Tapping, Centre Manager and Project Leader said: "Thanks to National Lottery players, this grant means that we can provide excellent facilities to enhance our visitors' experiences and social interaction. This will make a big difference to people's lives."

During the pandemic, in 2020 alone, The National Lottery Community Fund distributed almost £1 billion to charities and community organisations across the UK.

To find out more visit www.TNLCommunityFund.org.uk

Illogan WI

We are delighted to be able to meet in the Village Hall once again, at 7.30 pm on the first and third Wednesday of each month. Even during the limitations placed on us during lockdown we have welcomed new and returning members and there are now around thirty of us. A friendly supportive group enjoying a variety of interests, we have a lot of fun with good food often in the mix.

New members are always welcome so do come along and try us for size. Visitors pay £2.00 per meeting. Subscriptions for a full year's membership, April to April are £44.00 which would be adjusted pro rata for anyone joining part way through a year.

It's a full programme for our WI year, which is great news.

This Spring we can look forward to

20th April	The Summer Garden, guest speaker
4th May	"Upcycle Kernow", guest speaker
18th May	Afternoon outing - tbc
1st June	Platinum Jubilee" pudding competition
15th June	A Grand Day Out - Outing tbc

ILLOGAN HANDBELL RINGERS

Meet every Wednesday
2-4pm
St. Illogan Church

New members welcome.
Why not try something
new?
Come, look and listen
and then have a go.

AN INTRODUCTION TO OUR NEW COUNCILLORS

Councillor Sue Kemp

I live in the cottage I grew up in with my little family and can often be seen walking miles with my dogs around this beautiful village that we are blessed to call home.

I previously worked for London Ambulance Service and after many years I took early retirement to raise my children back home in Cornwall.

I am passionate about the village I live in and the community within it.

Councillor Gary Cullimore

I was born in Luton but moved to Cornwall at the age of 6 months so I consider myself to be Cornish. I lived in Redruth for most of my childhood and joined the Royal Navy at the age of 16, I served on ships for a few years and then joined Submarines where I stayed for the rest of my time in the Navy. Whilst serving I had an accident that led me to be wheelchair bound for the rest of my life.

After leaving the Royal Navy I came back to Redruth where I met my wife Nikki, we moved to Illogan with our children in 2004.

I have worked as a volunteer for the Royal British Legion and SSAFA.

This is my first time as a parish councillor, and I hope to contribute to the welfare of our beautiful village and surrounding area.

Councillor Mike Jobson

Mike was born in Newcastle upon Tyne and has lived and worked in various locations in the UK and then Africa, living in Lagos, Nigeria for six years pursuing his career with Diageo PLC.

Mike moved to Cornwall in 2007 and worked as a Business Coach in the county, working with many small and medium sized enterprises.

Mike is keen to promote the Parish as a safe place to live and work, to the benefit of all.

Mike has a keen interest in road safety and is a keen motorcyclist, sailor, and skier.

Mike is one of the Parish Councillors for the Tehidy ward.
