

POLICY FOR THE INSPECTION AND REPAIR OF THE ROAD OWNED AND MANAGED BY ILLOGAN PARISH COUNCIL

For the road leading to Illogan Park (An Vownder) that has not been adopted as highway by Cornwall Council, visual checks will be completed regularly, at least twice per year. The Council will respond to any correspondence or grievances promptly. This road will be maintained and repaired to an appropriate standard.

This Policy will be revised if the Council takes on any responsibilities for other roads that have been adopted as highway by Cornwall Council.
