

ILLOGAN PARISH REVIEW

Free!

Welcome to the Autumn 2022 Edition

of the Illogan Parish Review. Information is included about what is going on in the Parish from
1st September to the end of November 2022

Platinum Jubilee Commemorative Bench

Sunday 4 September 2022 – 2.00pm

Illogan Parish Council have purchased a Bench to celebrate the 70 year reign of "Her Majesty the Queen" on her Platinum Jubilee Year.

The official unveiling of the bench will take place on:

Sunday 4 September 2022 at 2.00pm

The bench will be cited on the Platt in Illogan Square, by the entrance to Manningham Woods. The Parish Council would be delighted if you could come along and share in the joy of unveiling the bench to honour the Platinum Jubilee.

The event will commence at 2.00pm with free scones, jam and cream and a lovely cup of Tea, Coffee or Juice.

Please come along, we would be delighted to meet you all!

With compliments of Illogan Parish Council

CHAIRMAN OF THE PARISH COUNCIL COUNCILLOR LAWRENCE PAVEY

First of all – a big thank you to the outgoing Council Chairman, Dave Crabtree - who has worked tirelessly, and with good humour over the past three years, during a time of change and lockdown due to the Covid pandemic.

As ever, work continues in Illogan Park:

The changing rooms are now refurbished and, whilst externally almost complete, require some finishing touches internally.

The new public toilets in Illogan Park (the first Illogan have had) are now open but it was extremely disappointing to find out that they had been vandalised within a few days, and again since. We will continue to monitor the situation and may need to amend the opening hours if this continues.

Work has commenced on providing a hard surface path around the park to make it accessible to all, including wheelchair users, pushchairs etc. This will include seating areas and picnic benches for your use.

There will also soon be our new Parish Office and Community Room, hopefully by the end of this year. Full plans for the area are available on our website (www.illoganparishcouncil.gov.uk), please visit and take a look.

We are now looking at other “green” areas around the parish to see if these can be improved.

CORNWALL COUNCILLOR COUNCILLOR DAVE CRABTREE

I am pleased to say that our residents are still keeping me busy with casework and every day produces a new challenge.

After discussions between Highways England and other interested parties I am pleased to report that the height of the parapets on the bridge over the A30 on Broad Lane will be increased to 1.8 metres from the current 1.2 with extra fencing and planting to the side. This work is due to be carried out by the end of September and will be the first bridge to have the height increased without removing the existing railings. Using this system will reduce the time that the bridge and the A30 will need to be closed for.

After almost two years of delays, Cornish Metals have commenced from a field in Park Bottom to drill under the A30 to investigate the quality of reserves within and around the old mine shafts as part of the feasibility study for the reopening of South Crofty. This work is anticipated to run for a period of approximately 6 months and will operate from 7am until 7pm 7 days a week and not the 24/7 that was discussed originally.

A further update on the proposed improvements to the parking situation in Coronation Road and Oxland should be available by the next edition of this Review.

There is a problem with speeding traffic within the area and you may not be surprised to know that following a recent Police Speeding Operation 61% of those caught speeding were residents. The Illogan and Portreath Community Speed Watch will commence once the equipment comes back from a service.

Illogan Park Update

Perimeter Path

The perimeter path has begun. This path will enable the Park to be accessible to everyone all year round.

The scheme comprises a 1.7-metre-wide tarmac pathway generally following the eastern and southern boundary of the park.

At the Paynters Lane End entrance there is a wider section of surfacing to provide an area for seating with staggered picnic benches. This will offer a full view of the park across both playing pitches. Running down the eastern side of the park the footpath will pick up the entrances to Sunnyside Park. Two of the entrances will have larger tarmac hard standing to allow for 2 seating benches. The southeast corner of the park where it joins the

footpath off Spar Lane will be left as is due to the high-water table and poor drainage. The pathway continues along the southern boundary meeting up with the existing tarmac pathway in the formal part of the Park. To the northern side of the Park we will extend the new WC block access pathway along the front of the children's play park providing safe level dry access across the site. A small link section of pathway will be added to the rear of the WC block to aid access for cleaning.

Parish Council Office and Community Room

The contractor has started the foundations for the Office and Community Room. It is hoped that the Office will be complete and open to the public by the autumn of 2022.

Play Area

New safety surfacing has been laid around the Pirate Ship and Springers.

General

A lot of time and money is being spent picking up litter, managing anti-social behaviour and repairing damage in Illogan Park.

Illogan Parish Council are working extremely hard to improve Illogan Park and make it a nice space for everyone to enjoy.

Please look after and respect everything and everyone in the Park, take your litter home and respect other people in the Park and those who live next to the Park.

If you do witness anyone behaving inappropriately or damaging equipment please report it to the Police and also inform the Parish Council on 01209 711433 or Email: enquiries@illoganparishcouncil.gov.uk

Events

Hello, my name is Gary Cullimore and I'm a councillor for Illogan Parish Council, and the Chairman of the Community Event's Committee. The Committee would like to notify you all of some of the events we are currently planning this year.

Firstly, we will have a bench unveiling on The Platt, Manningham Wood to celebrate the Queens Platinum Jubilee, with hot and cold drinks and cream teas on Sunday 4th September at 2pm. We would love to see you all, and you will have the chance to meet some of your parish councillors.

We are very pleased to have the work commencing on our new office and community rooms in Illogan park, they are due to be finished in the autumn. We will have an opening day, however, due to us not having a completion date yet we ask you to keep an eye out on our Facebook page and the website

www.illoganparishcouncil.gov.uk

We will have litter picking events throughout this year and next, keeping our parish clean is very important to us but we could really do with some help, so if you could spare a few hours it would be very much appreciated. Dates will be published on Facebook and the website or contact Illogan Parish Council on 01209 711433 or email at enquiries@illoganparishcouncil.gov.uk.

On Thursday 8th December at 6pm we will turn on the Christmas Lights in Tolvaddon accompanied by Illogan Sparnon Silver Band. Please check Facebook and the website for updates.

Illogan Christmas Switch On is going to be completely different to previous years. On Friday 9th of December Illogan Primary School will have a lantern parade led by Santa and the Camborne Youth Band, leaving the school walking through the village to Illogan Park where we will have the Christmas tree lights turned on, with Illogan Community Choir singing Christmas songs, there will be face painting and a Santa's grotto, stalls in the new community rooms etc. This is a work in progress so if you have any ideas you would like to see, please contact us.

On December 10th at 6pm we will turn the lights on the Christmas tree in Park Bottom accompanied by the Camborne Youth Band. Please check Facebook and the website for updates.

Thank you for spending the time to read this, I would like to point out that we are committed to staging all-inclusive events for the parish, if you have any ideas for the planned or future events, or want to be part of a working group to stage upcoming events please contact me at councillor.g.cullimore@illoganparishcouncil.gov.uk or enquires@illoganparishcouncil.gov.uk

Without your participation and attendance these events aren't possible so thank you in advance.

Grants

Are you a local community group aiming to improve the quality of life for residents in Illogan?

Did you know, Illogan Parish Council may be able to help you?

Grants are made by Illogan Parish Council to local community groups towards a specific project or activity, which is not directly controlled or administered by the Council. There is a limited amount of money available for grants and some restrictions as to what the Council can grant fund. All grant decisions will be based on the principles set out in the Council's policy.

The Council's aim is to benefit as many organisations as possible. The Council cannot guarantee to fund the maximum amount applied for. Illogan Parish Council will not pay a grant unless the organisation can demonstrate that the balance of funding is available.

The Grant Policy including the application form are available on the Council's website – <https://www.illoganparishcouncil.gov.uk/grants/>

If you would like any further information or to have a chat about a project or potential grant funding, please do not hesitate to contact the Clerk, Mrs Sarah Rimell, on 01209 711433 or email enquiries@illoganparishcouncil.gov.uk

Illogan in Bloom

Fancy joining a new community group?

Illogan Community Promise needs you!

RHS 'It's Your Neighbourhood' is a scheme for volunteer-led community gardening groups which are focused on cleaning up and greening up their local area. It provides groups with the chances to get involved in the wider RHS Britain in Bloom initiative.

The wonderful thing about 'It's Your Neighbourhood' is that no two projects are the same.

We choose the activity based on our community's needs with three main core 'Its Your Community' pillars: Community Participation; Environmental Responsibility; Gardening achievement.

We will receive free horticulture advice from the RHS as well as an annual visit from an 'Its Your Neighbourhood' assessor. This visit gives useful feedback, helping us to develop our activities year on year. The annual visits are arranged by the Regions and Nations in Bloom and normally take place in June and July. Although we have missed this year and starting from new all this is taken into consideration with this scheme.

So how can you help and why help?

In Illogan we are blessed with an array of society with skills, knowledge, abilities that can all be put to amazing use. You don't need to be young, strong and able to tackle a bramble bush in five minutes to be of use in this group! We need the knowledge that has been passed down through generations that can't always be taught from a book. Everyone has something to offer when it comes to improving the area in which we live and together it's achievable and with this in mind we are starting from scratch, so I need YOU!

The first thing we need to do is form our group so please if you would like to be part of a cleaner, greener, positive change in Illogan that values your participation in any form that may bring then please get in contact with myself.

I look forward to hearing from you. Together we can bring Illogan into Bloom.

**“Richards Lane Platinum Jubilee Street Party”
held Saturday 4th June 2022**

In celebration of the Queen’s Platinum Jubilee, the residents of Richards Lane celebrated in style with knitted bunting, selfies with Her Majesty and pinning Her Majesty’s earrings on her competition. There was also a best bake competition which was won by Karen who also made the children’s crowns, the best bake competition was judged by the now famous Bren and Irene! We applied to close the road and this was granted free of charge due to special dispensations for the Jubilee. A fabulous time was had by all.

If the iconic street party celebration wasn’t enough, it also brought all the neighbours together, those who didn’t know each other before, do so now!

Free ice cream was supplied by Jan and Dave, sweets for the children supplied by Karris and Alex, a free Tombola for the children supplied by Katie and Joe. The children also all had 50p Jubilee Coins to commemorate the event.

Tables, chairs, and food were supplied by all attendees and set up in the middle of the road. Children played safely and had a fabulous time. Even our “Postie” sat with us for his 5-minute well-earned tea break! We all sang the National Anthem to start the proceedings and a great time was had by all.

Here are just a few of the pictures that we took along the way. It was a fantastic day and everyone enjoyed themselves. Here’s to many more!

Illogan Handbell Ringers

Warm thanks to all those who came to our open-air concert 'Ringing in the Air' in St. Illogan Churchyard way back in June. Thanks to your generosity almost £200 was raised for the DEC Ukraine Humanitarian Appeal. We couldn't have wished for a better day. Bathed in warm sunshine, ringers and listeners alike enjoyed the beautiful setting. The sound of bells was assisted by that of resident birds, which was especially apt for one of our items: an arrangement for handbells of a theme from Beethoven's Pastoral Symphony.

We're now working towards our Christmas concert 'Ring, Bells, Ring' to be held on Wednesday December 7th from 2.30-3.30pm in St. Illogan Church. The program will include a variety of items, voiced as well as played, handbells as well as other instruments, and a chance to join in with a carol or two. Light refreshments will be available afterwards. Entry is free but donations in support of Women's Refuge Services in Cornwall are invited.

We broke for the summer but from 21st September are meeting again every Wednesday from 2.00 to 4pm in St. Illogan Church. New members are welcome. If you are interested contact Sigrid (01209 842839) or Frances (01209 217918) or come along one afternoon.

West Cornwall Concert Band

Charity No 10765761

We are a Concert Band of 45 players including drums and extensive percussion section. The Concert band was set up to help adults and children to perform and be part of a group of players of all abilities.

If you are a player or indeed not played for a while and a little rusty and want to play again, please come along and join us, all players including brass are welcome. We perform an extensive range of music from Show Music, film music, Gaming music, some classical to Jazz and Blues. We perform regularly with local choirs and other groups.

The next Concerts are:

Saturday 24th September 7.30pm at Centenary Church, Camborne

Saturday 29th October 7.30pm at Wesley Church, Camborne with Holman Climax Choir.

Come along and enjoy some great musical evenings.

We rehearse on Monday evenings except Bank Holidays at Wesley Methodist Church, Chapel Street, Camborne TR14 8EG between 7pm - 9pm, so come along and join us and have fun.

What's on at Illogan Village Hall

By Stephen Turner

Village Hall News

The Village Hall is steadily returning to normal use now that "that which shan't be named" restrictions have been lifted. During this time we have embarked on a project to renew the original wooden windows that are now life expired. We hope the renewal work will start by the autumn. The intention is to replace with windows of the same style as present only in UPVC.

You may well be thinking of getting out and about more and if so we would encourage you to look at the range of activities on offer at the hall? Our activity groups are led and attended by friendly folk and I'm sure you would be made welcome. Please see the list below for contact details and what's on at the hall.

The Village Hall is a welcoming, warm and friendly retreat and is available to hire at weekends for birthday parties and other social events. To book or for more information contact Bronia Saunders on 843343.

If your club or 'not for profit' organisation would like to meet regularly at the hall (i.e. once a month or more) then main hall hire cost is significantly reduced. Please phone 843845 in the first instance to discuss your needs.

The following groups currently meet on a regular basis at Illogan Village Hall.

New Inn Titans

New Inn Titans: as a club we would like to Thank the parish for all their hard work with the new toilets and updated changing rooms. We would also like to thank them for allowing us to continue to play our matches at Illogan Park. We begin our league season in August and would like to invite the community to come and support our small club during games. New Inn Titans was last season's Trelawney League Division 2 winners, we hope our journey in Trelawny Division 1 proves to be another successful season for the club. We are a small club who have a big family ethos.

Illogan Park RFC

"Park" (The Rats) is our local rugby club playing in *Counties 2 Tribute Cornwall*. This is an exciting new league drawn solely from clubs in Cornwall, which will give an added interest (and less travelling) to those clubs involved. They both play and train at Illogan Park, with a clubroom at The New Inn, Park Bottom. Training is held every Wednesday evening and new players are always welcome, experienced or beginners.

Gardening

There are no hard and fast rules about gardening and your green space is unique to you and your needs. You may have priorities - a large lawn to relax or run around on. A garden that allows you to entertain or a garden where you grow prize winning plants. Many gardens are attractive to wildlife, no matter what our personal agendas may be and there are always little jobs to do!

Little jobs can make a big difference to the appearance of your garden giving you another burst of colour before the summer draws to a close.

Deadheading early perennials before watering and feeding the remaining stems will encourage a second glorious show of colour, giving you a sense of enjoyment and late food for our pollinators.

Hardy annuals are designed to grow, flower and self-seed all in the same season. You could try California poppies, cornflowers, calendula. These plants are fast growing and long lasting, meaning you can have a show of colour that sees you into the start of winter whilst the rest of the garden is preparing for sleep over the forthcoming months.

Apply the three D's: if it is diseased, damaged, or dead, then cut it off the plant. (This does not apply to trees and expert advice should always be sought on our wooden friends!)

Giving the lawn a simple mow to keep it neat will help deter weeds, and over sow bare patches, but remember to keep the new seed damp.

Your favourite plants or vegetables will go to seed, and these can easily be collected on a dry day from a healthy plant. This will save you money and give you seeds you can sow for more of your favourite plants all for free!

With water in short supply and water butts running low, prioritise watering. Concentrate on crops, container plants, new trees, and new additions that you have added to the garden.

However, for me my garden is the most important thing. To sit and listen to the songbirds whilst watching the bees going about their busy day. Nature is free to enjoy at a time where most things are costing the earth.

The Old School Centre – Kitchen Project

We have been busy working on our Kitchen Project. It is due to be completed early in September when the Kitchen reopens. Several events are being planned to give the Community the opportunity to come along and enjoy our new facilities and we look forward to seeing new groups using the kitchen as part of the activities.

On Saturday, October 15th, we have an 'Evening with Mark Kazmarek'. Mark will be talking about Cornish Mining and will bring along some interesting artifacts. Mark is a very entertaining speaker and places will be limited. How to book will be advertised on our website www.oldschoolcentre.org and Facebook pages, alternatively contact the Centre on 01209 842999.

Our Playground Years Project is still on hold, but we aim to restart it in the New Year. In the meantime, anyone with access to the Internet and Facebook can check out our Facebook Page Illogan Old School Playground Years where old Illogan School photos may be found and shared.

Illogan WI

Illogan WI has enjoyed a wonderful summer: We joined other WIs and organisations for a Jubilee banner parade through Truro, our Jubilee puddings were delicious, a fun "Paddle & Picnic" at Godrevy made for a special evening. With the Cornwall Federation of WIs, we were part of a successful return to Royal Cornwall Show and there were great celebrations over our winning entry in the WI Royal Cornwall Show Cup competition. We usually meet at 7.30 pm in the Village Hall on the first and third Wednesday in the month and have recently welcomed several new members – always pleased to see more, of course. Do come along if you'd like to give us a try. A taster evening is £2. A full year's membership, April to April, is currently £44 which is adjusted pro rata for those joining part way through the year.

This Autumn we can look forward to

September 7 th	Proposed workshop with Upcycle Kernow, tbc
September 21 st	Guest speaker from The Lizard Lavender & Saffron Farm
October 5 th	Our Harvest Supper
October 19 th	Celebrating St Illogan Feast & local history with guest speaker

Harris Mill Hall – Consultation Event

Residents of Illogan are invited to come along to a public consultation morning to discuss the future of Harris Mill Village Hall, a community facility bequeathed to the Parish by Joseph Blight.

The event will be held on Saturday 3rd September and you can drop in at any time from 10am to 1pm to share thoughts and ideas.

Now in need of repair, renovation and improvement the Trustees and Management Committee invite you and especially our younger residents to come along and tell us how you would like the hall used and to have your say on what you might like to see happen to the hall.

We will continue to update residents periodically of progress here in the Illogan Review but if you would like to know more about the hall then please come along to the event or contact the Harris Mill Village Hall Secretary on 01209 843845 or email enquiries@bridgehr.co.uk

Illogan Parish Fair

Article by Stephen Turner

Firstly, our congratulations to the School PTA for putting on a very entertaining and well organised event in July. I heard many positive comments from those attending and we wish them every success with next year's event which I understand will be on 8th July 2023, so do pop that date in your diary.

Whilst wandering around the event a number of residents said that they had missed the original version of the fair where we utilise the range of community buildings located at Illogan Churchtown, and which included the Illogan Horticultural Show and indoor attractions. As a result, we are now considering a return of that style of fair but would perhaps hold it in September rather than July. As with all events you need a few willing ideas people, several organising type people and a number of willing hands on the day.

If you are reading this and are thinking that you could help out in some creative or practical way, then please do get in touch now and register your support with us. The more people like you that offer to help with the fair the better event we can put on. It's your Parish, it's your Fair and it really does need your help. 01209 843845.
