FC25/06/6 CHAIRMAN'S ANNOUNCEMENTS

The Chairman noted the sad passing of Cllr Malcolm Moyle, previous Cornwall Councillor for Pool and Tehidy, on the 27th May and

recommended the Illogan Parish Council observe a minute's silence. This was agreed and a minute's silence was observed.

The Chairman thanked all councillors for taking the time to read through the lengthy agenda for the meeting.

The Chairman noted that the previous evening all councillors had received an email from a fellow councillor. Upon reading it several times, he found the tone of the message to be discourteous, both towards staff and other Councillors. Furthermore, the email contained several inaccuracies.

Concerned by the content, he contacted the office to seek advice on how best to respond. However, he was surprised to be told there was no record of the email. Upon further investigation, it was discovered that the message had been deleted. This was not acceptable.

While he believed parts of the email did raise some valid issues worthy of discussion, the manner in which it was presented overshadowed the message. As a result, the office and Chairman had agreed not to respond formally as there was no official record or paper trail of the communication.

He has also requested that the office circulate guidance on appropriate email etiquette for Council correspondence. It was vital to remember that our emails were received by real people, and the words we used could have a real emotional impact. Respectful communication was not optional – it was essential to the healthy functioning of this Council.

He kindly asked that any future concerns be expressed in a constructive, respectful manner, free of finger-pointing or inappropriate language. As Chairman, he was here to listen. If Councillors had an issue or concern, he encouraged them to contact him directly by email or phone. He promised to approach all matters with honesty, fairness and impartiality.

Let's continue to work together in a spirit of professionalism and mutual respect.

FC25/06/21 TO RECEIVE A LETTER FROM PORTREATH PARISH COUNCIL REGARDING ANTISOCIAL BEHAVIOUR AND A REQUEST FOR SUPPORT, AGREE ANY FUTURE ACTIONS AND ANY ASSOCIATED EXPENDITURE

Members discussed a letter from Portreath Parish Council about issues of anti-social behaviour in their parish with youths travelling into the area from neighbouring parishes. They had funded some youth engagement sessions which they hoped to extend through the summer period and were requesting contributions towards running these sessions. The first session had taken place and noted that of the 10 young people they engaged with, some were from the Illogan area.

Councillors noted that they were aware of the issues in Portreath and that the Police had attended on a number of occasions because of the issues and were now making regular visits to the area.

They noted that anti-social behaviour was a mobile problem and that those responsible often just moved from one location to another. By contributing to these sessions, there could be a precedent set to contribute to similar issues in other areas.

Councillors felt that other organisations needed to come together to tackle the issues rather than it being left to parish councils.

Cllr Cullimore proposed Illogan Parish Council make a contribution of £124 to cover 2 outreach sessions. This was seconded by Cllr Crabtree. A vote was held with 3 votes FOR and 5 votes AGAINST and the motion failed.

It was proposed by Cllr Ms Kemp, seconded by Cllr Mrs O'Donnell and

Although Illogan Parish Council has no authority over the Portreath area, we are happy to offer support in other ways, such as helping to raise awareness through publications like the Illogan Review and Facebook page.

Unfortunately, beyond this, the Parish Council’s ability to intervene is limited.”

On a vote being taken the matter was approved unanimously.

Replacement benches have been ordered in the meantime but had a 7-week lead time. The gate nearest the office is waiting for a part to enable to 2nd motor to be adjusted to prevent the gate closing too fast, there is a 3-week lead time on the part and it being fitted. On a positive note, whilst waiting for the post installation inspection to be completed, RoSPA completed our Annual Inspection and inspected the newly installed equipment, completing the same checks that would have been completed during the post installation inspection, which has resulted in a cost saving of £383.25 and enabled the park to reopen much quicker.
