Councillors noted that there are numerous green spaces within the parish that, if not taken on by the Parish Council, will go on to look scruffy and unkept. They could also be sold off in the future and it was vital that they were safeguarded to prevent this.

It was commented that by devolving these sites the tax payers would essentially be charged twice for their maintenance as Cornwall Council would not lower the Council Tax if they were taken over but that the Parish Council may have to increase its precept to cover additional costs incurred to maintain the areas.

It was proposed by Cllr Mrs O'Donnell, seconded by Cllr Cullimore and

FC24/06/26.2 RESOLVED to receive and approve the draft initial proposal form for community green spaces and submit it to Cornwall Council.

FC24/06/27 TO REVIEW THE USE OF THE FOOTBALL PITCH IN ILLOGAN PARK, AND AGREE ANY FUTURE ACTIONS

The pitch had ongoing issues with problems at the goal mouths as well as being prone to waterlogging in the wet weather. Care needed to be taken to prevent the risk of further damage to the pitch.

It was proposed by Cllr Crabtree, seconded by Cllr Mrs O'Donnell and

FC24/06/27.2 RESOLVED to keep the use of the football pitch in Illogan Park the same as it is currently with use by New Inn Titans and St Illogan Youth Football with the option of occasional use by others to be at the discretion of the Clerk. St Illogan Youth Football will be contacted to see if they wish to continue use after August 2024. The Clerk will look into contractors to investigate what work would be needed to bring the football pitch up to a better standard.

On a vote being taken the matter was approved unanimously.

FC24/06/28

TO RECEIVE AN UPDATE ON MARY'S WELL, AGREE HOW TO PROGRESS AND ANY FUTURE ACTIONS

A survey had been completed at Mary's Well showing the location of the pipework. However, this did not help to determine the cause of the low water pressure.

Cllr Simmons had been to look at Mary's Well and believed it may be something he could fix without further cost being incurred by the Council.

It was proposed by Cllr Jobson, seconded by Cllr Szoka and

FC24/06/28.2

RESOLVED

that Cllr Simmons will attempt to rectify the water pressure issues at Mary's Well.

On a vote being taken the matter was approved unanimously.

Cornwall Councillor Philip Desmonde requested to give his report early as he had another engagement to get to.

He reported that the self-build plots at Tolvaddon were being proposed to be taken over by Treveth for housing for people with a local connection and would remain in the rental market.

He had been pushing for some time for action to resolve the damaged verges on South Drive at Tehidy Country Park. A plan was due to be produced to repair and revegetate the verges to prevent parking and to improve the local bus service to provide alternative means of accessing Tehidy. Cllr Desmonde had not yet received a programme for the design scheme and delivery of the works.

The A30 closures were continuing with overnight closures until the 20th June and a weekend closure from 8pm on 21st June to 6am on 21st June. The new road would then open fully on the morning of the 24th June. Whole this was good news, the reality is that work would be ongoing on connecting roads and landscaping for some time.

There had been several reports of campers on the green at Tolvaddon overlooking the valley. They had now moved on.

The green triangle verge at Tehidy had been cut by a local resident. There had been lots of compliments to Councillor Desmonde in relation to how nice this was now looking and wished to express his thanks.

Councillor Desmonde left the meeting at 7.48pm.

FC24/06/29

TO CONSIDER MANAGEMENT, MAINTENANCE AND FUTURE DEVELOPMENTS IN ILLOGAN PARK AND OTHER PARISH FACILITIES, AGREE ANY APPROPRIATE ACTIONS AND ANY ASSOCIATED EXPENDITURE

There had been a report of graffiti issues and purple paint at the Platt and through Manningham Woods. The Assistant to the Clerk had been and

taken pictures of the issues earlier in the week. Most of the paint is on trees and therefore there isn't really a solution to remove this without damaging the trees.

There was paint on the bench, railings and sign and a way would be investigated to remove this without causing further damage to the items.

FC24/06/30 TO RECEIVE A REPORT FROM THE CLERK INCLUDING HEALTH AND SAFETY, AGREE FUTURE ACTIONS AND ANY ASSOCIATED EXPENDITURE

There was no report from the Clerk.

FC24/06/31 TO RECEIVE CORRESPONDENCE FROM THE 8TH MAY 2024 UNTIL THE 11TH JUNE 2024, AGREE ANY APPROPRIATE RESPONSES AND ANY FUTURE ACTIONS

There was no correspondence.

FC24/06/32 TO RECEIVE REPORTS FROM THE CORNWALL COUNCILLORS

Councillor Crabtree read his report:

"The majority of issues this month are road related.

Coronation Road – Following the lack of response to Illogan Parish Council after their reply to the implementation of parking restrictions was only sent to myself, and not the Parish, thankfully I forwarded it in time for it to be considered under correspondence at the Planning and Environment meeting at the start of the month. I can confirm that I followed this up with an email asking for the scheme not to be implemented since it was not as per the consultation and the previous Highways Manager ignored the objections from the Coastline consultation.

Broad Lane Bridge – Unfortunately there appears to be an increase in incidents around the bridge now, and without going into specifics in this report, a request for a meeting with National Highways has been requested. During a Safer Camborne/Redruth meeting I raised this with our Police Inspector and other parties, and this led to a 20 minute debate on schemes that have helped in other areas including one where there were over 200 incidents per year and this is now zero.

Verges – The annual comments have started to come in regarding the weeds and bushes growing out of the verges within the Parish compared to our neighbouring Parishes and Towns. Those of us that have sat around this table for a number of years, and it appears that I am gradually getting higher on the list of oldies, know that Cornwall Council voted in 2012 to stop spraying weeds and left it to individual councils, therefore could I ask that we put this on an appropriate agenda to have our annual discussion and vote on the matter please?

On a personal note, I am now added to a further four Committees on Cornwall Council and outside bodies and they are :-

- Licensing, once the training is complete,

- Children and Families Overview and Scrutiny as a substitute,
- Neighbourhoods Overview and Scrutiny as Chair, which by default placed me on;
- The South West Region Flood and Coastal Committee.

Late this afternoon I received an email confirming that the land adjacent to Fairview Villa that was referred to the Planning Inspector in February was actually started on the 17th of this month, so it could be another 20 weeks before we know the result. I have spoken to the resident and informed her that it will be via written representation and a site visit, so any further new information can be submitted.”

FC24/06/33
