The aim is to improve the standards of professional practice and to play a leading role in raising the status of local government. It is also the intention to promote and sustain progression through Continuing Professional Development (CPD) of Members and employees.

Illogan Parish Council believes that appropriate training of Councillors and employees is essential to provide the standard of service to which the Council is committed. The Council encourages employees and Members to be proactive in their personal training and development. The Council will ensure funding is available for the training needs of both members and employees in its annual budget.

### **TRAINING NEEDS**

Training needs are determined by:

- new, or revised qualifications launched.
