

Useful Links Page Policy

1. Introduction

The *Useful Links* page on the Illogan Parish Council website provides parishioners with access to external websites that may be of interest or assistance. Each listed item is a clickable link that directs users to a website outside the control of the Council.

All links are presented in alphabetical order for ease of use.

To ensure accuracy and relevance, all links will be reviewed on a quarterly basis and updated or removed where necessary to ensure they remain functional and direct users to the intended websites.

2. Management and Responsibility

The *Useful Links* page is managed by the Finance and Resources Committee.

The Council reserves the right to determine which links are included and to remove links at any time if they no longer meet the criteria set out in this policy.

3. Inclusion Criteria

The Council will consider including links to:

- Voluntary organisations.
- Community groups.
- Charities.
- Support groups.
- Providers of general public information.

Links must meet the following conditions:

- Content should be largely free to access.
- Information must be relevant to residents of Illogan Parish.
- The website must be appropriate, lawful, and non-political.

The Council will **not** include links to:

- Commercial businesses.
- Business-related or promotional content.

4. Requests for Inclusion of a Link

Requests for the inclusion of a link on the *Useful Links* page should be submitted by email to: enquiries@illoganparishcouncil.gov.uk

Requests must include:

1. Name of the organisation.
2. Website link (URL).

5. Review of Requests

All requests will be reviewed by the Finance and Resources Committee, which will:

The requester will be notified of the Committee's decision once it has been made.

The decision of the Finance and Resources Committee is final.
